COVER LETTER

Department of Administration – Purchasing Division
2019 Washington Street East
Charleston, WV 25305-0130

September 23, 2026

Subject: Response to CRFQ 0231 OOT2700000006 – Temporary Technical Staffing Services.

Dear Mr. Welch,

Compunnel Software Group, Inc. dba Compunnel, Inc. (“Compunnel”) is pleased to submit its proposal in response to **CRFQ 0231 OOT2700000006 – Temporary Technical Staffing Services**, issued by the West Virginia Department of Administration, Purchasing Division, on behalf of the **West Virginia Office of Technology (WVOT)**. We understand that the State is seeking to establish a **Statewide Master Agreement (Open End)** to provide temporary technical staffing services to support WVOT's technology operations.

Compunnel brings more than **31 years of workforce staffing and technical consulting experience**, supporting Local, State, and other government organizations with qualified professionals across diverse technology disciplines. We are an **NMSDC-certified MBE** organization and have been recognized among the nation's leading staffing organizations, including recognition by **Inc. 5000** and **Staffing Industry Analysts (SIA)**. Our **ISO 9001-certified** quality management framework further supports disciplined, repeatable processes for recruiting, screening, placement, and workforce delivery.

With **55 offices nationwide and a local presence in Charleston, West Virginia**, Compunnel is positioned to provide responsive, market-informed staffing support to WVOT. Our West Virginia office is located at **5098 Washington St. W., Suite 407, Charleston, WV 25313-1561**, providing a local point of presence to support communication, candidate engagement, resource deployment, and ongoing contract coordination.

Our technical staffing capabilities align directly with the requirements identified in this solicitation. The CRFQ encompasses **13 technical classifications**, including Senior Web Application Analyst, CRM Application Analyst, Senior SQL Server Database Administrator, Business Analyst, Learning Management System & eLearning Development Specialist, Cloud Financial Operations Specialist, Cloud Architect, Cloud Security Professional, Cloud Platform Engineer, Cloud Network Engineer, Cloud Systems Management Engineer, Cloud Center of Excellence (CCOE) Implementation Specialist, and Mainframe Systems Programmer.

Compunnel's delivery model combines experienced technical recruiters, structured candidate qualifications, skills-based screening, background and employment verification, and responsive account management to identify professionals whose technical capabilities and experience align with WVOT's requirements. This approach is designed to support the State's need for specialized technical resources across application development, database administration, business analysis, cloud architecture and engineering, cybersecurity, systems management, and mainframe environments.

We also recognize that the solicitation's estimated **2,080 hours per classification are provided for evaluation purposes and do not constitute a guaranteed minimum or maximum level of utilization**. Compunnel is prepared to provide the flexibility and scalable staffing capacity necessary to respond to WVOT's actual requirements throughout the resulting open-end contract.

Compunnel has established experience supporting government clients in **West Virginia**, including:

• <i>State of West Virginia - Department of Administration</i>
• <i>West Virginia Department of Health and Human Resources</i>
• <i>State of West Virginia Department of Commerce Workforce</i>
• <i>State of West Virginia Purchasing Division</i>

Our familiarity with the State's procurement environment, combined with our technical staffing capabilities and established delivery infrastructure, positions Compunnel to provide responsive and qualified technical resources to WVOT.

Compunnel is committed to provide the State of West Virginia with **qualified technical professionals, responsive service, consistent communication, and contract-compliant delivery**. We have reviewed the solicitation requirements and submit our offer in accordance with the terms, conditions, specifications, and requirements of **CRFQ 0231 OOT2700000006**.

Thank you for the opportunity to participate in this procurement. We look forward to supporting the **West Virginia Office of Technology** with high-quality temporary technical staffing services.

Sincerely,

Ashish Yadav, Program Manager

QUALIFICATIONS

Minimum Five (5) Years Providing Similar IT Staffing Services

Compunnel Software Group, Inc. has provided information technology and technical staffing services continuously for more than five 31 years, satisfying the minimum experience requirement established in Section 3.1 of the CRFQ. Compunnel's placement records document technical staffing engagements beginning well before the required five-year period and continuing through 2026. The Company's experience encompasses application development, database administration, business analysis, cloud architecture and engineering, cybersecurity, systems engineering, networking, instructional design, and mainframe technology.

Documented Staffing History

Compunnel exceeds the Section 3.2 minimum qualification by documenting staffing placements in **(13) technical classifications** identified by WVOT in Section 1. Section 3.2 requires vendors to demonstrate that they have provided staffing of at least six (6) individuals within the past five years and to provide documentation supporting the individual's qualifications and the entity to which the individual was supplied.

The following placements are supported by Compunnel's placement records and represent the closest documented alignment between the Company's historical staffing activity and WVOT's specified classifications.
