Question

Could you possibly send me or direct to the site where I can view the last years rental spend for each line item or how many were rented of each product throughout the year? This info will be very helpful for us to better understand the demand.

Answer

The information requested cannot be provided in the time allotted for this solicitation's technical question period. Equipment lease and rental quantities vary due to many factors such as District needs, natural/environmental hazards, vendor availability and accessibility, fiscal availability, equipment purchase, Roads to Prosperity projects, etc. However, the WV Checkbook website (<https://www.wvcheckbook.gov/>) provides State Transparency links which can be used to research general revenue sources as well as vendor specific payments.

Question

Brian Knick with Equipment Share here. I am putting together the bid for this years RFQ. I have completed the price sheet, ATT B form. I see there is an inspection form. Does someone need to inspect all of our equipment before submitting this bid? Also We have set the mileage and I did fill out the mileage part on a few lines, does it need to be filled out for each piece of equipment we quoted? This is my first time I have done this bid process so any additional tips you can give me to make sure I submit everything correctly would be a great help.

Answer

The SM-93 Statement of Acceptance form (Exhibit 1) is required at the time of delivery or pick up for each leased or rented contract item. Please review Section 4.3.1 of the contract's specifications.

Mileage fees (1st mile and each additional) for the delivery and mobilization of each piece of equipment quoted on the ATT A Pricing Pages is required. Please review Section 4.1 of the contract's specifications.

To ensure compliance, it is essential for all vendors to review the contract specifications and ensure acknowledgement of the contract terms and requirements prior to submission of a final bid.

Question

Noticed you all don't have the excavator with breaker attachment listed on this bid, is that a mistake?

Answer

The Excavator Breakers are listed on the "Asphalt, Pavement, & Concrete" tab under Rock Drillers & Hammers.

The Excavators themselves are listed on the "Earthmoving" tab under Excavators & Attachments.

There are many equipment pieces that could fall under numerous categories, depending on use. Please browse through all spreadsheet tabs to ensure that you have the opportunity to bid on all equipment listed for potential lease or rental within this contract.

Responses to Vendor Posed Questions:

1. Under Exhibit A pricing page category bulldozers – Must bulldozers be closed cab, or would you allow open cab?

Response: Vendors should ensure that they have the ability to provide items bid on the ATT A Pricing Pages as they are listed and described.

2. Under Exhibit A pricing page category excavators – Specification is “43,000-49,999 lb.” Would you allow a 52,000 LB machine?

Response: Vendors should ensure that they have the ability to provide items bid on the ATT A Pricing Pages as they are listed and described.

3. Under Exhibit A pricing page category loaders – Specifications are by cubic yards. Is this referring to bucket size?

Response: Cubic yardage in relation to the Wheel Loader descriptions (Earthmoving tab – Loader category) refers to bucket capacity.

4. Some of our equipment has a one-month minimum rental period. Would this be acceptable for this contract?

Response: Please mark a line through the daily and weekly spaces for the equipment that will only be available for monthly rental.

5. The pricing pages do not have a place to list the make and model like the previous contracts had. Is that something that should be added, or should we just list that information on the commodity lines on the first pages?

Response: The requirement for Vendors to add the make, model, and serial number of each piece of equipment intended for bid has been removed and it is not necessary to list that information within the commodity line area for each piece. At the time of delivery/pick-up, the make, model, and serial number of each item leased or rented will be recorded on the SM-93 Statement of Acceptance form.

6. We offer a skid steer Road Widener attachment in our rental fleet. The DOH owns some of these, and we have received several rental requests over the past couple of years for these. Is this something that could / needs to be added to this rental contract?

Response: Items for bid on the ATT A Pricing Pages were listed at the request of WVDOH personnel. However, we will consider the addition of Road Widener attachments for Skid Steers in future solicitations.

7. Will you double check and confirm skid steer wheel and track loader weights?

Response: Items listed on the ATT A Pricing Pages were reviewed and agreed upon by internal sources.

8. Good morning. My question is in regard to RFQ 6622C026. In previous years the state has requested bids for rental of tractors with mid mount boom mowers for over-the-rail mowing. It appears to have been excluded from this rfq. Is this an oversight? We hold a current contract for providing tractors w/boom mowers less operators. I can be reached by email or at 304-366-4690.

Response: Please see the Mower category under the Surface Prep, Tree, & Landscape tab.

