Extended Description:

BTE Culvert Cleaner or Equal Lease/Rental WITHOUT Operator

September 29, 2020

Subject: Response Proposal to Solicitation No. CRFQ 0803 DOT210000027

Thank you for the opportunity to respond to the BTE Culvert Cleaner or Equal Lease/Rental without Operator Solicitation. We were very eager to put together the below quotation for you.

BTE's Culvert Cleaner System is available for lease at weekly and/or monthly rates. We do not provide daily leasing of this specialty system.

If the WVDOT has a fenced and gated facility where the Culvert Cleaner System can be stored, BTE would recommend storing the system at your facility between cleaning projects. This will minimize the cost of mobilizing the system from Festus, MO to West Virginia for each culvert cleaning project the district has.

BTE will provide one week of onsite training with WVDOT operators and/or crew members on the proper use of the specialty system. This will allow for more proficient use of the Culvert Cleaner System at each cleaning project. We do recommend having crew members and/or operators from each county or district that will be using the system, on site during the week of training. Additional training or support needed after the initial startup training will be billed at our standard field/service rates. We strive for outstanding customer service and technical support so please feel free to contact our support team without hesitation for unlimited phone support.

In addition to operator training and support, there are parts lists and diagrams provided in the operator's manual of each machine. Pricing and availability can easily be confirmed with a quick phone call or email to our customer service department.

BTE requests if the Culvert Cleaner System is not being used by the WVDOT, the system would be available for use by BTE to handle any emergencies that may arise where this specialty equipment is needed to resolve the issue.

Ballast Tools Equipment stocks standard replacement parts for BTE components in Crystal City, MO for quick replacement and repair to ensure minimal to no downtime. Caterpillar spare parts are stocked at Cat dealers in both US and Canada. We offer a traveling mechanic truck to be sent out for field service work, should any be required.

BTE designs and builds equipment that is super-tough-quality and multi-functional, these include excavators, backhoes and skid steers. The large equipment is complimented with BTE designed and built transportation-specific attachments to increase productivity and mobility on many roadway maintenance functions.

If you have any questions about our proposal submission or enclosed material, please do not hesitate to contact us. Thank you again for the opportunity.

42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
 - c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
 - d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. 3.2.3 Equipment Offered, without Operator, for Lease/Rental: The Vendor shall lease/rent equipment, without Operator, to the WVDOH per the day, week and/or month per Section 3.2.3.

3.2.3.1 Exhibit A, Pricing Page provides a description of each piece of equipment being requested for potential WVDOH lease/rental. Vendor should provide their proposed piece of equipment by listing the Manufacturer's Name, Model Number and Serial Number, where applicable, as instructed in Section 4.2 of these specifications.

3.2.4 Mobilization: To meet the immediate needs of the WVDOH, when a Vendor is required to deliver lease/rental equipment, Vendors shall deliver needed lease/rental equipment upon notice by the WVDOH, per Section 6.1 of these specifications, assembled and ready to operate to any location or locations as designated by the WVDOH on a Delivery Order. This may include weekends and/or holidays. Pricing for mobilization shall be bid per mile. Mobilization bid in any form other than cost per mile shall be grounds to disqualify the Vendor's bid. Vendor shall bid the cost of delivery of the leased/rented equipment for the first mile and the cost for any additional miles after the first mile.

Delivery/Mobilization fees shall be calculated and paid one-way only, by the WVDOH, from the Vendor's storage location to the WVDOH project site. When the Vendor has multiple projects, or the leased/rented equipment is traveling from one WVDOH location or project to project, additional miles will only be paid from project to project or from the Vendor's storage location to the project, whichever is less mileage. The WVDOH will provide the location for delivery of the leased/rented equipment to the Vendor on a Delivery Order.

The WVDOH will calculate the in-state delivery route mileage from the equipment owner's location of the leased/rented equipment to the WVDOH job site using the WVDOH Straight Line Diagrams. These Diagrams for WV Primary Routes and WV Secondary Routes are available in each WVDOH's District Office and the Central Office located in Charleston, WV. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.

