COVER LETTER

The State of West Virginia Purchasing Division,
Department of Motor Vehicles,
David H Pauline

April 02, 2024

Subject: Response to CRFQ 0802 DMV240000003 for Mainframe Application Programmer Technical Staffing Services for WV Department of Motor Vehicles (WVDMV).

Compunnel is pleased to submit this response to the Request For Quotation (RFQ) for Contract Program Manager, issued by the Western Canada Lottery Corporation (WCLC). Compunnel is a **Microsoft Gold Certified Partner, ISO 9001:2015 certified, GSA certified,** and a **Minority Business Enterprise.**

Compunnel is a leading provider of top-tier Program Manager, and we are proposing highly qualified Program Manager, Chiranjeevi Soogoor who excel in meeting the requirements of WVDMV. He possesses over 25 years of Mainframe Applications Software Programming experience in Federal and State Government sectors. He has extensive experience working with State of Maryland- Department of Transportation, State of Maryland - Administrative Office of the Courts (AOC), State of Missouri as a Mainframe Programmer.

Chiranjeevi Soogoor is adept in IBM Mainframe programming, COBOL/CICS/DB2 environments. He is skilled in analyzing requirements, designing solutions, preparing specifications, coding, testing, and implementing both batch and online applications. He is well-versed in software methodologies and structured systems applications development, ensuring adherence to the software development life cycle. He is a goal-oriented team player with strong programming and organizational skills, consistently recognized for significant contributions to project success by supervisors, customers, and stakeholders.

We are confident that Chiranjeevi Soogoor will provide exceptional services to lead different projects of WCLC.

Yours Sincerely,

A handwritten signature in blue ink, appearing to be 'Aj', written over a horizontal line.
