Letter of Transmittal

Mr. John Estep,

I would like to thank you and the Department of Administration, Purchasing Division for the opportunity to submit a response to CRFQ 0810 DMT2600000002 Minivans.

Our understanding of the scope of work pertaining to this RFQ is to provide the Department of Administration with a proposal for the manufacture and delivery of minivans in accordance with the terms and conditions set forth in this solicitation, meeting all specifications and FMVSS laws.

Model 1's proposal may include manufacturer's brochures, warranty information, and additional technical information which indicates their standard equipment or specifications and does not necessarily reflect the exact equipment to be provided with the vehicles being offered for this procurement. Your vehicles will be built to comply with all requirements, specifications and amendments set forth in the solicitation, unless otherwise noted. Model 1 does not take any exceptions to the terms, conditions and technical specifications of this IFB.

The resulting contract will be for a one time purchase of 15 minivans with related necessary components. Delivery of minivans is estimated to be 120 days from fully executed purchase order.

The information in our proposal contains our qualifications to perform the required work, detailed specifications, warranties, and descriptions of our facilities and staff. Also included are all the required documentation and general forms. If you need more information or clarification, please give us a call at 800.326.2877.

Sincerely,

Jason Spore | Transit Bid Manager

1. BACKGROUND AND EXPERIENCE

Operating 27 full-service locations, Model 1 Commercial Vehicles, Inc. is the largest bus dealership in the United States representing over 20 major vehicle manufacturers. The Company's team of experienced vehicle sales professionals are responsible for 5,000+ vehicles sold nationwide every year.

Model 1 Commercial Vehicles is dedicated to servicing its customers at the highest possible level. Nationwide, the Company has more than 270 company operating service bays dedicated to pre-delivery inspections, warranty, and service work. Additionally, the Company is the only dealership in the nation to possess multiple Ford-certified, Qualified Vehicle Modifier (QVM) dealership locations.

Model 1 Commercial Vehicles has a dedicated customer service department to manage all the pre- and post-sales needs of its customers. The Company has a dedicated team of Parts Specialists responsible for handling all customer parts needs. Model 1 Commercial Vehicles currently holds multiple State Purchasing Contracts, a partial listing of contracts is shown below.

Customer Service Capabilities

Model 1 Commercial Vehicles' service locations are located within the contract requirements of all recipient locations. The Customer Care and Service teams are available to assist immediately as needed. The Company has the authority to deploy internal and factory personnel from any discipline including engineering, manufacturing, parts, service, and management in response to a customer's needs. This ability removes delays in problem resolution due to out-of-state factory personnel availability. Swift and accurate resolutions to issues and needs are achieved through factory personnel directly reviewing issues, "firsthand," as they are presented.

Model 1 Commercial Vehicles has excellent relationships with all major component manufacturers. The Company's Service Technicians and Supervisory team are certified by John Deere, Cummins, A/C Carrier, MCC, Trans Air, Thermo King, Freedman Seating, Ricon, and Braun amongst many others. Service Technicians are graduates of the Automotive Technical College, and many are Automotive Service Excellence (ASE) Master Technicians.

The Model 1 Commercial Vehicles' Parts and Service Department is dedicated solely to the lifecycle service and support of commercial vehicles as well as school and transit buses. This focus ensures an unmatched level of competency in the industry. Technical assistance can be provided immediately during business hours by contacting Model 1 Commercial Vehicles Service Technicians. A complete description of the warranty policy and procedures can be provided upon award.

With over 5,000 units sold annually, Model 1 Commercial Vehicles has the largest "fleet" of vehicles in service in the nation. This gives the Company the most vehicle performance data in the industry. The Company is exposed to issues with vehicles across the country in a variety of operating conditions. This data allows the Company to recognize issues well in advance of smaller dealers that do not service the volume of vehicles Model 1 Commercial Vehicles does. This leads to faster warranty approvals and repair execution for customers. Additionally, our technical support team has an information sharing process that communicates common issues and repairs, resulting in reduced troubleshooting timeframes, resulting in quicker repairs. These efficiencies allow the Company to get customer vehicles back up and running in the quickest manner possible, minimizing downtime.

List of Centers

One call to our dedicated Customer Care team will initiate an immediate warranty service and technical response. Model 1 Commercial Vehicles is an authorized repair facility for all products represented. The Company has the authority to make on the spot decisions regarding warranty repairs and approvals. In addition to the Company operated facilities, local warranty repair facilities will be authorized to perform the required repair on an as needed basis. Our intent is to make all warranties and services as local as possible while providing the best possible service.

Spare Parts and Inventory Levels

A critical part of the project is a quick response time to service assistance and parts supply. Model 1 Commercial Vehicles operates dedicated parts warehousing operations with over 60,000 square feet of capacity and \$10,000,000 worth of inventory. The Company stocks significant parts supply at all its locations. In addition, the Company operates dedicated parts warehouses in Arizona, California, Florida, Indiana, Georgia, Pennsylvania, and Texas.

Suite 300
Indianapolis, IN 46240

One call to our Parts Team will facilitate the end users' needs. Model 1 Commercial Vehicles' Parts Department has extensive experience in this field. Most parts can be shipped within 24 hours of order. A complete description of the parts policy and procedures can be provided upon award.

Inspection procedures

Due to Model 1 Commercial Vehicles' proximity to manufacturers' locations, the Company has inspectors on site during vehicle builds. The Company has a team of inspectors located in Elkhart, Indiana that visits manufacturer facilities on an ongoing basis. This allows the Company to catch any potential issues during the building process, prior to customer receipt. Once completed at the manufacturer, vehicles are delivered to a Company location for additional inspection. In many cases these vehicles flow through Model 1 Commercial Vehicles' Elkhart inspection facility immediately following completion. The Elkhart facility is over 50,000 square feet and processes deliveries of approximately 1,500 vehicles yearly. Any issues identified can be repaired in the house or sent back to the manufacturer for repair. Next, vehicles are shipped to one of the Company's local facilities for final PDI (Pre-Delivery Inspection). This additional inspection allows the Company to catch any issues that may have occurred during the initial driving period of the vehicle. Any deficiency note shall be repaired before delivery. All documents required under the contract shall be provided upon delivery or pick-up. The Company inspection processes mentioned above are all in addition to any inspections performed by the manufacturer and/or line inspectors hired by the end user.