Out-of-state delivery route mileage will be calculated by the WVDOH using "Google Maps" or a similar source for routing from the equipment

owner's location of the leased/rented equipment to the WV State line at which time, the Straight-Line Diagrams will be sourced to the WVDOH job site.

3.2.5 Lease/Rental Period: Quoted rates for leased/rented equipment, without Operator, shall be for lease/rental days, weeks and/or months.

A lease/rental day is a day of agency possession of leased/rented equipment during which it is not down for four hours or more during the normal work period.

NOTE: Days on which a piece of leased/rented equipment is down for normal maintenance or repair for four hours or more during the normal work period shall be considered a day of downtime and shall not be considered a day of equipment lease/rental.

A lease/rental week is seven lease/rented days, including Saturdays, Sundays and Holidays.

A lease/rental month is thirty lease/rented days, including Saturdays, Sundays and Holidays.

The date of official receipt of leased/rented equipment by the WVDOH shall be considered the first day of lease/rental. The day immediately preceding the date on which leased/rented equipment is officially returned to the owner shall be considered the last day of lease.

A day or days used by the Vendor solely for travel to the site, set-up or breakdown of the leased/rented equipment shall not be considered as a lease/rental day.

3.2.6 Maintenance, Down Time and Risk of Loss:

3.2.6.1 Maintenance

3.2.6.1.1 Daily/Weekly Maintenance: At its own expense, the WVDOH shall provide fuel, oil and lubricants, according to the manufacturer and Vendor's requirement, necessary for the operation and use of the leased/rented equipment. For each piece of leased/rented equipment, upon delivery of the leased/rented equipment to the WVDOH or upon pickup by the WVDOH, the Vendor shall provide an operator's daily/weekly maintenance and operational checklist, according to the manufacturer and Vendor's

REQUEST FOR QUOTATION
BTE-313 Excavator Culvert Cleaner System or Equal WITHOUT Operator

requirement, of easily accessible components, such as, but not limited to, fluid levels and specifications, safety evaluation and visual inspection of equipment components which shall document the daily/weekly operational condition of the leased/rented equipment.

NOTE: The WVDOH does not dictate the requirements of the Vendors' daily/weekly checklist.

Any minor and/or major needed repairs discovered during the operator's daily/weekly inspection shall be noted on the maintenance and operational checklist. The WVDOH shall contact the Vendor before the leased/rented equipment is placed into service by the WVDOH.

3.2.6.1.2 Repair or Replacement Parts: The WVDOH shall reimburse the Vendor for the repair or replacement of any part of the leased/rented equipment which shall be destroyed, damaged or made inoperative because of ordinary negligence, abuse or improper operation by its personnel. The WVDOH shall not be responsible for any such replacement or repair caused by a defect existing in such leased/rented equipment at the time of delivery by the Vendor to the WVDOH or if the need for such repair or replacement resulted from normal usage.

3.2.6.2 Down Time: All leased/rented equipment inoperable due to the necessity of replacement of parts or repair of damage for a period greater than four hours shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH for the use of the leased/rented equipment for such periods unless "down time" is due to the negligence or lack of reasonable care by the WVDOH.

3.2.6.3 Risk of Loss, Damage, Destruction or Theft: While in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such leased/rented equipment, the responsibility shall be borne by the WVDOH from and after the delivery of such leased/rented equipment by the Vendor to the location designated by the Delivery Order and its acceptance by the WVDOH according to Section 6.1.1 of these contract specifications and the terms and conditions hereinafter set forth. The WVDOH shall reimburse the Vendor for the repair or

REQUEST FOR QUOTATION
BTE-313 Excavator Culvert Cleaner System or Equal WITHOUT Operator

replacement of any part of said leased/rented equipment which shall become lost, stolen or damaged due to the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

The Vendor shall be responsible for any loss, damage, destruction or theft, partial or complete, caused by a defect in such leased/rented equipment existing at the time of delivery thereof by the Vendor to the WVDOH.

