41. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process.

- c. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
 - 1. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
 - 2. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

42. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

43. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Additionally, the Vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. 4.1 Equipment Lease/Rental: ATT A provides a categorized list of Contract Items requested by WVDOH Agencies for potential lease/rental. REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

additional mile. Agencies will provide Contract Item delivery locations on the Release Order.

- 4.2.1 Additional Mileage Fees:** Leased/rented equipment may be used for multiple projects (i.e. leased/rented equipment is traveling from one Agency location or project site to another). In such instances, additional mileage fees may be charged by the Vendor at the “additional mile” rate entered on ATT A.
- 4.2.2 In-State Delivery:** The WVDOH will calculate the in-state delivery route mileage from the equipment owner’s location of the leased/rented equipment to the WVDOH job site using the WVDOH Straight Line Diagrams. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.
- 4.2.3 Out-of-State Delivery:** Out-of-state delivery route mileage will be calculated by the WVDOH using “Google Maps” or a similar source for routing from the equipment owner’s location of the leased/rented equipment to the WV State line at which time, the Straight-Line Diagrams will be sourced to the WVDOH job site.
- 4.3 Equipment Delivery/Pick-up:** Vendor shall deliver standard orders within seven (7) days of receipt of a WV-39 Release Order (See Exhibit 2 – “EXH 2”), per the terms of these specifications, unless otherwise noted by the Agency on its Release Order.

equipment upkeep and maintenance needs, per manufacturer and Vendor requirements. Daily/weekly maintenance checklists should, at minimum, include the following guidance:

4.3.2.1 Maintenance requirements for fuel, oil, coolant, and lubrication needs, referred to as “ordinary care” and used throughout this solicitation and defined in Section 2.

NOTE: The WVDOH, at its own expense, will perform routine maintenance by providing any manufacturer and Vendor recommended oil, fuel, and lubricants necessary for the use and operation of rental equipment in its possession. All other maintenance needs or component replacement(s) necessary for operation of rental equipment shall be maintained and provided by the Vendor.

4.3.2.2 Inspection of engine components, equipment body, tires/tracks, attachments, and easily accessible components. Inspection of safety components such as lights, rails, steps, horns, alarms, seatbelts, and other safeguarding attributes relevant to the specific type of leased/rented equipment.

4.3.3 Contract Item Rejection: Upon pick up or delivery, if the Agency deems the Contract Item unacceptable or inconsistent with the Release Order, the Contract Items shall be returned to Vendor at Vendor’s expense and with no restocking charge. The decision of the WVDOH District Engineer or their designee regarding the acceptability and quality of the Contract Item furnished, shall be final per Standard Specs section 105.1, as amended. Vendor shall either plan for the return within five (5) days of being notified that those items are unacceptable or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. All returns of unacceptable items shall be F.O.B. the Agency’s location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the lease/rental price, at the Agency’s discretion.

4.4 Equipment Return: Upon the conclusion of a rental period, the Agency shall return rented equipment to Vendor, at its own expense, to the original location such equipment was picked up at or delivered. Equipment shall be washed and cleaned by the Agency prior to its return to Vendor.

4.4.1.1 The Agency shall return rented equipment to Vendor with a full tank of fuel at the conclusion of the rental period. Vendor shall document the level of fuel in the rented equipment at the time of return.

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

4.4.1.2 Should rented equipment be returned to Vendor with less than a full tank of fuel, Vendor may invoice the Agency at their going fuel rate to return the fuel tank to full capacity.

4.5 Emergency Requests: As designated by a WVDOH District Engineer or designee, emergency requests shall be prominently noted on a Delivery Order. Upon receipt, Vendor shall initiate delivery or pick-up of lease/rental equipment within two (2) hours after receiving the Delivery Order. Emergency requests shall be invoiced by Vendor at 1.5 times the amount bid for the Contract Item on the Pricing Pages.

4.5.1 If the Vendor is unable to provide Contract Items per the emergency request, the Delivery Order will be cancelled, and a new emergency request will be sent to the next low-bid Vendor. If a Vendor cannot be found to provide Contract Items per the Delivery Order, the WVDOH, at its own discretion, shall cancel the Delivery Order and may seek to obtain Contract Items from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

4.6 Lease/Rental Periods: The initial day of a lease/rental period shall be the date of acceptance upon delivery or pick up, per Section 4.2.2 of these specifications. The final day of a lease/rental period shall be the day immediately preceding the return of a Contract Item. Vendor's delivery/travel time, equipment set-up, or break down shall not be calculated as a lease/rental day.

Vendor shall provide a daily, weekly, and monthly rate on ATT A for Contract Item bids.

4.6.1 Daily Rental: A daily rental is defined as a single day, up to and including six (6) consecutive days that an Agency is in possession of a leased/rented Contract Item. This includes weekends and Holidays.

