MJ LIBRARY SHELVING

Top Shelf Solutions for Today's Libraries™

MJ Library Shelving by

AURORA STORAGE PRODUCTS, INC.

MJ Library Shelving

For over twenty years the MJ Library name has been synonymous with high quality shelving and storage solutions for all types of libraries including K-12 Schools and Universities, Corporate, Medical, Public, and Private Institutions.

Hundreds of Libraries in North America have chosen MJ Library Shelving to house their collections:

- Argonne National Laboratory
- Augustana College - Denkmann Hall
- Beverly Public Library
- Boston University School of Management
- Brigham & Women's Hospital Medical Library
- Captiva Memorial Library
- DePaul University Library
- Duke University
- Dunbar Library
- Eglin Air Force Base Library
- Glen Ellyn Public Library
- Harvard Law School Langdell Hall
- J. Paul Getty Center
- Kaiser Permanente Fontana
- Louisiana State University Medical Center
- Stanford University - J. Hugh Jackson Library
- University of Toronto - Robarts Library
- University of South Alabama
- V.A. Medical Center
- U.C.L.A. Law Library

The MJ Advantage

Always a great value with minimal lead times, MJ Library Shelving is quality shelving designed with flexibility to meet the demands of your unique library.

We Offer

- A broad line of accessories
- Specialty items such as concealed caster units
- Custom color matches
- Special heights and widths on certain models
- A national sales organization at your service
- Planning and design support

MJ Curved Library Shelving

Just one of the amazing products we can manufacture for your library.

MJ System 30 Shelving

System 30 is a versatile line of starter/adder library shelving with a contemporary appearance. A single slot design allows for increased storage and its narrow footprint can create wider aisles for ADA compliance. MJ System 30 can even be increased in height over time.

- No overhead bracing or floor fastening required
- 1" Shelf profile prevents deflection over time
- Hundreds of accessories to store various collections

Options

- Starter and Adder
- Single and Double Face Units
- Single and Double Divider Units
- Steel End Panels and Closed Back Options
- Mix and Match Accessories
- Width: 36" (24" and 30" also available)
- Heights: 42", 60", 66", 72", 78", 84", 90"

MJ 1000 Shelving

This welded frame shelving lowers installation costs and eliminates the need for sway braces which can be unsightly. Each unit is stand alone and allows clear filing from one side to the other for oversized volumes.

- One piece base shelf and base brackets
- Canopy top accepts wire book supports
- Hundreds of accessories to store various collections

Options

- Stand alone independent units
- Single and Double Face Units
- Single and Double Divider Units
- Seismic Welded Frames
- Steel End Panels and Closed Back Options
- Mix and Match Accessories
- Width: 36" (24" and 30" also available)
- Heights: 42", 66", 78", 84", 90"

Finishes & Options

Choose from 15 beautiful powder coat finishes or custom match to your unique décor.

* Aurora Xpress Color

Color Stability

When selecting colors, always review them under the actual lighting the product will receive in use.

Be careful when matching new product to existing product of the same color. Existing installations can change color if product is closely exposed to fluorescent lighting or intense sunlight. If a perfect color match is required for add-on product, forward a sample of the installed product. The samples in this color selector are provided as a color guideline. Color, texture, and gloss representation may be different between the various paint batches.

In addition to the color selector, metal color samples are available for specific color matching and sales presentations. Please contact your Aurora representative for metal samples.

Eco-Friendly Gloss-Tek

Environmentally friendly Gloss-Tek™ powder coat is 100 percent non-emissive; free of formaldehyde, methanol, and other solvents; and completely friendly to artifacts, specimens, and documents. Gloss- Tek provides a non-glare fingerprint resistant surface.

No wonder we say that with Aurora, any color you choose is "green."