The total or partial loss of use or possession of any leased/rented equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession is caused by the ordinary negligence or the lack of ordinary care of such leased/rented equipment by the WVDOH or its personnel.

The leased/rented equipment shall be deemed a total loss due to its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined to exceed 75% of the market value of such leased/rented equipment. If a claim is made by the Vendor against the WVDOH for the loss or damage to such leased/rented equipment, the Commissioner of the WVDOH shall review such claim and if after review the Commissioner shall determine that a sum of money is due the Vendor and acceptable to the Vendor, issue a requisition to the Auditor of the State of WV for the payment of such agreed sum to the Vendor. Reference WV Code §17-3-4.

<http://www.legis.state.wv.us/WVCODE/ChapterEntire.cfm?chap=17&art=3§ion=4#03>

If, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor.

The Vendor may at its choice proceed to the WV Court of Claims as to any claim it may have against the WVDOH for such loss, damage, destruction or theft of said equipment.

REQUEST FOR QUOTATION
BTE-313 Excavator Culvert Cleaner System or Equal WITHOUT Operator

3.2.6.4 Accident Inspection: If leased/rented equipment is damaged or requires repair because of a mechanical failure, prior to being placed back into service for use by the WVDOH, a thorough inspection shall be performed by the Vendor to ensure the mechanical function and safety condition of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Truck, Aerial Platform Truck, Crane, Manlift and Underbridge Platform Inspection Units shall receive inspections and tests to be in full compliance meeting all manufacturer's, State and Federal rules and regulations before being placed back into service for use by the WVDOH.

4. CONTRACT AWARD:

4.1 Contract Award: The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. A Contract shall be awarded to all responsible Vendors that provide the Contract Items for lease/rental which meet all required specifications of this contract.

4.2 Pricing Pages and Information Attachment form:

4.2.1. Exhibit A, Pricing Pages: Vendors may bid any or all items on Exhibit A, Pricing Pages.

Vendors should submit their proposed pricing for each item bid as daily, weekly and/or monthly on the Pricing Pages. Proposed pricing submitted in any other format other than what is requested on the Pricing Pages shall be grounds to disqualify the Vendor's bid for the piece of equipment or the bid in its entirety. Proposed pricing for delivery fee rates are only acceptable per Section 3.2.2 of the contract specifications.

Vendors should submit a description of the proposed equipment for each item bid on the Pricing Page. This information should include the Manufacturer's Name, Model Number and Serial Number, where applicable.

Multiple pieces of equipment can be proposed/identified on one Pricing Page whether pricing is the same or varying prices.

REQUEST FOR QUOTATION
BTE-313 Excavator Culvert Cleaner System or Equal WITHOUT Operator

The Pricing Pages contain a list of Contract Items. There is no estimated lease/rental volume available for any Contract Item. No future use of the Contract or any individual Contract Item is guaranteed or implied.

4.2.2 Information Attachment Form: The Information Attachment Form should identify the Vendor's Base Location and any other potential Base Locations where the leased/rented equipment may be delivered from, by the Vendor or picked up by the WVDOH. The Vendor should provide the 911 address or the most recent physical street address, city and state for each Base Location. If the Vendor fails to provide the Base Location(s) on the Information Attachment Form, the Vendor's bid may be disqualified.

The Vendor should complete the "Counties Bid" section on the Information Attachment Form by identifying the counties serviced. If the Vendor fails to indicate which County or Counties serviced, it will be assumed that the Vendor's bid is for all counties in District 2 .

Failure to provide the requested information on the Information Attachment Form and the requested information on Exhibit A, Pricing Pages, for each item bid, may result in disqualification of award to the Vendor for an item or disqualification of the bid in its entirety.

Vendor should electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an Excel electronic document. In most cases, the Vendor can request an electronic copy of Exhibit A, Pricing Pages for bid purposes by sending an email request to the following address: crystal.g.rink@wv.gov.

