Responses to Questions from Vendors

Question 1

I have a question about item #5. On the bid the part # requested is OSF02FCR but all I can find in the Mega T series is part # PSF02FCR. Would PSF02FCR be the correct part number?

Response 1

The correct part number for line item #5 of the pricing page is PSF02FCR. The description remains the same.

A handwritten signature in blue ink, appearing to read "Realt Mard".