4. DELIVERY PERFORMANCE

Model 1 Commercial Vehicles prides itself on delivering vehicles on time with all specifications met. The Company has not paid liquidated damages on any transit contract in the past five (5) years.

5. HISTORY OF OWNERSHIP AND STATEMENT REGARDING JUDGEMENTS AND VIOLATIONS

Originally founded in 1980 as Creative Transportation Systems (CTS), the Company was later renamed Creative Bus Sales, Inc. in 1990 and now Model 1 Commercial Vehicles, Inc. since 2023. The current owner, Tony Matijevich, purchased the Company in 1993 and it has been family-owned and operated since. Prior to purchasing Model 1 Commercial Vehicles, Tony was the President of ElDorado National, the largest manufacturer of small and mid-size buses in the nation at the time. Under the current leadership and vision, Model 1 Commercial Vehicles has become the largest-volume small, mid, and large-size bus and van dealership in the United States. Over the past 40 years, the Company has expanded its scope through a combination of dealer acquisitions and organic growth.

Model 1 Commercial Vehicles was originally incorporated in the State of California in 1993 under the current ownership and is now incorporated in the State of Indiana. Model 1 Commercial Vehicles has had no judgments, litigation, licensing violations or other violations outstanding or resolved against it within the past five (5) years.

JOB RATING

2025 Chrysler Voyager

Passenger Van LX (RUCL53)

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.

Leak and spill procedures:	Remove all sources of ignition, provide adequate ventilation, absorb with vermiculite or other absorbent.
Waste disposal method:	Refer to local, state and federal EPA regulations.
Cercia reportable quantity:	Not listed
RCRA hazardous waste num.:	None (40 CFR 261.33)

Section 7 – Handling & Storage

Storage requirements:	Store in cool, well ventilated area away from All sources of ignition.
Handling procedures:	Prevent prolonged/repeated skin contact and avoid breathing vapors.

Section 8 – Exposure Controls/Personal Protection Information

Respiratory protection:	Use air purifying respirator with organic vapor cartridge>TLV if limits are exceeded.
Protective gloves:	Buna-N-Rubber
Eye protection:	Safety glasses goggles
Ventilation:	Explosion proof local exhaust is recommended. Maintain adequate air transfer velocity to remove vapors.
Clothing requirements:	Standard industrial hygiene should be practiced.

Section 9 – Physical & Chemical Properties

Physical Form:	Liquid
Appearance and Odor:	Black with petroleum odor
pH:	Not available
Boiling point: F (C):	>350 (>177)
Freezing point;F (C):	Not Determined
Vapor pressure (mm Hg)	<10
Vapor Density (AIR=1):	4.8
Solubility in water:	Slight
Specific gravity (water=1):	1.01
Evaporation rate (ether = 1):	36
Percent volatiles – volume:	50-60%
Percent solids – weight:	53 - 56
Volatile organic compounds:	3.87 lb./gal. (minus water), 442 G/L

Section 10 – Stability & Reactivity Data

Chemical stability:	Yes
Materials to avoid:	Strong oxidizing agents
Hazardous decomposition products:	Oxides of carbon, nitrogen and sulfur
Hazardous polymerization:	Will not occur

Section 11 - Toxicology Information

Petroleum Distillates:	LD50, Oral-Rat,>5GM/KG LC50, 4 Hour-Rat,>5500 MG/M3
Oxidized Asphalt:	LD50, Not available LC50, Not available

Section 12 – Ecological Information

Ecotoxicity – This mixture contains components that are potentially toxic to freshwater and saltwater ecosystems.

Environmental Fate: This material may be harmful to aquatic organisms and may cause long term adverse effects in the aquatic environment.

Section 13 – Disposal Considerations

Hazard characteristic and regulatory waste classification can change with product use. Accordingly, it is the responsibility of the user to determine the proper handling and disposition for disposal according to local, state and federal regulations. (40 CFR 260 through 271)

Introducing the **New Commercial Side-Entry** **Built on the Chrysler Voyager**

The Commercial Side-Entry wheelchair accessible vehicle has been a cost-effective, workhorse product for paratransit providers and transportation services. Leveraging almost 50 years of experience in mobility transportation solutions, BraunAbility introduces with the newest addition to the Commercial fleet, the Chrysler Voyager. The side-entry foldout has all the ADA-compliant features of the Dodge Grand Caravan but with 15% more cabin space for easier maneuverability, more seating positions, plus enhanced space at the toe pan for wheelchair footrests. The new conversion also features the much more durable thermoplastic (TPO) front, side and rear flares to absorb minor impacts while protecting the exterior look of the vehicle. An LED spotlight package for the ramp and cabin as well as an easy access footrest for rear seating adds to the overall ease of use for both operators and passengers.

- **15% more cabin space vs. Dodge Grand Caravan**
- **Seating for up to 7 ambulatory*; up to 2 wheelchair positions**
- **Added space at front for wheelchair passenger footrests**
- **Hard-wearing TPO front, side and rear flares to absorb minor impacts**
- **Reinforced, heavy-duty swing-out ramp and latch**
- **Enhanced ADA lighting package**

* With optional aftermarket 2nd row 2-passenger folding bench seat

TARABUS

TARABUS NT Specification Sheet

Product description and composition:

- The flooring shall be specially designed for buses.
- The flooring shall be flexible PVC flooring in 2.25 mm thickness, composed of a compact plasticized wear layer.
- The wear layer shall contain inlaid silicon carbide particles to improve slip resistance.
- The wear layer shall not contain aluminium oxide particles or quartz granules to prevent from maintenance and cleaning issues.
- The wear layer shall not contain fillers (fillers<5phr).
- The design shall be inlaid through the whole thickness of the wear layer.
- The intermediate layer of the flooring shall be made of a glass fibre grid, providing outstanding dimensional stability: $\leq 0.2\%$ according to EN 434.
- The flooring shall have a special textile backing designed for public transport vehicles, to enable bonding with acrylic glues onto plywood substrates or plywood with phenolic film substrates or aluminium.
- The flooring shall not crack and no white line shall appear when bended by 180 degrees.
- The welding rods shall be manufactured by the flooring manufacturer to enable a perfect weld.

Environment:

- The flooring shall be free from heavy metals (Lead, Cadmium, Barium, Tin, Chromium...).
- The flooring shall be free from DEHP plasticizer.
- The manufacturer of the floor covering must be in possession of a valid ISO 14001 certificate.

