Firm Name: Computer Aid Inc.	
Contract Name:	IT Supplemental Staffing
Contract Background:	North Carolina's IT Supplemental Staffing program is available to all public-sector organizations seeking hourly T&M resources. It streamlines and standardizes IT procurement, utilizing a network of qualified IT staffing providers to meet the diverse IT needs of the State.
Contract Duration:	September 2020 to Ongoing
Contact Information:	Krystal McGraw, Lead Business Analyst krystal.mcgraw@cai.io (717) 802-5743
Scope of Services:	North Carolina is seeking to engage qualified vendors through its IT Supplemental Staffing program to provide IT professionals on an hourly, time-and-materials (T&M) basis to public-sector organizations statewide. The objective is to streamline and standardize the IT procurement process, allowing agencies to quickly access the skilled resources necessary to meet their diverse and evolving IT needs. Vendors are expected to supply a broad range of IT specialists capable of addressing various technological challenges and supporting the State's mission-critical projects. This engagement will require vendors to demonstrate their capability to provide high-quality IT staffing solutions that align with the State's requirements, ensuring flexibility, efficiency, and cost-effectiveness in service delivery.
Solution Provided:	V Group Inc. serves as a supplier for Computer Aid, Inc. (CAI) under the North Carolina IT Supplemental Program. We provide comprehensive staffing services for this program, specializing in the following categories: • Mainframe Application Analyst • Business Analyst • Programmer Analyst • Help Desk Analyst • Cloud Architect • Application Analyst • SQL Administrator • Cloud Financial Operation Analyst • IT Project Management • Tosca Development and Automation Testing

Firm Name: State of New York, Office of General Services	
Contract Name:	73012 Hourly Based Information Technology Services

Contract Background:	HBITS is an acronym for Hourly-Based Information Technology Services. It is a contract that contains policies and procedures by which many New York State Agencies and Municipalities will acquire contractual IT services. It is a legal and business framework by which IT managers at the various agencies can purchase and engage hourly-based IT consultants from a selected group of vendors.
Contract Duration:	NYS HBITS – 10/01/2013– 06/30/2019 NYS HBITS – 07/01/2019– 06/30/2024
Contact Information:	David Gambacorta, Contract Management Specialist david.gambacorta@ogs.ny.gov (518) 473-9614
Scope of Services:	The New York State Office of General Services was endeavoring to provide strong information technology staff essential to support their ever-expanding information technology requirements through staff augmentation. The use of this contract was planned for Statewide, all state agencies, political subdivisions, local governments, and other authorized users as well.
Solution Provided:	V Group, as an experienced organization in the staff augmentation industry, was able to identify and deliver for functional areas like: Consulting; Training services; Systems Integration (SI); Equipment Maintenance; On-Going Services, including Maintenance & Support Our team of recruiters identified suitable candidates based on the scope provided by NYOGS across the functional areas. The process of recruitment involved posting job requisitions, identifying, and finalizing resumes. Post finalizing resume, the initial round of screening and a background check was conducted to successfully hand over the candidate to the department. Our consultants were involved in the development and support of several state applications and did a phenomenal job delivering quality work. Details of the application under contracts are as follows: • SQL Server Database Administrator • Business Analyst • Cloud Architect • Cloud Network Engineer • Main Frame System Programmer • Development Plan Application • Willow brook Tracking System • Commissioner's Emergency Roster Application • Allocation Tracker application • Standing Committee Incident Tracker • Forensic Application • Conversion of a legacy Oracle application • Aging Out application • State Job Bank • Incident Report and Management Application • Training Applications • Messaging Application • Peregrine's Enterprise Service Center Apart from NYOGS, there was partial list of clients under the same contract for which V Group provided assistance.