Responses to Vendor Posed Questions:

1. Could you clarify if the below paragraph applies to this contract? We are trying to figure out how 8.4.1 Liquidated Damages would work and what the delivery order time frame/question should we be looking at? To make sure we can commit to the delivery timeframe?

Response: Order timeframes will be defined per order and will be based on a Vendors acceptance of a Delivery Order issued by a WVDOH Agency. Upon receipt and acceptance of a Delivery Order, should the order not be delivered within the accepted and agreed upon time frames, Liquidated Damages may be applied by the ordering WVDOH Agency.

Liquidated Damages Are Not Included in this Contract.

12. ACCEPTANCE: Vendor's signature on its bid, or on the certification and signature page, constitutes an offer to the State that cannot be unilaterally withdrawn, signifies that the product or service proposed by vendor meets the mandatory requirements contained in the Solicitation for that product or service, unless otherwise indicated, and signifies acceptance of the terms and conditions contained in the Solicitation unless otherwise indicated.

13. PRICING: The pricing set forth herein is firm for the life of the Contract, unless specified elsewhere within this Solicitation/Contract by the State. A Vendor's inclusion of price adjustment provisions in its bid, without an express authorization from the State in the Solicitation to do so, may result in bid disqualification. Notwithstanding the foregoing, Vendor must extend any publicly advertised sale price to the State and invoice at the lower of the contract price or the publicly advertised sale price.

14. PAYMENT IN ARREARS: Payments for goods/services will be made in arrears only upon receipt of a proper invoice, detailing the goods/services provided or receipt of the goods/services, whichever is later. Notwithstanding the foregoing, payments for software maintenance, licenses, or subscriptions may be paid annually in advance.

15. PAYMENT METHODS: Vendor must accept payment by electronic funds transfer and P-Card. (The State of West Virginia's Purchasing Card program, administered under contract by a banking institution, processes payment for goods and services through state designated credit cards.)

16. TAXES: The Vendor shall pay any applicable sales, use, personal property or any other taxes arising out of this Contract and the transactions contemplated thereby. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.

17. ADDITIONAL FEES: Vendor is not permitted to charge additional fees or assess additional charges that were not either expressly provided for in the solicitation published by the State of West Virginia, included in the Contract, or included in the unit price or lump sum bid amount that Vendor is required by the solicitation to provide. Including such fees or charges as notes to the solicitation may result in rejection of vendor's bid. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

18. FUNDING: This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. Non-appropriation or non-funding shall not be considered an event of default.

19. CANCELLATION: The Purchasing Division Director reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. The Purchasing Division Director may also cancel any purchase or Contract upon 30 days written notice to the Vendor in accordance with West Virginia Code of State Rules § 148-1-5.2.b.

20. TIME: Time is of the essence regarding all matters of time and performance in this Contract.

21. APPLICABLE LAW: This Contract is governed by and interpreted under West Virginia law without giving effect to its choice of law principles. Any information provided in specification manuals, or any other source, verbal or written, which contradicts or violates the West Virginia Constitution, West Virginia Code, or West Virginia Code of State Rules is void and of no effect.

22. COMPLIANCE WITH LAWS: Vendor shall comply with all applicable federal, state, and local laws, regulations and ordinances. By submitting a bid, Vendor acknowledges that it has reviewed, understands, and will comply with all applicable laws, regulations, and ordinances.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to comply with all applicable laws, regulations, and ordinances. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

23. ARBITRATION: Any references made to arbitration contained in this Contract, Vendor's bid, or in any American Institute of Architects documents pertaining to this Contract are hereby deleted, void, and of no effect.

24. MODIFICATIONS: This writing is the parties' final expression of intent. Notwithstanding anything contained in this Contract to the contrary no modification of this Contract shall be binding without mutual written consent of the Agency, and the Vendor, with approval of the Purchasing Division and the Attorney General's office (Attorney General approval is as to form only). Any change to existing contracts that adds work or changes contract cost, and were not included in the original contract, must be approved by the Purchasing Division and the Attorney General's Office (as to form) prior to the implementation of the change or commencement of work affected by the change.

25. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

26. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.

27. ASSIGNMENT: Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency, the Purchasing Division, the Attorney General's office (as to form only), and any other government agency or office that may be required to approve such assignments.

28. WARRANTY: The Vendor expressly warrants that the goods and/or services covered by this Contract will: (a) conform to the specifications, drawings, samples, or other description furnished or specified by the Agency; (b) be merchantable and fit for the purpose intended; and (c) be free from defect in material and workmanship.

