SECTION 3.1 – MINIMUM FIVE-YEAR BUSINESS EXPERIENCE AND SIMILAR INFORMATION TECHNOLOGY SERVICES

Section 3.1 Requirement: Vendor shall have been in business for a minimum of five (5) years providing similar information technology services. OPCG provides the following company-level information to demonstrate compliance with this requirement.

OP Consulting Group LLC (OPCG) meets the Section 3.1 minimum business-duration requirement. OPCG was incorporated in Michigan on **January 7, 2020**, and has therefore operated continuously for more than six years as of this solicitation. OPCG is a U.S.-based technology consulting and professional services firm headquartered at 1749 Hamilton Road, Suite 207, Okemos, Michigan 48864.

Since its establishment, OPCG has delivered **technology consulting, IT staff augmentation, enterprise technology support, cybersecurity staffing, project and program management, data analytics, and related professional services** for public-sector, institutional, healthcare, higher-education, utility-adjacent, and regulated commercial organizations.

OPCG's experience includes assignments supporting technology modernization, enterprise systems, application and infrastructure needs, cybersecurity operations, project delivery, organizational change, and workforce augmentation. These services are directly relevant to the State's requirement for a vendor with an established history of providing similar information technology services.

OUR CERTIFICATIONS

Relevant Similar Information Technology Services

OPCG's public-sector technology experience includes work for the **State of Michigan** involving IT and professional staffing; the **Commonwealth of Virginia** involving IT staff augmentation and professional recruitment; the **Commonwealth of Pennsylvania** involving enterprise IT and cybersecurity staffing; and the **University of Colorado** involving ERP, Program Management, Organizational Change Management, and administrative staffing support.

OPCG has also supported **Gwinnett County Public Schools** with IT professional and staff-augmentation services and **Dallas Independent School District** with temporary staffing services. These engagements demonstrate experience supporting large and distributed public-sector environments that require responsive recruiting, workforce continuity, technology capability, compliance, and contract oversight.

Public-Sector Experience

Public-sector technology and professional service delivery represents a substantial part of OPCG's organizational history. The firm has supported more than **30 public-sector organizations**, along with Fortune 500 and regulated commercial enterprises. Approximately **60% of OPCG's active engagements** are concentrated in public-sector, healthcare, higher education, utility-adjacent, and other regulated environments where operational continuity, cybersecurity, workforce reliability, compliance, and service governance are essential.

Over the past five years, OPCG has delivered consulting, technology support, and professional staffing services through more than **30 public-sector contracts and engagements**. Across these engagements, the firm has provided more than **50,000 hours** of professional services involving technology modernization, enterprise systems support, cybersecurity operations, data analytics, project management, and other mission-critical functions.

OPCG **brings an established public-sector operating model**, a focused strength in administrative and clerical staffing, and the organizational capacity to support changing departmental workforce requirements with consistent recruiting, screening, coordination, and contract oversight

OPCG's public-sector portfolio includes work with the **State of Michigan, Commonwealth of Virginia, State of Georgia, Commonwealth of Pennsylvania, State of Connecticut, District of Columbia, City of Cedar Rapids, University of Colorado, Dallas Independent School District, Gwinnett County Public Schools, San Jacinto College, California State University, and School Board of Lee County**, among others.
