- Contract Manager Page (Section 9.4 of these Specifications)
- Valid Certificate of Insurance; and
- Any other required forms or supporting information as described herein.

as amended, at any time during the delivery. Upon visual inspection by the Agency/WVDOH District Manager or designee, any supplied sodium chloride that does not appear to meet ASTM E534 (such as material being saturated/free flowing with water) will be sampled and tested by the WVDOH. Three samples, one each from the top, middle and bottom of the load, will be pulled by Agency personnel, witnessed, and signed off on by the delivery driver. The supplier will be notified of sampling within 48 hours and will be notified of test results within seven (7) business days of completion testing. Upon testing and with each delivery, the supplier shall be responsible for the weight of water in excess of 2.0%, by deducting the excess amount from the price. Price adjustment shall be calculated as follows:

*EXAMPLE: For a delivery of 75 tons at \$45.00/ton, if the moisture content is found to be 3.5% (1.5% greater than 2.0%), the formula shall be:

- 75 tons multiplied by \$45.00 to equal \$3,375.00 price.
- \$3,375.00 multiplied by .0150 to equal \$50.63, total price adjustment.
- \$3,375.00 minus \$50.63 to equal \$3,324.37, total adjusted price.

3.4.2 Unacceptable Material: Per visual observation, if salt is deemed unsatisfactory or not compliant with ASTM E534, at the discretion of the Agency/WVDOH District Manager or designee, the Agency reserves the right to accept or reject delivery and exercise the price adjustment formula.

If the supplier disputes the test results, they must file a complaint with the Agency/WVDOH Operations Division Director for review and final decision within seven (7) business days of notification of the test results to the supplier.

3.4.2.1 Delivery of salt deemed by the Agency as unacceptable such as large unusable chunks, loads mixed with foreign material (i.e., dark colored contaminants, charcoal, cinders, or debris) will be rejected immediately. Salt that does not meet the above specified conditions at the time of the delivery will not be accepted by the Agency. Any rejected deliveries will be removed by the Vendor at no cost to the Agency.

Vendor shall NOT add, delete, or modify spreadsheet column and row headers, descriptions, units of measure, or estimated quantities on Pricing Pages by Delivery, ATT A, and Pricing Pages by Pick Up, ATT B. Making any such changes to the format or failure to complete ATT A and ATT B in their entirety may result in the disqualification of Vendor's bid. In most cases, the Vendor can request an electronic copy of the Pricing Pages spreadsheet for bid purposes by sending an email request to the following: John.W.Estep@wv.gov.

- 5.1.3** Vendor entries of bid prices or other notations made in wvOASIS Commodity Line Descriptions will not be considered for bid evaluation or award. Submitting Pricing Pages other than those provided with this solicitation, as described in Section 5.1, shall result in the disqualification of all Contract Items bid on the erroneous Pricing Pages.
- 5.2 Contract Award Transition:** Upon award of this contract, the WVDOH Operations Division will announce the effective date of use of this contract to the Districts and the Vendors, whether it is by the effective date, the completed and encumbered date, or an established date by the WVDOH. - 5.3 Cooperative Contracting:** The purchase prices on all Contract Items in this contract, available for the WVDOH and the West Virginia Parkways Authority, shall be adoptable for other public agencies upon their request. Agencies under the authority of the West Virginia Purchasing Division must receive prior approval by the Purchasing Director.

If Vendor has the ability to accept online orders, it must include in its response a brief description of how Agencies may utilize the online ordering system. Vendor shall ensure that its online ordering system is properly secured prior to processing Agency orders online.
- 6.2 Delivery Order:** WVDOH will initiate a Delivery Order by identifying locations of need. The Delivery Order will be generated by a WVDOH Engineer or their designee and should be completed on a WV-39 Blanket Release Order and an ADO entered into wvOASIS. The order should detail the amount of Roadway Salt needed, the location of need, and a due date for delivery, which shall become the agreed upon delivery date. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, as well as Electronic Funds Transfer as methods to process payment for goods and services. 7. PROJECT ACCEPTANCE, DELIVERY AND RETURN:

7.1 Project Acceptance and Written Verification of Receipt: Upon receipt of a WVDOH Delivery Order, the Vendor shall advise the WVDOH in writing within five (5) calendar days of their acceptance or refusal of the Delivery Order. As verification of receipt, Vendor must provide written acknowledgement of any Delivery Orders and any Revisions/Modifications thereto sent by WVDOH. Failure to provide the WVDOH with written acknowledgement of any Delivery Orders/Revisions within five (5) days of the Order being sent shall be considered refusal of the Delivery Order. In the event of refusal, the WVDOH at its own discretion shall cancel the Delivery Order and may seek to obtain the goods or services from the next low bid Vendor or proceed with an Emergency Purchase from the open market.

Upon Vendor’s acceptance, WVDOH should submit an ADO in wvOASIS and provide the Vendor with the ADO number for their reference.

7.2 Delivery: Vendor shall deliver all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met. Vendor is not authorized to deliver, nor is the Agency authorized to receive materials prior to the issuance of a Delivery Order. As directed on its Delivery Order, Vendor shall commence and fulfill orders to the Agency location(s) in increments and within the time frame specified on its Delivery Order.