29. STATE EMPLOYEES: State employees are not permitted to utilize this Contract for personal use and the Vendor is prohibited from permitting or facilitating the same.

30. PRIVACY, SECURITY, AND CONFIDENTIALITY: The Vendor agrees that it will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the Agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the Agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/default.html>.

31. YOUR SUBMISSION IS A PUBLIC DOCUMENT: Vendor's entire response to the Solicitation and the resulting Contract are public documents. As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia Code §§ 5A-3-1 et seq., 5-22-1 et seq., and 5G-1-1 et seq. and the Freedom of Information Act West Virginia Code §§ 29B-1-1 et seq.

DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.

Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled "confidential," "proprietary," "trade secret," "private," or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

32. LICENSING: In accordance with West Virginia Code of State Rules § 148-1-6.1.e, Vendor must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agency or political subdivision. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to be licensed, in good standing, and up-to-date on all state and local obligations as described in this section. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

33. ANTITRUST: In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

34. VENDOR CERTIFICATIONS: By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

35. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

36. INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

37. NO DEBT CERTIFICATION: In accordance with West Virginia Code §§ 5A-3-10a and 5-22-1(i), the State is prohibited from awarding a contract to any bidder that owes a debt to the State or a political subdivision of the State. By submitting a bid, or entering into a contract with the State, Vendor is affirming that (1) for construction contracts, the Vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, neither the Vendor nor any related party owe a debt as defined above, and neither the Vendor nor any related party are in employer default as defined in the statute cited above unless the debt or employer default is permitted under the statute.

38. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

39. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.division@wv.gov.

40. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

41. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process.

- c. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
 1. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
 2. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

42. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

43. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the Vendor must submit to the Agency a disclosure of interested parties prior to beginning work under this Contract. Additionally, the Vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

44. PROHIBITION AGAINST USED OR REFURBISHED: Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

45. VOID CONTRACT CLAUSES – This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

46. ISRAEL BOYCOTT: Bidder understands and agrees that, pursuant to W. Va. Code § 5A-3-63, it is prohibited from engaging in a boycott of Israel during the term of this contract.

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

4. CONTRACT ITEMS AND MANDATORY REQUIREMENTS: Vendor shall provide Agency with the Contract Items listed on **Attachment A ("ATT A")** on an open-end and continuing basis. Contract Items must meet or exceed the mandatory requirements shown below.

4.1 Equipment Lease/Rental: ATT A provides a categorized list of Contract Items requested by WVDOH Agencies for potential lease/rental. Vendor shall provide pricing for rental equipment as specified herein on a daily, weekly, or monthly basis as well as equipment mobilization fees from its storage location(s) listed on **Attachment B ("ATT B")**. Contract Items leased/rented by a WVDOH Agency shall be assembled, in good and proper operating condition, and be ready to operate upon pick-up or delivery to any location or locations, as designated on a WV-39 Release Order Form (explained in Section 8). This may include weekends, holidays, and Emergency Requests.

4.2 Mobilization: Mobilization shall be defined as a one-time, one-way transport from a Vendor's base location to an Agency project site location and shall be bid per mile. Vendor shall calculate its cost for delivery of leased/rented equipment and include the calculation in its cost for the first mile and provide supplemental pricing for each

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

additional mile. Agencies will provide Contract Item delivery locations on the Release Order.

- 4.2.1 Additional Mileage Fees:** Leased/rented equipment may be used for multiple projects (i.e. leased/rented equipment is traveling from one Agency location or project site to another). In such instances, additional mileage fees may be charged by the Vendor at the “additional mile” rate entered on ATT A.
- 4.2.2 In-State Delivery:** The WVDOH will calculate the in-state delivery route mileage from the equipment owner’s location of the leased/rented equipment to the WVDOH job site using the WVDOH Straight Line Diagrams. These Diagrams for WV Primary Routes and WV Secondary Routes are available in each WVDOH’s District Office, and the Central Office located in Charleston, WV. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.
- 4.2.3 Out-of-State Delivery:** Out-of-state delivery route mileage will be calculated by the WVDOH using “Google Maps” or a similar source for routing from the equipment owner’s location of the leased/rented equipment to the WV State line at which time, the Straight-Line Diagrams will be sourced to the WVDOH job site.
- 4.3 Equipment Delivery/Pick-up:** Vendor shall deliver standard orders within seven (7) days of receipt of a WV-39 Release Order (See Exhibit 2 – “EXH 2”), per the terms of these specifications, unless otherwise noted by the Agency on its Release Order.

