RE: Solicitation No CRFQ 0803 DOT240000077 Version 2

Dear Mr. Estep:

The State of WV currently has (3) JD 160P excavators with Rotobec grapples rented from Leslie Equipment at District 9, Lewisburg WV.

We have completed the State of WV Centralized Request for Quote, as we were notified that we had to rebid the quote for the equipment rentals.

We have tried since March 7 to get logged into the WVOasis website and upload the quote again for solicitation 0803 DOT240000077 Version 2 – we called the WVOasis help desk and they logged into our system and determined that there is something with our internet provider that was blocking our access to log in.

Unfortunately, we missed the deadline of March 19 to submit the bid cutoff. Attached is our quote for the equipment rental for this solicitation along with the signed addendum No 1.

Please call me if you have any questions regarding this – we apologize for not getting this faxed or hand delivered to you by March 19 – it was an oversight on our end that there was an alternative method other than WVOasis to get this info to you. We hope that our quote can still be considered for the bid.

Thank you for your review and assistance.

Sincerely,

Todd Franklin, Salesman
