## 1. TRANSMITTAL LETTER

Attn: Crystal G Hustead

Due Date: October 31, 2024

Qlogic LLC (referred as “Qlogic”) is pleased to submit the enclosed response for CRFQ # MIS2500000001 to the State of West Virginia (Referred as “State”), Technical Temporary Staffing Services.

Headquartered in New Jersey, Qlogic is a small business-certified firm with 8 years of experience providing IT staffing and consulting services to Government and Commercial clients. Qlogic was incorporated in 2016 in New Jersey as a limited liability company. Since its inception, Qlogic has focused on IT staffing and project-based solutions services. Qlogic has successfully served customers with high satisfaction. We currently hold 75+ contracts, and over 75% of Qlogic consultants are working with various government and commercial clients all over the US. This includes 8 years of experience providing IT staff augmentation Support Services in multiple transportation & technology industry projects for clients such as **State of New Jersey, State of Florida, State of Georgia, State of Michigan, Douglas County School District, City of Palmdale, State of Mississippi, HCL, Meta, Microsoft, Intel, Dell, Oracle, SAP, DXC, Deloitte, Accenture, Capgemini and more.** As an experienced IT staffing suppliers in the USA, we are uniquely qualified to support your IT staffing needs. We are successfully working with over 75 clients across US and filled over 1000 positions relevant to the ones requested by State through this CRFQ.

We will be providing services for the following said job classifications:

1. Senior Web Application Analyst
2. Senior Application Oracle Database Administrator
3. Senior Application DB2 Database Administrator
4. SQL Server Database Administrator
5. Help Desk Analyst
6. Business Analyst
7. Information Systems Assistant
8. Programmer Analyst
9. Senior Mainframe Application Analyst
10. Mainframe Application Analyst

Below mentioned designated POC will serve as the primary contact for all CRFQ response related communications, including any requests for clarification or other communication needed between State and Qlogic. He will also be a main point of contact any presentation required from Qlogic. Our point of contact Information is as follows:

Qlogic Personnel Information		
Name, title, address, telephone numbers and email address	Ajay Movalia, (Account Manager) 90 E Halsey Rd, Suite 315, Parsippany, NJ Phone: 718-708-1342 Email: govt@qlogic.io	07054

We request State that, if after submitting our proposal, State release any amendment, we will prefer opportunities to make the modifications in response according to the amendment. Qlogic makes the following certifications and guarantees regarding this proposal:

- All the information provided in this response are correct.

- We are acknowledging (Addendum 01) posted till date.

I believe that our response meets the requirements as called out in this CRFQ. If the State determines that Qlogic response is deficient in any way, Qlogic respectfully requests to be promptly notified and be given the opportunity to correct any such deficiency. Please forward any questions regarding this CRFQ response to me.

Sincerely,

*Ajay Movalia*

Ajay Movalia  
(Director of Government Sales)  
Qlogic, LLC.

#### 4. DESIGNATED CONTACT

**DESIGNATED CONTACT:** Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

(Printed Name and Title) Ajay Movalia (Director of Government Sales)

(Address) 90 E Halsey rd, Suite 315, Parsippany, NJ 07054

(Phone Number) / (Fax Number) 718-708-1342 (Fax No: N/A)

(email address) govt@qlogic.io

## 5. CERTIFICATION AND SIGNATURE

**CERTIFICATION AND SIGNATURE:** By signing below, or submitting documentation through wvOASIS, I certify that: I have reviewed this Solicitation/Contract in its entirety; that I understand the requirements, terms and conditions, and other information contained herein; that this bid, offer or proposal constitutes an offer to the State that cannot be unilaterally withdrawn; that the product or service proposed meets the mandatory requirements contained in the Solicitation/Contract for that product or service, unless otherwise stated herein; that the Vendor accepts the terms and conditions contained in the Solicitation, unless otherwise stated herein; that I am submitting this bid, offer or proposal for review and consideration; that this bid or offer was made without prior understanding, agreement, or connection with any entity submitting a bid or offer for the same material, supplies, equipment or services; that this bid or offer is in all respects fair and without collusion or fraud; that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; that I am authorized by the Vendor to execute and submit this bid, offer, or proposal, or any documents related thereto on Vendor's behalf; that I am authorized to bind the vendor in a contractual relationship; and that to the best of my knowledge, the vendor has properly registered with any State agency that may require registration.

