Subject: Submission in Response to CRFQ DMV2500000004 – Mainframe Application Programmer Technical Staffing Services

Dear Procurement Officer,

On behalf of Consultadd Inc., we are pleased to submit our response to the State of West Virginia's CRFQ DMV2500000004 for Mainframe Application Programmer Technical Staffing Services.

Founded in 2011, Consultadd Inc. is an industry-leading IT staffing and recruitment firm with 14 years of experience specializing in technology roles, including legacy mainframe systems. We have a proven track record of successfully sourcing and placing high-performing professionals for government agencies and Fortune 500 clients including IBM, Apple, Google, Disney, and Nike. Our core strength lies in connecting the right technical talent with mission-critical projects.

We maintain an active pool of over 200 qualified consultants, including mainframe experts with deep experience in COBOL, CICS, DB2, and JCL, as well as familiarity with DMV-specific systems and CDLIS/CD31 environments. The candidates proposed in our submission are among our most capable. However, if any proposed candidate becomes unavailable, we are fully prepared to provide alternate professionals who meet or exceed the required qualifications. Our internal vetting process ensures that only the most qualified and dependable professionals are presented.

Consultadd is committed to supporting the West Virginia Division of Motor Vehicles with timely, compliant, and high-quality staffing services. We appreciate the opportunity to participate in this procurement and look forward to contributing to your success.

Should you have any questions or require additional documentation, please do not hesitate to contact us at publicservices@consultadd.com or 888 771 9958.

Sincerely,

Bharat Bhate

Founder & President