If the equipment is found to be in good and operable condition, the Agency representative AND Vendor representative shall acknowledge acceptance by signing and dating the SM-93. The Agency representative shall also acknowledge acceptance on any Vendor provided documentation presented at the time of pick up or delivery. The date of acceptance on the Vendor’s acknowledgment form shall be deemed as the effective date for the terms of the Release Order.

 - 4.3.2 Equipment Maintenance Checklist:** For each leased/rented Contract Item, Vendor shall provide a daily/weekly maintenance checklist addressing

equipment upkeep and maintenance needs, per manufacturer and Vendor requirements. Daily/weekly maintenance checklists should, at minimum, include the following guidance:

4.3.2.1 Maintenance requirements for fuel, oil, coolant, and lubrication needs, referred to as “ordinary care” and used throughout this solicitation and defined in Section 2.

NOTE: The WVDOH, at its own expense, will perform routine maintenance by providing any manufacturer and Vendor recommended oil, fuel, and lubricants necessary for the use and operation of rental equipment in its possession. All other maintenance needs or component replacement(s) necessary for operation of rental equipment shall be maintained and provided by the Vendor.

4.3.2.2 Inspection of engine components, equipment body, tires/tracks, attachments, and easily accessible components. Inspection of safety components such as lights, rails, steps, horns, alarms, seatbelts, and other safeguarding attributes relevant to the specific type of leased/rented equipment.

4.3.3 Contract Item Rejection: Upon pick up or delivery, if the Agency deems the Contract Item unacceptable or inconsistent with the Release Order, the Contract Items shall be returned to Vendor at Vendor’s expense and with no restocking charge. The decision of the WVDOH District Engineer or their designee regarding the acceptability and quality of the Contract Item furnished, shall be final per Standard Specs section 105.1, as amended. Vendor shall either plan for the return within five (5) days of being notified that those items are unacceptable or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. All returns of unacceptable items shall be F.O.B. the Agency’s location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the lease/rental price, at the Agency’s discretion.

4.4 Equipment Return: Upon the conclusion of a rental period, the Agency shall return rented equipment to Vendor, at its own expense, to the original location such equipment was picked up at or delivered. Equipment shall be washed and cleaned by the Agency prior to its return to Vendor.

4.4.1.1 The Agency shall return rented equipment to Vendor with a full tank of fuel at the conclusion of the rental period. Vendor shall document the level of fuel in the rented equipment at the time of return.

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

4.4.1.2 Should rented equipment be returned to Vendor with less than a full tank of fuel, Vendor may invoice the Agency at their going fuel rate to return the fuel tank to full capacity.

4.5 **Emergency Requests:** As designated by a WVDOH District Engineer or designee, emergency requests shall be prominently noted on a Delivery Order. Emergency requests shall be invoiced by Vendor at 1.5 times the amount bid for the Contract Item on the Pricing Pages.

4.5.1 If the Vendor is unable to provide Contract Items per the emergency request, the Delivery Order will be cancelled, and a new emergency request will be sent to the next low-bid Vendor. If a Vendor cannot be found to provide Contract Items per the Delivery Order, the WVDOH, at its own discretion, shall cancel the Delivery Order and may seek to obtain Contract Items from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

4.6 **Lease/Rental Periods:** The initial day of a lease/rental period shall be the date of acceptance upon delivery or pick up, per Section 4.2.2 of these specifications. The final day of a lease/rental period shall be the day immediately preceding the return of a Contract Item. Vendor's delivery/travel time, equipment set-up, or break down shall not be calculated as a lease/rental day.

Vendor shall provide a daily, weekly, and monthly rate on ATT A for Contract Item bids.

4.6.1 **Daily Rental:** A daily rental is defined as a single day, up to and including six (6) consecutive days that an Agency is in possession of a leased/rented Contract Item. This includes weekends and Holidays.

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

4.8.1 Equipment Maintenance: The WVDOH, at its own expense, shall provide the fuel, oil, and lubricants necessary in the operation and use of the leased/rented equipment, per the daily/weekly maintenance checklist provided by Vendor upon delivery or pick up of lease/rental equipment.

NOTE: The WVDOH will not dictate or alter requirements set forth on a Vendor's daily/weekly maintenance checklist.

4.8.2 Repair or Replacement Parts: The WVDOH shall reimburse Vendor for the repair or replacement of any lease/rental equipment part that is damaged, destroyed, or made inoperable due to negligence or improper use/operation by WVDOH personnel.