By signing below, I further certify that I understand this Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law; and that pursuant to W. Va. Code 5A-3-63, the entity entering into this contract is prohibited from engaging in a boycott against Israel.

## 6. ADDENDUM ACKNOWLEDGEMENT FORM

### ADDENDUM ACKNOWLEDGEMENT FORM SOLICITATION NO.: MIS2500000001

**Instructions:** Please acknowledge receipt of all addenda issued with this solicitation by completing this addendum acknowledgment form. Check the box next to each addendum received and sign below. Failure to acknowledge addenda may result in bid disqualification.

**Acknowledgment:** I hereby acknowledge receipt of the following addenda and have made the necessary revisions to my proposal, plans and/or specification, etc.

**Addendum Numbers Received:**

(Check the box next to each addendum received)

- |  |  |
|--|--|
| <input checked="" type="checkbox"/> Addendum No. 1 | <input type="checkbox"/> Addendum No. 6  |
| <input type="checkbox"/> Addendum No. 2            | <input type="checkbox"/> Addendum No. 7  |
| <input type="checkbox"/> Addendum No. 3            | <input type="checkbox"/> Addendum No. 8  |

3.2- Vendors shall be able to demonstrate their potential to provide these services by providing documentation to indicate they have provided staffing of at least six (6) individuals within the listed classifications within the past five (5) years: documentation should include enough information to indicate that the Vendor provided an employee meeting the requirements of a specifically named classification from Section 1, above: the documentation should name the entity to whom the individual was supplied and provide contact information for that entity. Vendors must provide documentation to indicate that their company meets this requirement prior to award: however, bidder may include this documentation with their bid.

Qlogic is providing the following job classification of minimum six individuals to ensure we are meeting the mandatory requirements.

Individual # 1 (Senior Web Application Analyst)	
<b>Type of Services:</b> Technical Staffing Services (Onsite)	
<b>Prime or Subcontractor:</b> Prime	
<b>Candidate Name:</b> Jasveer Agrawal	
<b>Duration of the Engagement:</b> Oct 22 - March 24	
<b>Client Name:</b> Hartree Partners <b>Address:</b> 1185 Avenue of the Americas New York, NY 10036 <b>Contact Name and Title:</b> Raju Bhimani, Project Manager <b>Contact Number:</b> 212-536-8691 <b>Email id:</b> rbhimani@hartreepartners.com	
<b>Candidate Mandatory Qualification:</b> Jasveer Agrawal is a Senior Web Application Analyst with more than 8 years of experience in .NET development, focusing on dynamic, database-driven web applications at the enterprise level. He possesses deep knowledge of ASP.NET, AJAX, and C#, along with solid skills in data design, relational databases, and web services. Jasveer is also adept in ASP.NET MVC, WCF, and jQuery, and has practical experience with Microsoft SharePoint and Team Foundation Server. His strong communication abilities allow him to collaborate effectively with a variety of stakeholders, making him a key asset to any team.	
He also has over two years of experience using a client-side MVVM architectural model for building structured and maintainable applications. His skills extend to designing and developing applications with SOAP/REST web services, as well as over two years of experience with Microsoft SharePoint Services/Server and Team Foundation Server (TFS) for effective team collaboration.	
<b>Role and Responsibilities:</b> In his role as a Senior Web Application Analyst at Hartree Partners, Jasveer Agrawal leads the design, development, and maintenance of dynamic, database-driven web applications, utilizing technologies like ASP.NET, C#, and AJAX to create secure, scalable, and user-friendly solutions. His responsibilities encompass the end-to-end development process, transforming business requirements into functional designs that align with organizational goals. Collaborating closely with stakeholders, including product managers, business analysts, and end-users, Jasveer ensures that project objectives are met, and user needs are prioritized. He brings a strong focus on user experience (UX), applying UX principles to design intuitive, responsive, and accessible interfaces that enhance usability across multiple devices. Through user testing and analysis, he continuously refines the application's functionality based on feedback to meet high standards of quality and user satisfaction.	
Beyond development, Jasveer is responsible for the ongoing maintenance, updates, and bug fixes of applications, implementing best practices for version control, documentation, and security to ensure	

reliable and secure operations. He prioritizes performance optimization by refining code and database queries to improve loading times and system efficiency. Additionally, he integrates security measures into the development process, protecting against vulnerabilities and ensuring compliance with industry standards. Committed to innovation and continuous improvement, Jasveer stays abreast of industry trends and introduces cutting-edge solutions to enhance application capabilities. He also plays a mentoring role, guiding junior team members and fostering a culture of learning within the team. In this capacity, Jasveer Agrawal is integral to delivering high-quality, user-centric applications that support the evolving needs of Hartree Partners.