5. ORDERING, INVOICING AND PAYMENT:

5.1 Ordering: Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor can accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

At the time of need, the selection method to determine the low-bid Vendor per project, the WVDOH will calculate the cost of leasing/renting the equipment plus the cost of delivery of the leased/rented equipment from the Vendor's base location to the WVDOH job site and award the Delivery Order to the Vendor who can

REQUEST FOR QUOTATION
BTE-313 Excavator Culvert Cleaner System or Equal WITHOUT Operator

furnish the leased/rented equipment at the least overall cost. The WVDOH shall record the Vendor's equipment serial number on the Delivery Order.

An example: Lease/Rental of an Aerial Bucket Truck for three days, at \$100.00/day with a 10-mile delivery at \$1.00/1st mile and \$.50/each additional mile. To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of the leased/rented equipment to the WVDOH job site shall be a factor in determination of each Delivery Order. As explained in the preceding paragraphs, the Delivery Order will be issued to the lowest awarded Vendor; however, it is understood between the WVDOH and all awarded Vendors, if the low awarded Vendor for any given job is unable to perform, the Delivery Order will be cancelled and given to the next lowest awarded Vendor. If a Vendor cannot be found to perform the duties and obligations under this contract, the Delivery Order may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

NOTE: Due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need, the WVDOH shall have the option of picking up the leased/rented equipment from a Vendor's base location. If the WVDOH chooses the pickup option, the Vendor's cost of delivery is not calculated into the cost.

5.2 Invoicing:

- 5.2.1** Invoicing shall be at a minimum of no less than one lease/rental day. Equipment lease/rented for one lease/rental day shall equal four or more hours as described in Section 3.2.3 of this contract.
- 5.2.2** Equipment leased/rented for one lease/rental week shall be invoiced at the weekly lease/rental rate or the number of lease/rental days times the daily lease/rental rate, whichever is less.
- 5.2.3** Equipment leased/rented for more than one lease/rental week, but less than one lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven days, whichever is less.
- 5.2.4** Equipment leased/rented for one lease/rental month or more shall be invoiced at the monthly rate. If the lease/rental period is not a multiple of

REQUEST FOR QUOTATION
BTE-313 Excavator Culvert Cleaner System or Equal WITHOUT Operator

thirty lease/rental days, each day more than the multiple shall be evaluated as one-thirtieth of a lease/rental month.

5.2.5 An invoice submitted to the WVDOH shall include the following:

- a) The beginning date and the date on which invoice period ends.
- b) The number of lease/rental days in the invoicing period.
- c) The number of lease/rental equipment downtime days in the invoicing period.
- d) The make, model and serial number of the leased/rented equipment being invoiced as identified on the Vendor's contract.
- e) The total owed to the Vendor and the method of calculation.

NOTE 1: The WVDOH will supply the equipment owner with the downtime days in any calendar month within ten days following the end of the calendar month or within two days following termination of a lease/rental, whichever is appropriate. The owner may obtain this information sooner by calling the WVDOH District that is leasing/renting the equipment.

NOTE 2: The period of need for leased/rented equipment as specified on the Delivery Order is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

5.3 **Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. **The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract.**

6. DELIVERY AND RETURN:

6.1 **Delivery Time:** Vendor shall deliver standard orders within 24 hours after orders are received. Vendor shall deliver emergency orders within an agreed upon acceptable timeframe by the Vendor and the WVDOH after orders are received.

- 6.2 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

- 6.3 Delivery Payment/Risk of Loss:** Standard order delivery or emergency delivery shall be as per Section 3.2.2 of the contract specifications. Vendor shall include the cost of standard order delivery charges as directed in Section 3.2.2 of the contract specifications.

- 6.4 Return of Equipment:** Upon the completion of the project, the WVDOH will return the leased/rented equipment, at its expense to the Vendor at the original location at which such equipment was delivered to the WVDOH. The equipment must be washed and clean upon return to the vendor.

