ADDENDUM FOR PRE-BID

CRFQ 0803 DOT2100000107

CLASS 548 HYDRAULIC HAMMER

The original language in contract will be listed first with question and answer to follow below.

1. 3.1.2.1 Hydraulic hammer shall fit either:

A. John Deere 1350 excavator

B. Link Belt 145X3 excavator

C. Volvo EC140E excavator

**Question # 1:** The manufacture tells me each of those machines requires a different mounting cap. Is each hammer to be supplied with all 3 mounting caps?

**Question# 2:** We need clarification on this. Are you wanting a hammer with (3) different hammer tops, one for each machine model? Also, are you wanting pins included with the tops for each individual machine since they are different?

**Question # 3:** Will a mounting bracket for each excavator be required?

**Question# 4:** Will pins for the mounting brackets be required?

**Question # 5:** If we must supply pins, do they have to be made of hardened steel?

**Question # 6:** Will all the excavators be fitted with hydraulic pin grabber style quick couplers?

**Question # 7:** If equipped with the quick couplers, will they be removed or stay installed on the excavators when the hammers are installed and used?

**Question # 8:** Will diverter valves and other adaptors be installed on the excavators in order for the hammers to also have the correct flow and pressures available?

**Answer: Question 1 through 8.** The pricing sheet will be modified with the three additional mounting caps to be priced along with the hammer pricing. Pins are to be included with the pricing. Supplied pins shall meet the requirements of both the hammer manufacturer and excavator manufacturer.

**Question 6. Yes**

**Question 7. Couplers will stay attached**

**Question 8. Diverter valves will be added by the WVDOH if needed**

**2. 3.1.1.2 Tool size minimum 3.9 to maximum 4.5.**

**Question:** We would request that this be adjusted to a maximum 4.72?

**Answer:** Will accept.

**3. 6.1 Delivery Time:** Pilot within 30 days, Standard orders within 90 days

**Question:** We would like to request that these be moved out to 60 days for the pilot, and 120 days for the standard orders.

**Answer:** Will change to read 60 days for the pilot and 120 for standard orders.

Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

**ALL CONTRACTS:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

**"Debt"** means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

**"Employer default"** means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