## Individual # 2 (Senior Application Oracle Database Administrator)

**Type of Services:** IT staffing Services

**Prime or Subcontractor:** Prime

**Candidate Name:** Dhriti Singhania

**Education:** Bachelor Degree

**Duration of the Engagement:** March 21 - Feb 23

**Client Name:** Visual Impact

**Address:** 160 Roosevelt Ave Suite #201, York, PA 17401

**Contact Name and Title:** Randy Schrum, Project Manager

**Contact Number:** 717-764-391 x121

**Email id:** rschrum@visimpact.com

### Candidate Mandatory Qualification:

Dhriti Singhania is a qualified Senior Application Oracle Database Administrator with over 10 years of experience in managing and maintaining Oracle database systems, holding an Oracle Database Administrator Certified Professional credential. She has a Bachelor's degree in Computer Science and possesses extensive expertise in providing connectivity to Oracle databases, debugging PL/SQL code, optimizing SQL execution, writing and maintaining UNIX/Linux shell scripts, data modeling, and utilizing Oracle RMAN for backups. Additionally, she has experience with Oracle Warehouse Builder and implementing fine-grained access control in Oracle databases.

**Role and Responsibilities:** As a Senior Application Oracle Database Administrator at Visual Impact, Dhriti Singhania is pivotal in managing and maintaining Oracle database systems to ensure their optimal performance and security. She leverages her extensive expertise to provide seamless connectivity to Oracle databases, troubleshoot and debug PL/SQL code, and optimize SQL execution, thereby enhancing overall database efficiency. Dhriti is responsible for writing and maintaining UNIX/Linux shell scripts, which automate tasks and streamline operations, while also conducting data modeling to ensure that the database structure effectively supports the organization's data needs.

In her role, Dhriti also utilizes Oracle RMAN to perform comprehensive backup and recovery operations, ensuring data integrity and availability through both full and incremental backups. She administers Oracle Warehouse Builder, managing data extraction, transformation, and loading processes, while implementing fine-grained access control to safeguard sensitive information and enforce compliance with security policies. Dhriti collaborates closely with cross-functional teams, including application developers and IT security personnel, to identify and address database-related challenges, ensuring that all solutions align with business objectives.

Committed to continuous improvement, she stays updated on industry trends and best practices, integrating innovative solutions into the database environment to enhance functionality and performance.

Dhriti also plays a mentoring role, sharing her knowledge with junior team members and fostering a culture of collaboration and learning.

### Individual # 3 (Senior Application DB2 Database Administrator)

**Type of Services:** IT Staffing Services

**Prime or Subcontractor:** Prime

**Candidate Name:** Theophane Dsouza

**Duration of the Engagement:** Jan 21 - July 24

**Client Name:** Research planet

**Address:** 200 E Randolph, St #5500, Chicago, Illinois 60601

**Contact Name and Title:** Rafay Siddique, Project Manager

**Contact Number:** (702) 927-1408

**Email id:** [rafael.sid@researchplanet.net](mailto:rafael.sid@researchplanet.net)

**Candidate Mandatory Qualification:**

Theophane Dsouza is a Senior Application DB2 Database Administrator with over 7 years of experience in the maintenance and management of DB2 database systems. He holds a Bachelor's degree in Computer Science and possesses extensive expertise in managing permissions for DB2 databases. His background includes over five years of experience in optimizing SQL execution for DB2 SQL procedures, functions, packages, and triggers. Theophane has provided significant assistance to programming staff in debugging triggers, procedures, functions, and packages.

Additionally, he has a strong focus on data modeling and has developed and implemented comprehensive disaster recovery procedures to ensure data integrity and availability. His role requires excellent communication skills, enabling him to effectively interact with various stakeholders, including project managers, business analysts, database administrators, and application analysts. Through his comprehensive experience, Theophane is well-equipped to deliver high-quality DB2 database solutions that align with organizational goals.

**Role and Responsibilities:** As a Senior Application DB2 Database Administrator at Research Planet, Theophane Dsouza plays a critical role in managing and maintaining DB2 database systems to ensure their reliability and performance. He is adept at optimizing SQL execution, which enhances the efficiency of database queries and processes. Theophane provides debugging support for PL/SQL code, troubleshooting issues to ensure that applications function smoothly and efficiently.