Technical characteristics:

- Fire class: the flooring material shall conform to the European Directive 95/28/EC
- Fire class: the flooring material shall conform to the FMVSS/CMVSS 302
- Fire class: the flooring shall have been tested to UTAC ST 18502/1 (Type A) and ISO 3795/76 (0mm/mn)
- Fire class: the flooring shall obtain CRF>0.50 W/cm² when tested according to NFPA 253 – ASTM E648
- The manufacturer of the floor covering must be in possession of a valid quality systems certificate, showing compliance with ISO 9001.

Installation:

- All joints must be welded using a hot welding gun and PVC welding rods. To ensure the right watertightness of the flooring system, no sealant shall be used between 2 flooring sheets.

TARABUS

TREND BOOK

TARABUS FLOORCOVERINGS LIMITED WARRANTY AGREEMENT

Warranty Terms and Conditions

GERFLOR, as a manufacturer, expressly warrants that TARABUS floorcoverings for buses and coaches are conform to the technical data sheet in force at the time of delivery.

GERFLOR further expressly warrants that the wear layer of TARABUS floorcoverings shall be free from defects in material for **12 years (twelve years)** from the date of sale, provided such floorcoverings are exclusively subject to normal use and service, and are installed and maintained in accordance exactly with GERFLOR's recommendations that the buyer declares to be aware of.

The wear layer consists of the material above the glass fiber web in the floorcovering. GERFLOR expressly warrants that the glass fiber web will not appear in the floorcovering for **12 years (twelve years)** from the date of sale.

This entire warranty will become null and void if conditions of the subflooring and method of installation do not conform exactly to GERFLOR's specifications.

This entire warranty does not cover damage caused, in whole or in part, by conditions beyond the control of GERFLOR, including but not limited to:

- Use for which material is not designated.
- Fire, explosion, or natural disasters.
- Faulty installation
- Casualties
- Ordinary wear and tear
- Abuse
- Faulty design or construction of the vehicles.
- Failure of the adhesive to adhere to the subfloor because of presence of moisture.
- Fault in the subfloor.
- Failure of the welding

- Uneven wear of sections of the floorcovering.
- Alteration of the initial appearance of the floorcovering, particularly in high traffic areas exposed to extreme heavy wear.
- Damage caused by negligent or improper maintenance procedures and other causes not specified but beyond the control of GERFLOR.
- Fading or discoloration from sunlight or heat.
- Mechanical damages: burns, chemical soiling or damage due to clamp or inadequate cleaning, not recommended by GERFLOR.

The presence of moisture between the TARABUS and the subfloor shall be considered proof of subfloor failure or faulty design or construction.

This warranty will be applied only if the product is admitted to be the only cause of disorder.

The sole and exclusive remedy against GERFLOR arising from the purchase or use of TARABUS is limited to supply of material in replacement of the sole defective part of material (after examination, verification and approval by GERFLOR) with material of equivalent quality -(colour shade between brand new material and existing one will be accepted by the owner)-. All other compensation of whatever nature will be excluded.

If the claim is accepted by GERFLOR, with respect to the warranty of the wear layer, for the first 2 (two) years from the date of sale, GERFLOR will supply the material, in replacement of defective one, free of charge. More than 2 (two) years from the date of sale, until the expiration of this express warranty of the wear layer, a depreciation of 7% (seven per cent) per year of the cost of supplied material will apply.

WARRANTY AND LIABILITY LIMITS

THE ABOVE EXPRESSED MANUFACTURER'S WARRANTY SHALL BE THE EXCLUSIVE WARRANTY AND LIMITED TO THE QUALITY OF THE PRODUCT, AND GERFLOR MAKES NO OTHER WARRANTIES. GERFLOR EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE.

IT IS AGREED THAT GERFLOR SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, including but not limited to, loss of income, loss of use, damage to other property, the cost of removing and reinstalling TARABUS floorcoverings, attorney's fees, and any liability you may have with respect to any other person.

TIME LIMIT FOR PLACING A CLAIM

To be admissible, all claims by means of this warranty contract must be carried out by **registered letter with return receipt** addressed to GERFLOR, at the address indicated at the top of this warranty contract, **accompanied by the purchase invoice** for the Product, within THIRTY DAYS following finding of irregularities and within the aforementioned warranty contract time limit. If any clauses of this Warranty Agreement conflicted with the law or a given jurisdiction, only said clause would be considered inapplicable, the remaining text of the Agreement remaining unaffected.

This Limited Warranty shall be governed and construed in accordance with the laws of the State of Illinois without regard to any choice of law principles: All disputes that may arise between You and GERFLOR relating in any way to this Limited Warranty Agreement, to the extent such disputes cannot be resolved by negotiation between You and GERFLOR, shall be decided by arbitration carried out in accordance with the Federal Arbitration Act and the Commercial Arbitration Rules of the American Arbitration Association. In the event of such a dispute, arbitration may be initiated by a request for arbitration by either party hereto addressed to the other party, and shall be completed within sixty (60) days of such request unless extended because of unavailability of an arbitrator or other events beyond the control either party. The arbitrator shall be chosen by mutual agreement of the parties and, in the event the parties cannot so agree, either party may file a written application to have the arbitrator designated by the American Arbitration Association. The arbitration proceeding shall take place in Chicago, Illinois or such other location as the parties shall agree and shall be conducted in accordance with the Commercial Arbitration "Expedited" Rules of the American Arbitration Association. The arbitrator shall have all powers necessary to determine the issues presented, including without limitation, but subject to the terms of this Limited Warranty, any damages. The decision of the arbitrator shall be final and conclusive, both as to costs and the merits, and the parties agree that they shall be bound by this decision.

QRT[®]-1 SERIES

MAX / DELUXE / STANDARD
4-POINT SECUREMENT
WHEELCHAIR RETRACTORS

QRT[®]-1 SERIES.

The Securement System That Changed Everything

The original 4-point wheelchair securement system, QRT-1 Series retractors defined the way passenger safety devices are designed and tested.

With a range of 3 different options to fit every need and every budget, the QRT-1 Series of retractors offer easy to use, effective 4-Point securement of wheelchairs for virtually any vehicle application.