4.6.2 Weekly Rental: A weekly rental is defined as seven (7) consecutive days that an Agency is in possession of a leased/rented Contract Item, including weekends and Holidays.

4.6.3 Monthly Rental: A monthly rental is defined as thirty (30) consecutive days that an Agency is in possession of a leased/rented Contract Item, including weekends and Holidays.

4.8 Equipment Maintenance (Downtime, Risk of Loss, etc.):

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

4.8.1 Equipment Maintenance: The WVDOH, at its own expense, shall provide the fuel, oil, and lubricants necessary in the operation and use of the leased/rented equipment, per the daily/weekly maintenance checklist provided by Vendor upon delivery or pick up of lease/rental equipment.

NOTE: The WVDOH will not dictate or alter requirements set forth on a Vendor's daily/weekly maintenance checklist.

4.8.2 Repair or Replacement Parts: The WVDOH shall reimburse Vendor for the repair or replacement of any lease/rental equipment part that is damaged, destroyed, or made inoperable due to negligence or improper use/operation by WVDOH personnel.

4.8.2.1 Equipment repair needs discovered during the WVDOH operator's daily/weekly inspection shall be noted on the Vendor's maintenance checklist and Vendor will be contacted and informed prior to placing the equipment back into service.

4.8.2.2 The WVDOH shall not be responsible for any such part repair or replacement caused by an existing defect or those resulting from normal usage and operation of leased/rented equipment.

4.8.3 Down Time: Lease/rental equipment that is out of operation due to maintenance or repair needs for four (4) hours or more within a day shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH unless equipment downtime is due to negligence or improper use/operation by its personnel.

4.8.4 Risk of Loss, Damage, Destruction or Theft: Upon pick-up or delivery acceptance by the WVDOH of leased/rented equipment, the WVDOH shall exercise ordinary care for the protection of such leased/rented equipment. The WVDOH shall reimburse the Vendor for the repair or replacement of any part of leased/rented equipment that becomes lost, stolen, or damaged as a result of the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

4.8.4.1 Vendor shall be responsible for any loss, damage, destruction, or theft, partial or complete, caused by a defect in leased/rented equipment existing at the time of delivery or pick-up.

4.8.4.2 The total or partial loss of use or possession of any leased/rented equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession due to

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

negligence or improper use/operation of leased/rented equipment by the WVDOH or its personnel.

4.8.4.3 Leased/rented equipment shall be considered a total loss as a result of theft, destruction, or physical damage where the estimated cost of repairs exceeds 75% of the market value of such leased/rented equipment. Vendor may file a claim with the WV Legislative Claims Commission against the WVDOH for the loss or damage to such leased/rented equipment. The Commissioner of the WVDOH shall review the claim and, if it is determined that the Vendor is due monetary damages, a requisition will be issued to the Auditor of the State of WV for payment to the Vendor.

4.8.4.4 If, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm, or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor.

4.8.5 Post-repair Inspection: If leased/rented equipment is damaged or requires repair due to a mechanical failure, prior to being placed back into service for use by the WVDOH, a thorough inspection shall be performed by the Vendor to ensure the mechanical function, operation, and safety of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Trucks, Aerial Platform Trucks, Cranes, Manlifts and Under bridge Platform Inspection Units shall receive inspections and testing for compliance with manufacturer, State, and Federal rules and regulations before being placed back into service for use by the WVDOH.

5. PANDEMIC-RESPONSE SAFETY PROTOCOLS: In addition to the Vendor's established safety protocols and the WVDOH's established safety protocols outlined in the Standard Specs, as amended, the Vendor and the Vendor's staff shall adhere to all WVDOH's pandemic-response protocols while present at the WVDOH jobsite. Vendors may obtain the WVDOH's pandemic-response protocols by contacting the WVDOH District Engineer or their designee.

- 6.3 Contract Award Transition:** Upon the award of this contract, the WVDOH Operations Division will announce the effective date of use of this contract to the Districts and the Vendors, whether it is by the effective date, the completed and encumbered date, or an established date by the WVDOH. Upon the announced effective date of use, any Delivery Order issued prior the award of the contract shall remain in effect and should not be cancelled until that Delivery Order is filled; however, after ten (10) working days of the Districts and Vendors notice, any Delivery Order that has not been completely filled by the Vendors shall NOT be completed, and a cancellation notice will be sent to that Vendor from the issuing District for cancellation of the balance of that Delivery Order only. No Delivery Orders from prior contracts should be held open by the Districts or the Vendors longer ten (10) working days after the effective date of use is announced for the new contract.

This directive is issued to assist the Districts and the Vendors when fulfilling open Delivery Orders only. It is NOT issued to cause harm or to take contracts from one Vendor to give to another Vendor, but to establish a transition process from one contract into another contract.

