Comments: portal descriptions not enough for us to enter accurate pricing---please accept attached exhibit A as our rates. In the event Sunbelt is awarded we ask that we use the current, yet soon expiring, contract DOT6622C026QA between Sunbelt Rentals and WV DOT as basis of negotiations for the new contract. Please contact Mike Fellow at mike.fellows@sunbeltrentals.com for any clarifications or questions. Thank you for allowing Sunbelt to participate and we look forward to continuing to serve WVDOT and provide needed equipment!

OWNERSHIP TRANSFER ADMIN FEES AND / OR REMAINING BALANCE TO MAKE MARKET VALUE

Sunbelt Response and Clarifications

In the event Sunbelt is awarded we ask that we use the current, yet soon expiring, contract DOT6622C026QA between Sunbelt Rentals and WV DOT as basis of negotiations for the new contract.

Rental Rates on existing contracts prior to any Award will remain in place until the equipment is called off rent.

Sunbelt Rentals currently holds an existing statewide rental agreement EQRENTAL26B with the State of West Virginia already available and adoptable to other public agencies. Hence, pricing on this contract shall NOT be adoptable to other public agencies.

All equipment rates are quoted as day/week/month rental rates. Total Costs will be determined by the length of rental and additional fees for delivery, fuel, any surcharges and applicable taxes. Rental Protection Plan (RPP) may be charged and added to the total unless waived. RPP is optional coverage that protects against theft, incidental damage, accidental damage and rental liability for bulk and serialized equipment.

The Rental Rates for the Equipment's are for "one shift," being not more than 8 hours per day and 40 hours per week unless otherwise noted. Weekly and 4-week rental rates shall not be prorated

Daily:	24 Hours	8 Equipment Hours (By Hour Meter)
Weekly:	7 days	40 Equipment Hours (By Hour Meter)
Monthly:	28 Days	160 Equipment Hours (By Hour Meter)

Delivery route mileage will be quoted at the time of request and will be based delivery/mobilization fees I attachment A, equipment availability and location at the time of request.

Per Section 2.8 on Specifications document: As Sunbelt will be dropping off/picking up equipment and not providing operators, we respectfully request to strike Liquidated Damages provisions.

Sunbelt would expect that due care will be taken with the equipment to not intentionally leave it in harm's way while in the customer's possession. If a force majeure event is anticipated, the Customer may call the equipment off rent and Sunbelt will retrieve it and the Customer is no longer responsible. That being said, Sunbelt is in this business to partner with its customers. If there is an event that causes damage and/or destruction of the equipment, we will work together to find a reasonable and mutually equitable resolution.

Sunbelt's Command Center- This web portal will provide WVDOT with the capability to view equipment currently on rent, at what WVDOT location, the term and rental rate, plus total accumulated rental charges. WVDOT employees will be able to browse for additional equipment, find nearby locations, place orders, request pickups & service, and view frequent orders all from an iPhone, iPad or an android smartphone. Sunbelt's Command Center will provide WVDOT with a global view of all equipment on rent and a historic look on previous rental transactions. This includes invoicing, purchase order numbers, rented-by name, equipment type and model, days on rent, total billings, etc. Reports can be set up to send on a regularly scheduled day and time, or you can pull the reports as needed on any format, including excel.

VENDOR INSTRUCTIONS: This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.

VENDOR INSTRUCTIONS: This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.