QRT MAX

FULLY AUTOMATIC, premium knobless retractor that allows for one-handed operation.

More than 30 years ago, Q'STRAIT introduced the world's first fully integrated 4-Point wheelchair passenger securement system, now an industry standard the world over.

The QRT line of retractors are the linchpin of that system.

Every QRT retractor is fully ADA compliant, and meets or exceeds all standards and regulations, including:

- SAE J2249, ISO 10542,
- FMVSS 209, 302, 210, 222
- CMVSS 209
- CSA Z605
- and 30mph/20g crash testing

Anchorage Options

All QRT-1 Series Retractors are compatible with L-Track, L-Pockets and Slide 'N Click anchorages, or may be directly mounted to vehicle floors, seat legs or barriers.

L-TRACK / L-POCKETS

For kits that use L-Track or L-Pocket anchorages, QRT Series retractors feature our patented Positive Lock Indicator (PLI) that clearly indicates when the fitting is locked in the anchorage.

SLIDE 'N CLICK

For kits that include Slide 'N Click anchorages, QRT Series retractors feature a single-bolt SNC assembly and plunger that allows a full 360° rotation, eliminating anchorage alignment guesswork.

Commercial Side-Entry Foldout

E4

The Chrysler Commercial Side-Entry Foldout wheelchair accessible vehicle has been a cost-effective, workhorse product for paratransit providers and transportation services. Leveraging over 50 years of experience in mobility transportation solutions, BraunAbility introduces with the newest addition to the Commercial fleet, the Chrysler Voyager. The side-entry foldout has all the ADA-compliant features of the Dodge Grand Caravan but with 15% more cabin space for easier maneuverability, more seating positions, plus enhanced space at the toe pan for wheelchair footrests. The new conversion also features the much more durable thermoplastic (TPO) front, side and rear flares to absorb minor impacts while protecting the exterior look of the vehicle. An LED spotlight package for the ramp and cabin as well as an easy access footrest for rear seating adds to the overall ease of use for both operators and passengers.

The Chrysler Commercial Side-Entry Foldout comes standard with an easily removable front passenger seat with wheelchair securement positions in the front and midrow. The optional aftermarket midrow folding seat increases the seating capacity when needed.

Safety has always been a top priority at BraunAbility. The Chrysler Commercial Side-Entry Foldout has been crash tested and certified to meet or exceed all applicable requirements of the Federal Motor Vehicle Safety Standards (FMVSS) and is backed by our three-year limited warranty.

- **Seating for up to 7 ambulatory*; up to 2 wheelchair positions**

◀ Lowered Floor

The floor is lowered from the toe pan to the rear axle and provides multiple wheelchair securement positions. Premium vinyl flooring with 3/8" underlayment comes standard.

◀ OEM Power Door

ADA-compliant passenger sliding OEM power door with 56" vertical opening and 31" wide clear opening (excluding grab handle).

◀ Manual Folding Ramp with Swing-Out Feature

The low-angle 30" wide aluminum foldout ramp (1,000 lb capacity) makes it easy to load and unload wheelchair users. The swing-out feature allows ambulatory passengers to exit directly to curbs and sidewalks, away from the flow of traffic.

◀ Driver and Passenger Seating ►

The driver seat is stationary and has a storage area underneath for optional DOT items. The passenger seat can be easily removed to provide a wheelchair securement position in the front of the vehicle. An optional 2nd row 2 passenger folding bench seat is also available.

◀ Fold-Down Rear Seat Footrest

Adds comfort for backseat passengers.

Emergency Rear Hatch Release

LIMITED WARRANTY

WARRANTY COVERAGE AND WARRANTY COVERAGE TIME PERIODS

The BraunAbility® (“Braun”) warranty covers Braun’s modifications and alterations for associated parts for three (3) years or the first thirty six thousand (36,000) miles, whichever occurs first. In addition, the corrosion protection portion of this warranty applies to covered parts (see below) for 5 years or 100,000 miles, whichever occurs first. The 3 year/36,000 mile limited warranty covers substantial defects in materials and workmanship attributable to Braun of the conversion van frame, floor structural components, ramp, door and associated structural components, electrical components, including but not limited to switches, wires, connectors and the controller and interior appearance items such as floor covering and the lower door extension assemblies. The corrosion warranty covers substantial defects in materials and workmanship attributable to Braun of the metal fabrication on or of the frame, floor and lower door extensions. These warranty periods begin on the date that the product is delivered to the first retail purchaser by an independent, authorized dealer of Braun, or, if the dealer places the product into any type of service prior to retail sale, on the date the dealer first places the product in such service.

This limited warranty applies to the first consumer purchaser, and the next subsequent owner, only. This limited warranty may be transferred once during the warranty period. However, the subsequent owner must submit a warranty transfer form to Braun to make the warranty transfer effective. All rights and limitations within this warranty are applicable to the original and subsequent owner of the product. The subsequent owner’s warranty coverage period is the remaining balance of the warranty coverage period that the prior owner was entitled to under this limited warranty. Warranty transfer forms can be obtained from any independent, authorized dealer, which must be submitted to Braun within thirty (30) days from the subsequent owner’s purchase, and proof of the purchase date must be supplied with the form.

WHAT BRAUN WILL DO TO CORRECT PROBLEMS

In the event that a substantial defect in material or workmanship, attributable to Braun, is found to exist during the warranty coverage periods, it will be repaired or replaced, at Braun's option, without charge to the owner, in accordance with the terms, conditions and limitations of this limited warranty.

Braun's obligation to repair or replace defective materials or workmanship is the sole obligation of Braun under this limited warranty. Braun reserves the right to use new or remanufactured parts of similar quality to complete any work, and to make parts and design changes from time to time without notice to anyone. Braun reserves the right to make changes in the design or material of its products without incurring any obligation to incorporate such changes in any previously manufactured product. Braun makes no warranty as to the future performance of this product, and this limited warranty is not intended to extend to the future performance of the product. In addition, the owner's obligation to notify Braun, or one of its authorized, independent dealers, of a claimed defect does not modify any obligation placed on the owner to contact Braun directly when attempting to pursue remedies under state or federal law.

