Addendum No. 01
Answers to Vendor Questions
CRFQ AGR26*36 - 15% Beef Cattle Pellet Feed

Q1: Do you require any specs other than 15% protein? Any requirements for fat content or phosphorous?

A1: Please see specification 3.1.2.2 we encourage all vendors to review specifications thoroughly.

Q2: Do you need a certificate of analysis for the pellets?

A2: No, the bag just needs tagged

Q3: Can you please provide the pre-registration code for WV Oasis? I read in the solicitation documents that all vendors submitting must not only be registered but also pay the \$125 registration fee in advance. Unfortunately, I can't get to the spot to pay the registration fee unless I have the pre-registration code. Or is this something that could be done after the time of award or does it have to be done in advance?

A3: Vendor registration fee does not need to be paid in advance. This can be completed when a vendor receives notification from the WV Purchasing Division's Senior Buyer.

Questions or issues regarding the vendor registration or the associated fee, vendor's can reach out to the following:

WV Purchasing Vendor Registration at 304-558-2311 or at Purchasing.VendorRegistration@wv.gov

Or any technical issues navigating wvOASIS – Vendor Self Service Portal, they can reach out to the helpdesk at 855-666-8823 or at helpdesk@wvoasis.gov

Q4: After looking over the specs for this quote, we are interested in putting in a bid. 6.1 states that the feed would need to be delivered within two weeks of purchase order or notice to proceed. What I cannot find is how long WV may take to notify the winning bidder.

A4: See Instructions to Vendors Submitting Bids, Section 21 - Email Notification of Award.