In his role, he is responsible for implementing and overseeing disaster recovery procedures, ensuring that data can be quickly restored in the event of an outage or failure. Theophane collaborates with cross-functional teams to monitor database performance, making proactive adjustments as necessary to maintain optimal operation. He also focuses on data modeling, ensuring that the database structure supports the organization's data requirements effectively.

Theophane utilizes best practices in database management, including regular backups and maintenance tasks, to safeguard data integrity. He plays an essential role in fine-tuning access controls within the database, ensuring that sensitive information is secure and compliant with organizational policies. His communication skills enable him to liaise effectively with stakeholders, including developers and project managers, to align database solutions with business objectives.

Dedicated to continuous learning and improvement, Theophane keeps abreast of the latest industry trends and technologies, integrating innovative solutions into the database environment to enhance functionality

and performance. He also serves as a mentor to junior team members, fostering a culture of knowledge sharing and collaboration. Through his expertise and commitment, Theophane Dsouza is vital to delivering high-quality DB2 database solutions that support the strategic initiatives of Research Planet.

### Individual # 4 (SQL Server Database Administrator)

**Type of Services:** IT Professional Staffing Services (Onsite)

**Prime or Subcontractor:** Prime

**Candidate Name:** Kinjal Dave

**Duration of the Engagement:** April 20 - March 23

**Client Name:** Visual Impact

**Address:** 160 Roosevelt Ave Suite #201, York, PA 17401

**Contact Name and Title:** Randy Schrum, Project Manager

**Contact Number:** 717-764-391 x121

**Email id:** rschrum@visimpact.com

**Candidate Mandatory Qualification:**

Kinjal Dave is a SQL Server Database Administrator with over 7 years of experience in the operation, maintenance, and implementation of Microsoft SQL Server (2008 and higher). She holds a Bachelor's degree in Computer Science and is proficient in T-SQL and the creation of stored procedures. Kinjal has extensive experience in performing database backups and recovery, ensuring data integrity and availability.

Her background includes a minimum of two years of experience migrating previous versions of SQL Server to SQL Server 2012, including the conversion of DTS packages to SSIS. Kinjal is skilled in installing, implementing, and monitoring SSIS and SSAS for SQL Server 2008, and she has experience with command-line Data Definition Language (DDL) operations and scripting.

With strong problem-solving skills, she effectively collaborates with programming teams to optimize SQL execution for SQL procedures, functions, and packages. Kinjal's communication abilities enable her to engage with various stakeholders, ensuring that database solutions meet organizational needs and standards. Through her expertise and dedication, Kinjal is well-prepared to contribute significantly to SQL Server database management and optimization.

**Role and Responsibilities:** Kinjal Dave is currently working as a SQL Server Database Administrator at Visual Impact Group, she is responsible for the effective management and maintenance of Microsoft SQL Server databases, ensuring high availability and performance. She oversees the entire database lifecycle, including installation, configuration, and upgrades, while implementing best practices for backup and recovery procedures to safeguard data integrity.

Kinjal plays a key role in creating and optimizing stored procedures and T-SQL queries, focusing on enhancing SQL execution efficiency. She manages database migrations, particularly moving previous versions to SQL Server 2012, which involves converting DTS packages to SSIS and ensuring a seamless transition.

In addition to her technical duties, Kinjal monitors and administers SSIS and SSAS, ensuring they are functioning optimally to support business intelligence initiatives. Her strong analytical skills enable her to troubleshoot and resolve database-related issues effectively, providing support to programming teams in debugging and optimizing database objects.

Kinjal also collaborates closely with various stakeholders, including project managers and business analysts, to gather requirements and deliver tailored database solutions that align with organizational goals. Her commitment to documentation and adherence to industry standards ensures that all processes are transparent and replicable. Through her proactive approach and expertise, Kinjal is instrumental in driving the success of database management strategies at Visual Impact Group.