4.8.2.1 Equipment repair needs discovered during the WVDOH operator's daily/weekly inspection shall be noted on the Vendor's maintenance checklist and Vendor will be contacted and informed prior to placing the equipment back into service.

4.8.2.2 The WVDOH shall not be responsible for any such part repair or replacement caused by an existing defect or those resulting from normal usage and operation of leased/rented equipment.

4.8.3 Down Time: Lease/rental equipment that is out of operation due to maintenance or repair needs for four (4) hours or more within a day shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH unless equipment downtime is due to negligence or improper use/operation by its personnel.

4.8.4 Risk of Loss, Damage, Destruction or Theft: Upon pick-up or delivery acceptance by the WVDOH of leased/rented equipment, the WVDOH shall exercise ordinary care for the protection of such leased/rented equipment. The WVDOH shall reimburse the Vendor for the repair or replacement of any part of leased/rented equipment that becomes lost, stolen, or damaged as a result of the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

4.8.4.1 Vendor shall be responsible for any loss, damage, destruction, or theft, partial or complete, caused by a defect in leased/rented equipment existing at the time of delivery or pick-up.

4.8.4.2 The total or partial loss of use or possession of any leased/rented equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession due to

negligence or improper use/operation of leased/rented equipment by the WVDOH or its personnel.

4.8.4.3 Leased/rented equipment shall be considered a total loss as a result of theft, destruction, or physical damage where the estimated cost of repairs exceeds 75% of the market value of such leased/rented equipment. Vendor may file a claim with the WV Legislative Claims Commission against the WVDOH for the loss or damage to such leased/rented equipment. The Commissioner of the WVDOH shall review the claim and, if it is determined that the Vendor is due monetary damages, a requisition will be issued to the Auditor of the State of WV for payment to the Vendor.

4.8.4.4 If, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm, or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor.

4.8.5 Post-repair Inspection: If leased/rented equipment is damaged or requires repair due to a mechanical failure, prior to being placed back into service for use by the WVDOH, a thorough inspection shall be performed by the Vendor to ensure the mechanical function, operation, and safety of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Trucks, Aerial Platform Trucks, Cranes, Manlifts and Under bridge Platform Inspection Units shall receive inspections and testing for compliance with manufacturer, State, and Federal rules and regulations before being placed back into service for use by the WVDOH.

5. PANDEMIC-RESPONSE SAFETY PROTOCOLS: In addition to the Vendor's established safety protocols and the WVDOH's established safety protocols outlined in the Standard Specs, as amended, the Vendor and the Vendor's staff shall adhere to all WVDOH's pandemic-response protocols while present at the WVDOH jobsite. Vendors may obtain the WVDOH's pandemic-response protocols by contacting the WVDOH District Engineer or their designee.

- 6.1 Pricing Pages, Attachment A (ATT A):** ATT A contains a list of the Contract Items with no guarantee that any Contract Item will be purchased throughout the life of this contract. Vendors should submit their proposed daily, weekly, and/or monthly bid on ATT A. Proposed pricing for mobilization rates is only acceptable per Section 4.4 of these specifications.
- 6.1.1** Vendor may bid any or all items listed on ATT A Pricing Pages, which contains a categorized list of all Contract Items. Estimated quantities are not available for lease/rental equipment and there is no guarantee that any one Contract Item will be purchased throughout the life of this Contract. Bidding on any one Contract Item may not be conditioned as acceptance of the bid or any other Contract Item or Items.
- 6.1.2** Multiple pieces of equipment can be proposed/identified on one Pricing Page whether pricing is the same or varies.
- 6.1.3** Vendor shall not add to or modify any column headers, Contract Item descriptions, or units of measure on the ATT A spreadsheet. Any changes to the latter or the submission of proposed pricing in any other form will result in disqualification of the Vendor's bid.
- 6.1.4** Vendor should type or electronically enter the information into ATT A to prevent errors in the evaluation. In most cases, the Vendor can request an electronic copy of ATT A for bid purposes by sending an email request to the following: John.W.Estep@wv.gov
- 6.2 Mandatory Information Form, Attachment B (ATT B):** Vendor shall identify its source/storage location and any additional locations where rental equipment may be delivered from or picked up by the WVDOH. Vendor should also provide their physical 911 address for each location.