- 6.5 Return of Unacceptable Items:** If the Agency deems the Contract Items to be unacceptable, such as the Vendor delivering a piece of leased/rented equipment that was not awarded on this contract, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either plan for the return within five (5) days of being notified that items are unacceptable or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the lease/rental price, at the Agency's discretion.

- 6.6 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a lease/rental condition.

West Virginia Code § 5A-3-11c and West Virginia Code of State Rules § 148-1-7.10 require that the Director of the Purchasing Division ("Director") determine in writing that an award to multiple vendors is in the best interest of the state by considering a number of factors listed below. Those same provisions also require the spending unit to provide written justification when requesting an award to multiple vendors. This form is intended to provide the required written determination and justification.

The person signing below hereby finds that an award of Solicitation No. 02-21-C046 to an individual bidder would be insufficient and recommends to the Director that the above identified solicitation be awarded to multiple bidders.

Factors: In making this recommendation that an award to multiple vendors is in the best interest of the State of West Virginia, the undersigned considered the following factors, in so far as they are applicable, and offers the following explanations:

1. The quality, availability, and reliability of the supplies, materials, equipment, or service and their adaptability to the particular use required;

Explanation: THE MORE VENDORS AVAILABLE WILL ELIMINATE EXCESSIVE DELAYS IN OBTAINING COMMODITY. THEREFORE ALLOWING DISTRICT 2 TO STAY ON SCHEDULE OF MAINTENANCE OF ROADWAYS.

2. The ability, capacity, and skill of the bidder;

Explanation:

3. The sufficiency of the bidder's financial resources;

Explanation:

4. The bidder's ability to provide maintenance, repair parts, and service;

Explanation:

5. The compatibility with existing equipment;

Explanation: DISTRICT 2 HAS DIFFERENT TYPES OF EQUIPMENT AVAILABLE TO THEM ON THE RENTAL CONTRACT, BY ALLOWING MULTI BIDDERS, THIS WOULD CREATE A LARGE POOL OF EQUIPMENT AVAILABLE TO US. ELIMINATING DELAYS OF GETTING THE PROJECTS FINISHED.

6. The need for flexibility in evaluating new products on a large scale before becoming contractually committed for all use;

Explanation:

7. Any other relevant factors;

Explanation:

Selection Method: Please describe the recommended selection method among multiple vendors. Examples include, but are not limited to: selection based on rank order, selection based on location of need, etc:

LOCATION OF NEED WOULD BE PRIORITY FOLLOWED BY AVAILABILITY.

Award To Multiple Bidders Is Recommended By:

Pursuant to W. Va. Code § 5A-3-11c and W. Va. CSR § 148-1-7.10, the Director:

(Approved) has determined, based on the information provided above, that a single award of the solicitation identified above to an individual bidder would be insufficient and that an award to multiple bidders is warranted. The Director also finds that the basis for the selection among multiple contracts at the time of purchase is the most practical and economical alternative and is in the best interests of the state.

(Denied) has determined that the request to award to multiple bidders is not warranted at this time.

Pursuant to *W. Va. Code* § 6D-1-2, a state agency may not enter into a contract, or a series of related contracts, that has/have an actual or estimated value of \$1 million or more until the business entity submits to the contracting state agency a Disclosure of Interested Parties to the applicable contract. In addition, the business entity awarded a contract is obligated to submit a supplemental Disclosure of Interested Parties reflecting any new or differing interested parties to the contract within 30 days following the completion or termination of the applicable contract.

For purposes of complying with these requirements, the following definitions apply:

- (3) the person or business entity, if any, that served as a compensated broker or intermediary to actively facilitate the applicable contract or negotiated the terms of the applicable contract with the state agency. (This subdivision does not apply to persons or business entities performing legal services related to the negotiation or drafting of the applicable contract.)

"State agency" means a board, commission, office, department or other agency in the executive, judicial or legislative branch of state government, including publicly funded institutions of higher education: Provided, that for purposes of *W. Va. Code* § 6D-1-2, the West Virginia Investment Management Board shall not be deemed a state agency nor subject to the requirements of that provision.

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