LIMITED WARRANTY

LIMITATIONS, EXCLUSIONS AND DISCLAIMER OF IMPLIED WARRANTIES

ANY IMPLIED WARRANTY THAT IS FOUND TO ARISE BY WAY OF STATE OR FEDERAL LAW, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR ANY IMPLIED WARRANTY OF FITNESS, IS LIMITED IN DURATION TO THE TERMS OF THIS LIMITED WARRANTY AND IS LIMITED IN SCOPE OF COVERAGE TO THE SCOPE OF COVERAGE OF THIS LIMITED WARRANTY. Braun disclaims any express or implied warranty, including any implied warranty of fitness or merchantability, on items excluded from coverage as set forth in this limited warranty. Braun makes no warranty of any nature beyond that contained in this limited warranty. No one has authority to enlarge, amend or modify this limited warranty, and Braun does not authorize anyone to create any other obligation for it regarding this product. Braun is not responsible for any representation, promise or warranty made by any independent dealer or other person beyond what is expressly stated in this limited warranty. Any selling or servicing dealer is not Braun's agent, but an independent entity.

BRAUN SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES THAT MAY RESULT FROM BREACH OF THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTY. THIS EXCLUSION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES SHALL BE INDEPENDENT OF ANY FAILURE OF THE ESSENTIAL PURPOSE OF ANY WARRANTY, AND THIS EXCLUSION SHALL SURVIVE ANY DETERMINATION THAT THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTY HAS FAILED OF ITS ESSENTIAL PURPOSE. This warranty does not cover, and in no event shall Braun be liable for towing charges, travel, lodging, or any other expense incurred due to the loss of use of the product or other reason.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

HOW TO GET SERVICE

To obtain warranty service the owner must do all of the following:

1. Notify an authorized service center, of the claimed defect attributable to Braun, within the warranty coverage period designated above;
2. Provide the notification mentioned in (1), above, within ten (10) days of when the owner discovered, or should have discovered, the claimed defect;
3. Promptly schedule an appointment with and take the product to an authorized service center for service; and
4. Pay any transportation costs and all expenses associated with obtaining warranty service.

Since Braun does not control the scheduling of service work at the independent dealerships you may encounter some delay in scheduling or completion of work. If you need assistance you may contact Braun, at 631 West 11th Street, Winamac, Indiana 46996; Customer Experience Group 1-800-488-0359.

If two (2) or more service attempts have been made to correct any covered defect that you believe impairs the value, use or safety of the product, or if it has taken longer than thirty (30) days for repairs to be completed, you must, to the extent permitted by law, notify Braun directly, in writing, at the above address, of the unsuccessful repair(s) of the alleged defect(s) so that Braun can become directly involved in providing service pursuant to the terms of this limited warranty.

LIMITED WARRANTY

WHAT IS NOT COVERED

This Limited Warranty does not cover any of the following: defects in materials, components or parts of the product not attributable to Braun, any material, component or part of the product that is warranted by another entity (Note: the written warranty provided by the manufacturer of the material, component or part is the direct responsibility of that manufacturer); items that are added or changed after the product leaves Braun's possession; additional items installed at any dealership, or other place of business, or by any other party, other than Braun; normal wear, tear, usage, maintenance, service, periodic adjustments, the effects of condensation or moisture from condensation; mold or any damage caused by mold; imperfections that do not affect the product for its intended purpose; items that are working as designed but that you are unhappy with; problems related to mis-operation, misuse, mishandling, neglect or abuse, including failure to maintain the product in accordance with the owner's manual, or other routine maintenance such as inspections, lubricating, adjustments, tightening of screws, sealing, wheel alignments or rotating tires; damage due to accident or collision, including any acts of weather or damage or corrosion due to the environment; theft, vandalism, fire, or other intervening acts not attributable to Braun; damage resulting from tire wear or tire failure; defacing, scratches, dents or chips on any interior or exterior surface of the product, including those caused by rocks or other road hazards, damage caused by off road use, overloading or alteration of the product, or any of its components or parts;

Defects and/or damage to interior and exterior surfaces and other appearance items may occur at the factory or when the product is in transit to a dealer. These items are usually detected and corrected at the factory or by the selling dealer prior to delivery to the retail customer. You must inspect the product for this type of damage when you take delivery. If you find any such defect or damage you must notify the selling dealer, or Braun, at the time of delivery to have these items covered by this limited warranty and to have work performed on the items at no cost to you as provided by this limited warranty.

EVENTS DISCHARGING BRAUN FROM OBLIGATION UNDER WARRANTY

The following shall completely discharge Braun from any express or implied warranty obligation to repair or replace anything and void this warranty: (as defined in this warranty), misuse, neglect, collision, accidents, failure to provide routine maintenance (See Owner's Manual), unauthorized alteration, off road use, damage from weather or the environment, theft, vandalism, tampering, fire, explosions, overloading the product and odometer tampering.

LEGAL REMEDIES

Any action to enforce any portion of this limited warranty, or any implied warranty, must be commenced within six (6) months after expiration of the warranty coverage period designated above or the action will be barred because of the passage of time. Any performance of repairs shall not suspend this limitation period from expiring. Any performance of repairs after the warranty coverage period has expired, or performance of repairs regarding any thing excluded from coverage under this limited warranty shall be considered "good will" repairs, and they will not alter the terms of this limited warranty, or extend any warranty coverage period or the filing limitation period in this paragraph. In addition, since it is reasonable to expect that the product will need some service during the warranty period, this warranty does not extend to future performance. It only sets forth what Braun will do and does not guarantee anything about the product for any time period. Nothing in this warranty, or any action of Braun, or any agent of Braun, shall be interpreted as an extension of any warranty period or the filing limitation period in this paragraph. Some states do not allow a reduction in the statute of limitations, so this reduction may not apply to you.

LIMITED WARRANTY

WARRANTY REGISTRATION and MISCELLANEOUS

Your warranty registration records should be completed and delivered to the appropriate companies, including the Braun Delivery Checklist & Warranty form. That form must be returned to Braun within twenty (20) days of purchase. The Braun warranty will not be registered unless this warranty registration is completed and received by Braun. Failure to file this warranty registration with Braun will not affect your rights under this limited warranty as long as you can present proof of purchase, but it can cause delays in obtaining the benefits of this limited warranty, and it changes the start date of the warranty to the date of final assembly of the product by Braun.

