Dear Mr. Roth:

On behalf of the U.S. Department of Veterans Affairs (VA), Center for Verification and Evaluation (CVE), I am writing to inform you that your application for reverification has been approved. Access Products Inc DBA: Imaging Systems (Access Products Inc) will remain eligible to participate in Veterans First Contracting Program opportunities with VA as a verified Service-Disabled Veteran-Owned Small Business (SDVOSB).

**This verification is valid for three (3) years from the date of this letter.**

Please retain a copy of this letter to confirm Access Products Inc's continued program eligibility in accordance with 38 Code of Federal Regulation (CFR) § 74.12. You may reapply 120 days prior to your new expiration date by logging into <https://www.vip.vetbiz.gov/>.

While CVE has confirmed that Access Products Inc is presently, as of the issuance of this notice, in compliance with the regulation, Access Products Inc must inform CVE of any changes or other circumstances that would adversely affect its eligibility. If Access Products Inc receives a negative size determination from the U.S. Small Business Administration (SBA), CVE must act in accordance with 38 CFR § 74.2(e). Also note, if at any time Access Products Inc discovers that it fails to meet the size standards for any NAICS Code(s) listed on its VIP profile, CVE requires such NAICS Code(s) be removed within five (5) business days. If these NAICS Codes are not removed within the allotted five (5) business days, CVE may request SBA conduct a formal size determination. In addition, CVE may initiate a referral to OIG, a referral to the Debarment and Suspension Committee and pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in Access Products Inc being removed from the VIP Verification Program.

Thank you for your service to our country and for continuing to serve America through small business ownership.

Sincerely,