## Individual # 5 (Business Analyst)

**Type of Services:** IT Staffing Services

**Prime or Subcontractor:** Prime

**Candidate Name:** Nichelle Smith

**Duration of the Engagement:** Nov 22 - August 24

**Client Name:** Visual Impact

**Address:** 160 Roosevelt Ave Suite #201, York, PA 17401

**Contact Name and Title:** Randy Schrum, Project Manager

**Contact Number:** 717-764-391 x121

**Email id:** [rschrum@visimpact.com](mailto:rschrum@visimpact.com)

### Candidate Mandatory Qualification:

Nichelle Smith is a skilled Business Analyst with 9 years of experience in application development and business systems analysis. She holds a Bachelor's degree in Computer Science and has a solid foundation in standard concepts, practices, and procedures related to software development. Nichelle excels in facilitating meetings and Joint Application Development (JAD) sessions, effectively eliciting business requirements, operational constraints, and assumptions.

Her expertise includes a comprehensive understanding of the Systems Development Life Cycle (SDLC), where she has actively participated in reviewing, analyzing, and evaluating business systems and user needs. Nichelle formulates systems that align with overall business strategies and prepares detailed documentation that describes user requirements and program functions.

She has significant experience in creating Functional and Technical Specifications for reporting and data warehousing, and she assists in the deployment and management of end-user reporting tools and platforms. Her knowledge of relational database concepts and client-server architecture allows her to work seamlessly with IT and business project teams to propose effective solutions.

**Role and Responsibilities:** In her role as a Business Analyst at Visual Impact Group, Nichelle Smith is responsible for gathering and analyzing business requirements to drive effective application development. She leads the facilitation of JAD sessions, collaborating with stakeholders to ensure that project objectives are met and that user needs are prioritized.

Nichelle actively participates in the SDLC, conducting thorough reviews and evaluations of existing systems to identify improvement opportunities. She prepares comprehensive documentation that outlines user requirements, functional specifications, and technical designs to guide development efforts. Her role involves close collaboration with IT and business teams to define reporting and data warehousing needs, providing insights and recommendations for optimal solutions.

Additionally, Nichelle assists in user acceptance testing (UAT), documenting results, reporting issues, and ensuring that any necessary retests are conducted. She is dedicated to knowledge transfer, providing training to team members on reporting tools and best practices. Through her effective communication skills

and analytical mindset, Nichelle plays a crucial role in delivering high-quality, user-centric solutions that support the strategic goals of Visual Impact Group.

Kinjal also collaborates closely with various stakeholders, including project managers and business analysts, to gather requirements and deliver tailored database solutions that align with organizational goals. Her commitment to documentation and adherence to industry standards ensures that all processes are transparent and replicable. Through her proactive approach and expertise, Kinjal is instrumental in driving the success of database management strategies at Visual Impact Group.

## Individual # 6 (Information Systems Assistant)

**Type of Services:** Technical Staffing Services (Onsite)

**Prime or Subcontractor:** Prime

**Candidate Name:** Lillie Bloom

**Duration of the Engagement:** Dec 21 - July 23

**Client Name:** Hartree Partners

**Address:** 1185 Avenue of the Americas New York, NY 10036

**Contact Name and Title:** Raju Bhimani, Project Manager

Contact Number: 212-536-8691

**Email id:** rbhimani@hartreepartners.com

**Candidate Mandatory Qualification:** Lillie Bloom is an accomplished Information Systems Assistant with over 6 years of experience in data processing, computer operations, and system monitoring. She has a strong background in maintaining both hardware and software, ensuring optimal performance and reliability across the organization. Lillie possesses solid expertise in backup and recovery procedures, which are essential for safeguarding critical data.

Her experience includes preparing comprehensive reports related to inventory management, electronic calendars, and database files, demonstrating her attention to detail and organizational skills. Lillie is also proficient in purchasing computer hardware components, contributing to the efficient operation of the IT department.

**Role and Responsibilities:** In her position as an Information Systems Assistant at Hartree Partners, Lillie Bloom is responsible for the smooth operation and maintenance of computer systems and networks. She monitors system performance, identifying and resolving issues to ensure that all IT resources are functioning optimally.

Lillie manages the backup and recovery processes, implementing procedures that protect data integrity and availability. She collaborates with team members to prepare accurate and detailed reports, keeping track of inventory and maintaining organized electronic calendars and database files.

Additionally, Lillie assists in purchasing computer hardware components, ensuring that the organization is equipped with the necessary tools and technologies. Her excellent communication skills enable her to interact effectively with various stakeholders, including project managers and business analysts, fostering collaboration and support within the team. Through her proactive approach and commitment to excellence, Lillie plays a vital role in maintaining the efficiency and reliability of the information systems at Hartree Partners.