Braun agrees to repair or replace any of its factory installed parts found to have substantial defects within the appropriate warranty period designated above, provided that the repair is authorized by Braun and carried out by an authorized service center (a Braun labor schedule determines the cost allowance for repairs). Braun will not honor any warranty claim for repairs or replacement of parts unless the claim is submitted with the appropriate paperwork, and the work is completed by an independent, factory authorized service center. The appropriate paperwork can be obtained by written or phone contact with Braun at the contact information in this warranty.

Braun reserves the right to designate where any warranty work can be performed. Braun also reserves the right to examine any defective workmanship or part prior to giving any authorization for warranty work. Braun's return authorization procedure must be adhered to in order to process any warranty claims.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.

JOB RATING**2025 Chrysler Voyager****Passenger Van LX (RUCL53)**

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.

Description of final assembly activities:

1. Braun's Final Assembly manufacturing processes consist of the following:
 - (a) "Seat Installation": Installation of seats in the first, second, and third seating rows in the vehicle.
 - (b) "Subsystem Installation": Installation of new lines for rear brake, fuel, heat, and air conditioning components.
 - (c) "Fuel Tank System Installation": Installed the fuel tank. Installation and interconnection of the new fuel fill pipe assembly to meet the relocated and rotated OEM fuel tank.
 - (d) "Exhaust Installation & Interconnection": Installing a new exhaust pipe, hanger brackets, and the OEM muffler.
 - (e) "Engine/Transmission/Front Suspension Assembly Modifications": Disconnecting the engine, transmission, and front suspension assembly in order to raise the body to accommodate the lowered floor. Modifications are made to the engine, transmission, and front suspension assembly, involve adding various types of spacing brackets, custom steering shaft extension, and two engine cradle safety bracket tube extensions, and reconnecting the engine, transmission, and front suspension assembly.
 - (f) "Slide Door Installation": Doors are installed and tested to verify proper travel and function.
 - (g) "Rear Axle & Suspension Installation & Interconnection": Installation of the rear axle, addition of brake line extensions, and rear brake lines fastened.
 - (h) "Flooring & Walls Installation": Installation of flooring substrate and covering and carpet or plastic panels with carpeted inserts. Walls are covered with new interior panels and trims.
 - (i) "Rear Bumper Installation": Installation of the reinforced rear bumper.
 - (j) "Wiring Installation": Installation of new and reroute existing wiring to accommodate the new seating systems, airbag systems, wheelchair ramp system, slide door operation, and other accessibility modifications such as kneeling function.
 - (k) "Ramp Installation & Interconnection": Installation and interconnection of the wheelchair ramp.
 - (l) "Undercoating": Newly installed components are coated, and the entire floor is undercoated.
 - (m) "Inspection & Certification": The vehicle is inspected, weighed, road tested, identified repairs completed if required, and recertified to all applicable FMVSS by Braun in preparation of the vehicles for delivery.

PRE-AWARD FMVSS COMPLIANCE CERTIFICATION

Braun® Limited Warranty

BRAUN SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES THAT RESULT FROM BREACH OF THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTY. THIS EXCLUSION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES SHALL BE INDEPENDENT OF ANY DETERMINATION THAT THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTY HAS FAILED OF ITS ESSENTIAL PURPOSE. This warranty does not cover, and in no event shall Braun be liable for towing charges, travel, lodging, or any other expense incurred due to the loss of use of the product for other reason.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

HOW TO GET SERVICE

To obtain warranty service the owner must do all of the following:

- Notify an authorized service center, of the claimed defect attributable to Braun, within the warranty coverage period designated above
- Provide the notification mentioned in (1), above, within ten (10) days of when the owner discovered, or should have discovered, the claimed defect
- Promptly schedule an appointment with and take the product to an authorized service center for service.
- Pay any transportation costs and all expenses associated with obtaining warranty service.

Since Braun does not control the scheduling of service work at the independent dealerships you may encounter some delay in scheduling or completion of work. If you need assistance you may contact Braun, at 331 West 11th Street, Winamac, Indiana 46996; 1-800-THE-LIFT, (843-5438).

If two (2) or more service attempts have been made to correct any covered defect that you believe impairs the value, use or safety of the product, or if it has taken longer than thirty (30) days for repairs to be completed, you must, to the extent permitted by law, notify Braun directly, in writing, at the above address, of the unsuccessful repair(s) of the alleged defect(s) so that Braun can become directly involved in providing service pursuant to the terms of this limited warranty.

WHAT IS NOT COVERED

This Limited Warranty does not cover any of the following: defects in materials, components or parts of the product not attributable to Braun, any material, component or part of the product that is warranted by another entity (Note: the written warranty provided by the manufacturer of the material, component or part is the direct responsibility of that manufacturer); items that are added or changed after the product leaves Braun's possession; additional items installed at any dealership, or other place of business, or by any other party, other than Braun; normal wear, tear, usage, maintenance, service, periodic adjustments, the effects of condensation or moisture from condensation; mold or any damage caused by mold; imperfections that do not affect the product for its intended purpose; items that are working as designed but that you are unhappy with; problems related to mis-operation, misuse, mishandling, neglect or abuse, including failure to maintain the product in accordance with the owner's manual, or other routine maintenance such as inspections, lubricating, adjustments, tightening of screws, sealing, wheel alignments or rotating tires; damage due to accident or collision, including any acts of weather or damage or corrosion due to the environment; theft, vandalism, fire, or other intervening acts not attributable to Braun; damage resulting from tire wear or tire failure; defacing, scratches, dents or chips on any interior or exterior surface of the product, including those caused by rocks or other road hazards, damage caused by off road use, overloading or alteration of the product, or any of its components or parts.

and/or damage to interior and exterior surfaces and other appearance items may occur at the factory or the product is in transit. These items are usually detected and corrected at the factory or by

Braun® Limited Warranty

a dealer prior to delivery to the purchaser. You must inspect the product for this type of damage when you take delivery. If you find any such defect or damage you must notify the selling dealer, or Braun, at the time of delivery to have these items covered by this limited warranty and to have work performed on the items at no cost to you as provided by this limited warranty.

EVENTS DISCHARGING BRAUN FROM OBLIGATION UNDER WARRANTY

The following shall completely discharge Braun from any express or implied warranty obligation to repair or replace anything and void this warranty: misuse, neglect, collision, accidents, failure to provide routine maintenance (See Owner's Manual), unauthorized alteration, off road use, Acts of Nature, damage from weather or the environment, theft, vandalism, tampering, fire, explosions, overloading the product and odometer tampering.

