**VENDOR INSTRUCTIONS:** This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.

**VENDOR INSTRUCTIONS:** This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.

**VENDOR INSTRUCTIONS:** This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.

**Equipment Lease/Rental Without Operator  
ATT A - Pricing Pages  
HVAC, POWER,TRAFFIC AND AIR TOOLS**

**VENDOR INSTRUCTIONS:** This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.

**VENDOR INSTRUCTIONS:** This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.

**VENDOR INSTRUCTIONS:** This spreadsheet has multiple tabs for different categories of equipment along the bottom of the spreadsheet. Vendor shall enter their price for Daily, Weekly and Monthly Equipment Rental for any and all equipment they offer. For the delivery of equipment, vendor shall enter mobilization for their first mile, and each additional mile. **Vendor must supply ATT B Information sheet identifying the areas of service (statewide, by district, or per county) as well as provide all their storage locations from which mobilization may be calculated.**

To facilitate payment processing, the vendor should list their equipment as it will appear on the vendors invoice within the "Description in Vendors Billing System" area. Vendors offering equipment not listed within these pricing pages may list them at the end of each applicable section, within the Not Listed category. Additional lines may be added to this section as needed.
