Responses to Questions from Vendors

**Question 1**

This is the first year I have noticed certain items only have the option to put pricing on LSGS composition column. Other items have Limestone Only and Slag Only. For items with an LSGS only, can we put a price in for material that will be 100% Limestone and meet the specification? All of our material is 100% Limestone. We do not mix Gravel, Sandstone, or Sand. I can not find anything on LSGS in the bid packets or Spec Book.

**Answer 1**

LSGS was a column bid on the prior stone solicitation pricing pages, however, modern commodity line entry in wvOASIS requires a slightly different Pricing Page set up. The contract items themselves did not change.

LSGS is an abbreviation used on the Pricing Pages and can be *Limestone, Sand, Gravel or Sandstone*. The note regarding LSGS at the bottom of the Pricing Pages has been revised in the REVISED ATT A Pricing Pages.

**Question 2**

Last year there was a fuel adjustment to include both Production and Laydown, however this year's contract only has production.

**Answer 2**

This has been corrected in Section 4.6 of the Contract Specifications.