LEGAL REMEDIES

Any action to enforce any portion of this limited warranty, or any implied warranty, must be commenced within six (6) months after expiration of the warranty coverage period designated above or the action will be barred because of the passage of time. Any performance of repairs shall not suspend this limitation period from expiring. Any performance of repairs after the warranty coverage period has expired, or performance of repairs regarding any thing excluded from coverage under this limited warranty shall be considered "good will" repairs, and they will not alter the terms of this limited warranty, or extend the warranty coverage period or the filing limitation period in this paragraph. In addition, since it is reasonable to expect that the product will need some service during the warranty period; this warranty does not extend to future performance. It only sets forth what Braun will do and does not guarantee anything about the product for any time period. Nothing in this warranty, or any action of Braun, or any agent of Braun, shall be interpreted as an extension of any warranty period or the filing limitation period in this paragraph. Some states do not allow a reduction in the statute of limitations, so this reduction may not apply to you.

WARRANTY REGISTRATION and MISCELLANEOUS

Your warranty registration records should be completed and delivered to the appropriate companies, including the Braun Delivery Checklist & Warranty form. That form must be returned to Braun within twenty (20) days of purchase. The Braun warranty will not be registered unless this warranty registration is completed and received by Braun. Failure to file this warranty registration with Braun will not affect your rights under this limited warranty as long as you can present proof of purchase, but it can cause delays in obtaining the benefits of this limited warranty, and it changes the start date of the warranty to the date of final assembly of the product by Braun.

Braun agrees to repair or replace any of its factory installed parts found to have substantial defects within the appropriate warranty period designated above, provided that the repair is authorized by Braun and carried out by an authorized service center (a Braun labor schedule determines the cost allowance for repairs). Braun will not honor any warranty claim for repairs or replacement of parts unless the claim is submitted with the appropriate paperwork, and the work is completed by an independent, factory authorized service center. The appropriate paperwork can be obtained by written or phone contact with Braun at the contact information in this warranty.

Braun reserves the right to designate where any warranty work can be performed. Braun also reserves the right to examine any defective workmanship or part prior to giving any authorization for warranty work. Braun's return authorization procedure must be adhered to in order to process any warranty claims.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.

The information in this report pertains only to this specific bus, as received from the manufacturer for testing.

The Check-In section of the report provides a description of the bus and specifies its major components. The following table gives the salient specifications.

Manufacturer	The Braun Corporation / BraunAbility
Model	2022 Chrysler Pacifica / Voyager ADA w/Side Entry Manual Infloor Ramp
Chassis Make/Model	FCA US, LLC / Voyager LX
Chassis Modified	Yes
Overall Length	16 feet, 11.5 inches
Fuel	Gasoline
Service Life	4 Year / 100,000 miles
Number of Seats (including driver)	5 and 1 wheelchair position
Manufacturer-Designated Standing Passenger Capacity	0
Gross Vehicle Weight used for testing	6,050 lb.
Gross Vehicle Weight Rating	6,055 lb.
Mileage at Delivery	419 miles
Test Start Date	September 7, 2023
Test Completion Date	October 23, 2023
Report Issuance Date	November 13, 2023

The measured curb weight was 2,550 lb. for the front axle and 2,170 lb. for the rear axle. These combined weights provided a total measured curb weight of 4,720 lb. There are 5 seats including the driver and one wheelchair position, bringing the potential total passenger capacity to 6. This type of vehicle does not have any free floor space for standing passengers. Therefore, the gross load represents seated passengers only, for a total of 6 passengers. Gross load is calculated as $(150 \text{ lb.} \times 5) + (600 \text{ lb.} \times 1) = 1,350 \text{ lb.}$ At full declared capacity, the measured gross vehicle weight was 6,055 lb.

This test vehicle has a modified chassis. The chassis was modified by dropping the original floor structure from the bottom of the firewall (at front of driver and passenger footwell area) to the front of the rearmost seats to accommodate the wheelchair space and the infloor ADA ramp.

BUS TESTING BACKGROUND

On August 1, 2016, FTA announced a final rule for bus testing for improving the process of ensuring the safety and reliability of new transit buses. The rule satisfies requirements in MAP-21 to establish minimum performance standards, a standardized scoring system, and a pass-fail threshold based on the score.

FTA's Bus Testing Program (often referred to as "Altoona Testing" due to the location of the main testing center) tests new transit bus models for:

- Maintainability
- Reliability
- Safety
- Performance (including Braking Performance)
- Structural Integrity (including Structural Durability)
- Fuel Economy (Energy Efficiency and Range, for electric buses)
- Noise
- Emissions

Bus models that fail to meet one or more minimum performance standards will "fail" their test and thus be ineligible for purchase with FTA funds until the failures are resolved and validated through further testing. FTA will use this authority to make sure defects are corrected before a bus model can be acquired with FTA funding.

In each application to FTA for the purchase or lease of any new bus model, or any bus model with a major change in configuration or components to be acquired or leased with funds obligated by the FTA, the recipient shall certify that it has received the appropriate full Bus Testing Report and any applicable partial testing report(s) before final acceptance of the first vehicle. In dealing with a bus manufacturer or dealer, the recipient shall be responsible for determining whether a vehicle to be acquired requires full testing or partial testing or has already satisfied the requirements of this part. A bus manufacturer or recipient may request guidance from FTA in making these determinations.

The purpose of the testing is intended to set a "Pass/Fail" standard and grade the performance of the buses in order to provide performance information to the transit authorities that can be used in their purchase or lease decisions. The intent of this report is to provide the grantee a relative measure of the performance of a particular model of transit bus against a standard of performance. The passing of this test should ensure a vehicle has a high probability of meeting its service life in the category it was tested.

The data included in this test report and other applicable reports should be reviewed to choose the most suitable bus for a grantee's operation. A higher scoring bus is not necessarily the best bus for a given application. For example, a bus with a powerful engine may score well because of its performance and gradeability, but another bus with a smaller and more fuel-efficient engine could be a better choice for applications in mostly flat areas. It is the responsibility of the grantee to ensure the proper test report or applicable partial report is in their possession and has been thoroughly reviewed.

