Also, for the following years will it be paid annually or upfront?

**Response 2**

Please review Exhibit B Specifications 5.2 Payment and WV Terms and Conditions 14. Payment in Arrears, both which state that software may be paid annually in advance.

**Responses to Questions from Vendors #2**

**Question 1**

I wanted to follow up regarding your request for a multi-year Adobe quote.

Currently, your organization is on a VIP (Value Incentive Plan) account, which only allows for a 1-year renewal. Multi-year pricing is only available through an ETLA (Enterprise Term License Agreement).

If you're interested in moving to an ETLA, we'd be happy to coordinate this with Adobe. Please note that this would involve a meeting with Adobe to review your needs and determine eligibility.

**Response 1**

Response: No change to the VIP account is required since the RFQ requests pricing broken out for each (1) year term, not a multi year term.

To clarify, the RFQ contract term length is for 4 years.

As stated in both Exhibit B Specifications 5.2 Payment and WV Terms and Conditions 14, software can only be paid in advance annually.

WV DOT is not asking nor is able to pay for multi-year pricing as a lump sum.

WV DOT is asking for pricing for each year separately.

Vendors, as with previous solicitations, may need to estimate on their end the future year costs, taking into account CPI increases, etc.