In the event that the Agency sends Vendor a “bulk seasonal order” whereby the Agency is anticipating multiple, successive deliveries, the Vendor shall commence deliveries spread out over the date-span specified by the Agency and make successive deliveries until the Order is filled. Vendor shall communicate in writing to the ordering Agency, any issues or potential disruption in delivery(s). The Agency shall have the option of accepting or refusing any alternative delivery schedule proposed by the Vendor. Any delayed or failed delivery portion shall be subject to failed delivery damages, as defined in Section 7.9

7.2.1.1 Delivery Order Schedule: For Delivery Orders issued to the awarded Vendor from the contract's effective date, delivery shall commence immediately and be due within ten (10) calendar days of the Delivery Order date, unless otherwise directed by the Agency. The first day will be considered 12:01 AM, the morning (business day) following the Delivery Order date. An initial delivery must be made by the established initial delivery date and the remainder of the order filled with successive loads as specified by the Agency on the Delivery Order.

7.2.1.2 Emergency Delivery Orders Schedule: Per Section 2.9, emergency situations stemming from inclement weather requiring the immediate delivery of salt, upon the Vendor's receipt of the Agency's Delivery Order denoting "Emergency," the Order shall be treated as a priority and fulfilled by the Vendor without delay and as indicated by the Agency on the Delivery Order. Emergency Deliveries declared as such the Agency District Engineer/designee, shall be paid at a rate of 105% of the Vendor's awarded price

7.3 Agency Acceptance Guarantee and Vendor Delivery Guarantee: The Agency guarantees acceptance of 80% of estimated quantity awarded statewide to the Vendor. The Vendor shall guarantee delivery of up to 120% of the statewide estimated quantity awarded. All Agency Delivery Orders shall be issued, and all Vendor deliveries shall be completed prior to the contract's expiration and as identified on the Agency's Delivery Orders. To clarify, the "guarantee" shall apply to statewide (all counties) total tonnage awarded to the Vendor, and *not* the individual totals per District, County, and/or Agency Delivery/Storage Location Site.

*EXAMPLE: If statewide total (of all counties in all Districts, all Agencies) awarded to the Vendor is 43,000 tons, the guaranteed Total shall be calculated as follows:

- 43,000 multiplied by 80% = Agency's Guaranteed Acceptance of 34,400 tons
- 43,000 multiplied by 120% = Vendor's Guaranteed Delivery of 51,600 tons

7.4 Orders Beyond 120% of Vendor's Statewide Guaranteed Delivery: Contingent upon weather conditions, the Agency reserves the right to purchase additional quantities of salt above 120% of the Vendor's awarded statewide guaranteed delivery total.

7.4.1 Pricing for Orders Beyond 120%: In the event that the Agency wishes to purchase Salt in excess of the 120% of the Vendor's statewide guaranteed delivery total, the Agency shall pay the Vendor at a rate of 110% of the Vendor's bid price for purchases and the Vendor shall guarantee completed

delivery of such orders no later than 10 calendar days of the Delivery Order date, unless otherwise specified by the Agency on its Delivery Order.

- 7.5 Shipment Adjustments:** The Agency cannot determine nor predict the amount of snow and/or ice in one area compared to another area. As dictated by weather conditions and/or the needs of the Agency, the Agency reserves the right to direct the Vendor to alter the shipment totals between storage locations despite how they were estimated and awarded to the Vendor.
- 7.6 Vendor's to Report Agency Orders** At the point that the Vendor determines that it has received orders amounting to 80% of the estimated statewide totals, the Vendor shall notify the WVDOH Operations Division via email at DOHOperationsProcurement@wv.gov and provide reports to the Agency with the Vendor's quantities ordered and delivered statewide, broken down by ordering location (Section 9.3 also applies).
- 7.7 Vendor Shall Not Place Shipments On Hold:** In the event that total ordered from a particular District, location, or Agency exceeds 120% of the estimated total for a given District or any singular location, the Vendor shall not place any Delivery Orders on hold nor suspend any shipments if the entire total ordered has not reached 120% of the Vendors statewide awarded total, as per Section 7.4.
- 7.8 Original Delivery Tickets** for each delivered load to the Agency delivery/ storage location sites shall be provided with each delivery, and must be signed and retained by an Agency representative at the delivery/storage location site.
- 7.9 Failed Delivery and Risk of Loss:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party. The Agency placing the Delivery Order under this Contract must be notified in writing by the Vendor no later than 36 hours prior to the date from the Agency's Delivery Order. Any failure to notify, acknowledge receipt of WVDOH's written Delivery Orders/ Revisions resulting in delivery delay, or failure to start or complete the project per the WVDOH scheduled due dates may be determined by the WVDOH at its sole discretion as harmful to the Agency and as such, shall result in WVDOH's cancellation of the Delivery Order and application of Liquidated Damages.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

- 7.9.1 Liquidated Damages:** If the vendor's delivery of goods/services or corrections thereto exceeds the Delivery Order completion due date or timeframe, the Vendor shall agree that no extension of contract time will be

REQUEST FOR QUOTATION
Roadway Salt – Sodium Chloride