The score sheet for the subject vehicle of this test report is provided below. **This bus passed the Altoona test, with an aggregate score of 92.6.**

Ultrasonic Sound Test Certification

The Braun Corporation water test consists of an Ultrasonic Sound Test as well as a high pressure rinse cycle. Testing is completed at an ambient temperature not less than 40 degrees Fahrenheit and 100 degrees Fahrenheit. Vehicle will remain on level ground for the duration of the test. Upon test conclusion, the vehicle interior is closely examined for any sign of water intrusion.

Commercial Side-Entry Foldout

E4

The Chrysler Commercial Side-Entry Foldout wheelchair accessible vehicle has been a cost-effective, workhorse product for paratransit providers and transportation services. Leveraging over 50 years of experience in mobility transportation solutions, BraunAbility introduces with the newest addition to the Commercial fleet, the Chrysler Voyager. The side-entry foldout has all the ADA-compliant features of the Dodge Grand Caravan but with 15% more cabin space for easier maneuverability, more seating positions, plus enhanced space at the toe pan for wheelchair footrests. The new conversion also features the much more durable thermoplastic (TPO) front, side and rear flares to absorb minor impacts while protecting the exterior look of the vehicle. An LED spotlight package for the ramp and cabin as well as an easy access footrest for rear seating adds to the overall ease of use for both operators and passengers.

The Chrysler Commercial Side-Entry Foldout comes standard with an easily removable front passenger seat with wheelchair securement positions in the front and midrow. The optional aftermarket midrow folding seat increases the seating capacity when needed.

Safety has always been a top priority at BraunAbility. The Chrysler Commercial Side-Entry Foldout has been crash tested and certified to meet or exceed all applicable requirements of the Federal Motor Vehicle Safety Standards (FMVSS) and is backed by our three-year limited warranty.

- **Seating for up to 7 ambulatory*; up to 2 wheelchair positions**
- **Added space at front for wheelchair passenger footrests**
- **Hard-wearing TPO front, side and rear flares to absorb minor impacts**
- **Reinforced, heavy-duty swing-out ramp and latch**
- **Enhanced ADA lighting package**
- **Option for BuyAmerica compliant conversion is available**

Standard Features

◀ **Lowered Floor**

The floor is lowered from the toe pan to the rear axle and provides multiple wheelchair securement positions. Premium vinyl flooring with 3/8" underlayment comes standard.

◀ **OEM Power Door**

ADA-compliant passenger sliding OEM power door with 56" vertical opening and 31" wide clear opening (excluding grab handle).

◀ **Manual Folding Ramp with Swing-Out Feature**

The low-angle 30" wide aluminum foldout ramp (1,000 lb capacity) makes it easy to load and unload wheelchair users. The swing-out feature allows ambulatory passengers to exit directly to curbs and sidewalks, away from the flow of traffic.

◀ **Driver and Passenger Seating** ►

The driver seat is stationary and has a storage area underneath for optional DOT items. The passenger seat can be easily removed to provide a wheelchair securement position in the front of the vehicle. An optional 2nd row 2 passenger folding bench seat is also available.

◀ **Fold-Down Rear Seat Footrest**

Adds comfort for backseat passengers.

Emergency Rear Hatch Release

◀ **ADA-Compliant Ramp and Door Entrance Lighting**

JOB RATING**2025 Chrysler Voyager****Passenger Van LX (RUCL53)**

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.

Commercial Side-Entry Foldout

E4

The Chrysler Commercial Side-Entry Foldout wheelchair accessible vehicle has been a cost-effective, workhorse product for paratransit providers and transportation services. Leveraging over 50 years of experience in mobility transportation solutions, BraunAbility introduces with the newest addition to the Commercial fleet, the Chrysler Voyager. The side-entry foldout has all the ADA-compliant features of the Dodge Grand Caravan but with 15% more cabin space for easier maneuverability, more seating positions, plus enhanced space at the toe pan for wheelchair footrests. The new conversion also features the much more durable thermoplastic (TPO) front, side and rear flares to absorb minor impacts while protecting the exterior look of the vehicle. An LED spotlight package for the ramp and cabin as well as an easy access footrest for rear seating adds to the overall ease of use for both operators and passengers.

The Chrysler Commercial Side-Entry Foldout comes standard with an easily removable front passenger seat with wheelchair securement positions in the front and midrow. The optional aftermarket midrow folding seat increases the seating capacity when needed.

Safety has always been a top priority at BraunAbility. The Chrysler Commercial Side-Entry Foldout has been crash tested and certified to meet or exceed all applicable requirements of the Federal Motor Vehicle Safety Standards (FMVSS) and is backed by our three-year limited warranty.

- **Seating for up to 7 ambulatory*; up to 2 wheelchair positions**
- **Added space at front for wheelchair passenger footrests**
- **Hard-wearing TPO front, side and rear flares to absorb minor impacts**
- **Reinforced, heavy-duty swing-out ramp and latch**
- **Enhanced ADA lighting package**
- **Option for BuyAmerica compliant conversion is available**

* With optional aftermarket 2nd row 2-passenger folding bench seat

- ADA Compliant Ramp & Door Entrance Lighting

◀ **Lowered Floor**

The floor is lowered from the toe pan to the rear axle and provides multiple wheelchair securement positions. Premium vinyl flooring with 3/8" underlayment comes standard.

◀ **OEM Power Door**

ADA-compliant passenger sliding OEM power door with 56" vertical opening and 31" wide clear opening (excluding grab handle).

◀ **Manual Folding Ramp with Swing-Out Feature**

The low-angle 30" wide aluminum foldout ramp (1,000 lb capacity) makes it easy to load and unload wheelchair users. The swing-out feature allows ambulatory passengers to exit directly to curbs and sidewalks, away from the flow of traffic.

◀ **Driver and Passenger Seating** ►

The driver seat is stationary and has a storage area underneath for optional DOT items. The passenger seat can be easily removed to provide a wheelchair securement position in the front of the vehicle. An optional 2nd row 2 passenger folding bench seat is also available.

◀ **Fold-Down Rear Seat Footrest**

Adds comfort for backseat passengers.

Emergency Rear Hatch Release

◀ **ADA-Compliant Ramp and Door Entrance Lighting**

Q'STRAIT Wheelchair/Occupant Securement System ►

One standard belt system included for use with the floor-mounted tracks.

JOB RATING

2025 Chrysler Voyager

Passenger Van LX (RUCLE53)

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.
