EXCEPTIONS TO TERMS

WEST VIRGINIA DIVISION OF HIGHWAYS

REQUEST FOR QUOTATION Uniform Rentals

General Reservation of Rights:

Notwithstanding anything in the above referenced RFQ to the contrary, if Aramark's proposal is accepted and determined by West Virginia Division of Highways ("WVDOH") to merit an award, Aramark respectfully requests and reserves the right to negotiate WVDOH's standard contract services agreement, terms and conditions, and any accompanying scope of work, statement of work, purchase order or other documents that will govern the parties' relationship (collectively, the "Agreement"). If awarded the bid, Aramark understands that the parties would negotiate the final Agreement, including mutually acceptable terms, substantially similar to any existing agreements with Aramark. It is Aramark's understanding that only terms in the definitive Agreement signed by both parties would control the relationship going forward. The submission of this proposal shall in no way affect the validity, continuity or enforceability of any existing contractual agreement by and between Aramark, or any of its affiliates, and WVDOH, or any of its affiliates or controlled entities, if any exist as of the date of submission.

Aramark respectfully requests that the following exceptions, revisions and/or additions be made to any final contract between the parties (Aramark reserves the right to negotiate other terms):

1. Aramark requests that any reference to liquidated damages be removed. Although, Aramark is open to discussion regarding the intent behind the damages, as Aramark has ways of gathering data that should eliminate this need, including, but not limited to, new technology for garment tracking, washing and born on dating.
2. Aramark standard service guaranty allows at least 30 days to cure any deficiencies prior to termination.
3. Aramark does not warrant fit for a particular purpose.
4. The following language shall be added to any Agreement: Notwithstanding anything in the Agreement to the contrary, WVDOH is responsible for determining that any flame resistant garments ("FR Garments") provided by Aramark are appropriate for the intended use of WVDOH and its employees and assumes the risks associated with the use of FR Garments supplied. Aramark does not provide any warranty that the FR Garments provided are fit for any particular purpose and shall not be liable (and no indemnifications will apply) for any loss, injury, or death arising out of, or in any way related to, the use or misuse of any FR Garment, except to the extent such loss, injury or death is due to the willful misconduct or negligence of Aramark or its agents or employees."