- 6.4 Cooperative Contracting:** Purchase prices on all Contract Items under this contract, available to the WVDOH, shall be adoptable for other public agencies upon their request. Agencies under the authority of the West Virginia Purchasing Division must receive prior approval by the Purchasing Director.
- 6.5 Price Adjustments:** In the event of a significant price increase of component material or rental equipment utilized to perform or under this Contract, that is not the fault of the Vendor, the contract pricing, may be equitably adjusted by change order as more fully described below.
- 6.5.1** A change in price is considered significant if the price of the component material or rental equipment increases by 20% or more from the original bid amount.
- 6.5.2** Any request for a price increase under this clause must be supported by: price quotes for the component material or rental equipment for which a change is being sought; invoices showing amounts actually paid for the component materials or rental equipment; and any other evidence that supports the increase request.
- 6.5.3** The quotes provided to support the price increase request must be the quotes that Vendor actually relied on when submitting its bid and both the quote and the amount ultimately paid must have resulted from an arm's length transaction with an unrelated party.

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

- 6.5.4 Vendor must also show that the significant price increase would have been incurred if the owner had purchased the material or rental equipment directly from the supplier.
 - 6.5.5 Price adjustments will be granted or denied at the sole and absolute discretion of the State.
 - 6.5.6 Price adjustments will only be considered annually at the contract expiration/renewal date. Vendor must submit price adjustment requests 60 days prior to the expiration/renewal date to be considered.
 - 6.5.7 Vendor documentation for price adjustments shall be submitted to DOHOperationsProcurement@wv.gov for initial review.
 - 6.5.8 Price adjustments shall be memorialized by a written Change Order, which must be reviewed and approved by the Purchasing Division, and as to form by the Attorney General's Office, in order to be effective. Adjusted pricing will not take effect until the effective date of such Change Order and cannot be retroactive.
- 6.6 **Determining Low Bid Per Project:** To determine the low-bid Vendor per individual project, the WVDOH District Engineer or their designee will calculate the lowest overall total cost of the Contract Items. A Delivery Order will be issued to the Vendor with the lowest overall total cost.

The WVDOH reserves the right to request any one or combination of items for which bids are awarded at the lowest overall total as set forth in this section.

- 6.6.1 For orders requiring delivery of Contract Items, mobilization from a Vendor's base location (as noted on ATT B) to a WVDOH project site shall be a factor in determining the lowest overall total cost.
- 6.6.2 Due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need, the WVDOH shall have the option of picking up the leased/rented equipment from a Vendor's source/storage location. If the WVDOH chooses the pickup option, the Vendor's mobilization fee shall not be calculated into the cost.
- 6.6.3 If the low-bid Vendor for any given project is unable to provide Contract Items per Delivery Order, the Delivery Order will be cancelled and a Delivery Order will be sent to the next low-bid Vendor. If a Vendor cannot be found to provide Contract Items per the Delivery Order, the WVDOH, at its own discretion, shall cancel the Delivery Order and may seek to obtain Contract Items from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

- 7.3.1** Invoicing shall be no less than one lease/rental day. Daily rates shall be charged up to and including six (6) consecutive days.

As verification of receipt, Vendor must provide written acknowledgement of any Delivery Orders and any Revisions/Modifications thereto sent by WVDOH. Failure to provide the WVDOH with written acknowledgement of any Delivery Orders/Revisions within three (3) days of the Order being sent shall be considered refusal of the Delivery Order. In the event of refusal, the WVDOH at its own discretion shall cancel the Delivery Order and may seek to obtain the goods or services from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

8.2 Deliveries made by the Vendor shall be comprised only of contract items intended for delivery at that location and specified in the pricing pages, contract specifications or WV-39 Blanket Release Order. At no time shall property belonging to the West Virginia Department of Transportation be utilized as a lay-down or storage facility by the Vendor, or items left with the intention of being distributed to an alternate

The WVDOH Agency placing the Delivery Order under this Contract must be notified in writing by the Vendor by no later than three (3) business days prior to the scheduled start date from the Agency's order. Any failure to notify, acknowledge receipt of WVDOH's written Delivery Orders/ Revisions resulting in delivery delay, or failure to start or complete the project per the WVDOH scheduled due dates may be determined by the WVDOH at its sole discretion as harmful to the Agency and as such, shall result in WVDOH's cancellation of the Delivery Order and application of Liquidated Damages.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

- 8.4.1 Liquidated Damages:** If the Vendor's delivery of goods or services exceeds the agreed upon Delivery Order timeframe, the Vendor shall agree that no extension of contract time will be granted unless Liquidated Damages are applied by the WVDOH in the form of an off-set reduction to the total amount of the Vendor's final invoice. The WVDOH shall calculate Liquidated Damages per project beginning on day one after the WVDOH's specified Delivery Order due date, in accordance with this Section, the contract's Terms and Conditions, and the Standard Specs Section 108.7, as amended.