- 6.3 Contract Award Transition:** Upon the award of this contract, the WVDOH Operations Division will announce the effective date of use of this contract to the Districts and the Vendors, whether it is by the effective date, the completed and encumbered date, or an established date by the WVDOH. Upon the announced effective date of use, any Delivery Order issued prior the award of the contract shall remain in effect and should not be cancelled until that Delivery Order is filled; however, after ten (10) working days of the Districts and Vendors notice, any Delivery Order that has not been completely filled by the Vendors shall NOT be completed, and a cancellation notice will be sent to that Vendor from the issuing District for cancellation of the balance of that Delivery Order only. No Delivery Orders from prior contracts should be held open by the Districts or the Vendors longer ten (10) working days after the effective date of use is announced for the new contract.

This directive is issued to assist the Districts and the Vendors when fulfilling open Delivery Orders only. It is NOT issued to cause harm or to take contracts from one Vendor to give to another Vendor, but to establish a transition process from one contract into another contract.

- 6.4 Cooperative Contracting:** Purchase prices on all Contract Items under this contract, available to the WVDOH, shall be adoptable for other public agencies upon their request. Agencies under the authority of the West Virginia Purchasing Division must receive prior approval by the Purchasing Director.
- 6.5 Price Adjustments:** In the event of a significant price increase of component material or rental equipment utilized to perform or under this Contract, that is not the fault of the Vendor, the contract pricing, may be equitably adjusted by change order as more fully described below.
- 6.5.1** A change in price is considered significant if the price of the component material or rental equipment increases by 20% or more from the original bid amount.
- 6.5.2** Any request for a price increase under this clause must be supported by: price quotes for the component material or rental equipment for which a change is being sought; invoices showing amounts actually paid for the component materials or rental equipment; and any other evidence that supports the increase request.
- 6.5.3** The quotes provided to support the price increase request must be the quotes that Vendor actually relied on when submitting its bid and both the quote and the amount ultimately paid must have resulted from an arm's length transaction with an unrelated party.

REQUEST FOR QUOTATION
Equipment Lease/Rental Without Operator

- 6.5.4 Vendor must also show that the significant price increase would have been incurred if the owner had purchased the material or rental equipment directly from the supplier.
 - 6.5.5 Price adjustments will be granted or denied at the sole and absolute discretion of the State.
 - 6.5.6 Price adjustments will only be considered annually at the contract expiration/renewal date. Vendor must submit price adjustment requests 60 days prior to the expiration/renewal date to be considered.
 - 6.5.7 Vendor documentation for price adjustments shall be submitted to DOHOperationsProcurement@wv.gov for initial review.
 - 6.5.8 Price adjustments shall be memorialized by a written Change Order, which must be reviewed and approved by the Purchasing Division, and as to form by the Attorney General's Office, in order to be effective. Adjusted pricing will not take effect until the effective date of such Change Order and cannot be retroactive.
- 6.6 Determining Low Bid Per Project:** To determine the low-bid Vendor per individual project, the WVDOH District Engineer or their designee will calculate the lowest overall total cost of the Contract Items. A Delivery Order will be issued to the Vendor with the lowest overall total cost.

The WVDOH reserves the right to request any one or combination of items for which bids are awarded at the lowest overall total as set forth in this section.

- 6.6.1 For orders requiring delivery of Contract Items, mobilization from a Vendor's base location (as noted on ATT B) to a WVDOH project site shall be a factor in determining the lowest overall total cost.
- 6.6.2 Due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need, the WVDOH shall have the option of picking up the leased/rented equipment from a Vendor's source/storage location. If the WVDOH chooses the pickup option, the Vendor's mobilization fee shall not be calculated into the cost.
- 6.6.3 If the low-bid Vendor for any given project is unable to provide Contract Items per Delivery Order, the Delivery Order will be cancelled and a Delivery Order will be sent to the next low-bid Vendor. If a Vendor cannot be found to provide Contract Items per the Delivery Order, the WVDOH, at its own discretion, shall cancel the Delivery Order and may seek to obtain Contract Items from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

As verification of receipt, Vendor must provide written acknowledgement of any Delivery Orders and any Revisions/Modifications thereto sent by WVDOH. Failure to provide the WVDOH with written acknowledgement of any Delivery Orders/Revisions within three (3) days of the Order being sent shall be considered refusal of the Delivery Order. In the event of refusal, the WVDOH at its own discretion shall cancel the Delivery Order and may seek to obtain the goods or services from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

8.2 Deliveries made by the Vendor shall be comprised only of contract items intended for delivery at that location and specified in the pricing pages, contract specifications or WV-39 Blanket Release Order. ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
