**RE: Request of Quote: SYSFURN23-Statewide Contract for Systems Furniture & Accessories
SWC2300000011**

Krueger International, Inc. (KI) is pleased to submit our proposal to the State of WV for the Statewide Systems Contract. KI intends to provide the highest quality product and service at our best prices as indicated in our submittal.

We have included the Exhibit A pricing on a USB as well as a second USB containing the price catalogs of our products specified. We have noted the page and highlighted the model and price in the applicable catalog. We do have a couple models where the dimensions may vary slightly. We have tried to note that on Exhibit A.

KI will be utilizing approved installers for those services. Upon award we can identify those installation providers.

KI will agree to holding the discounts provided to WV. However -- those discounts will always be based off the nationally published commercial list price catalogs found at ki.com.

Should you have any questions please feel free to contact your KI Representative Matt Hopton. Matt is very familiar with the scope of this project and will be able to assist with any questions. Matt can be reached by phone at 610-202-6845 or by e-mail: matt.hopton@corbettinc.com

Respectfully,

CRFQ SWC230000011 Addendum #1
Vendor Questions and Answers

Q1) We understand that installation is to be included in the discount submitted. Is that based on standard wages or do we need to base on prevailing wage?

A1) Prevailing wage does not apply. Please see the attached federal funds addendum.

Q2) On the Exhibit A – as an example – we are to provide a discount for a Task Chair. We have a large number of lines for Task Chairs. Is there a way to provide a discount for “balance of line?”

A2) Single discount for all lines. All items must come from the same catalog as specified in Section 3.1.4.

Q3) Many of the state project originate from departments based in Charleston but may install in a different quadrant. Which quadrant would you award to, where it ships or where it originates?

A3) Orders must be placed with the vendor that is awarded the region where the delivery/installation will occur.

Q4) Is it acceptable to have a list price increase from the manufacturer on an annual basis? (With end user discounts remaining the same...)

A4) Single Discount Percentage(s) are fixed/firm for the life of the contract. See Specification Section 5.3 Catalog Modification, for further information.

Q5) The current manufacturer on the contract, HON, does not manufacture wood furniture. The bid lists wood furniture as a category. Is this an oversight? (Not to be confused with wood laminate...)

A5) Specification Sections 2.11.8, 3.4, and 3.7.1 will remove the reference to “wood” in the solicitation.

FEDERAL FUNDS ADDENDUM

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS (2 C.F.R. § 200.317):

The State of West Virginia Department of Administration, Purchasing Division, and the Vendor awarded this Contract intend that this Contract be compliant with the requirements of the Procurement Standards contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements found in 2 C.F.R. § 200.317, et seq. for procurements conducted by a Non-Federal Entity. Accordingly, the Parties agree that the following provisions are included in the Contract.

1. MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS:

(2 C.F.R. § 200.321)

- a. The State confirms that it has taken all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Those affirmative steps include:

- (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) above.

- b. Vendor confirms that if it utilizes subcontractors, it will take the same affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

2. DOMESTIC PREFERENCES:

(2 C.F.R. § 200.322)

- a. The State confirms that as appropriate and to the extent consistent with law, it has, to the greatest extent practicable under a Federal award, provided a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United

6. DAVIS-BACON WAGE RATES:
(2 C.F.R. § 200.327 and Appendix II)

Vendor agrees that if this Contract includes construction, all construction work in excess of \$2,000 will be completed and paid for in compliance with the Davis–Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must:

- (a) pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.
- (b) pay wages not less than once a week.

A copy of the current prevailing wage determination issued by the Department of Labor is attached hereto as Exhibit B. The decision to award a contract or subcontract is conditioned upon the acceptance of the wage determination. The State will report all suspected or reported violations to the Federal awarding agency.

7. ANTI-KICKBACK ACT:
(2 C.F.R. § 200.327 and Appendix II)

Vendor agrees that it will comply with the Copeland Anti-KickBack Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). Accordingly, Vendor, Subcontractors, and anyone performing under this contract are prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The State must report all suspected or reported violations to the Federal awarding agency.

8. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT
(2 C.F.R. § 200.327 and Appendix II)

Where applicable, and only for contracts awarded by the State in excess of \$100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
