Subject: Proposal Response to **Temporary Technical Staffing Services,**

Dear **Toby,**

Please find enclosed **Prisa Consulting Services LLC (PCS)**'s proposal in response to **Sol# CRFQ 0231 00T2700000006** for **Temporary Technical Staffing Services** to support **West Virginia Office of Technology (WVOT)**. With over 7 years of cutting-edge expertise in **Temporary Staffing, Recruitment, IT Staff Augmentation, and Consulting services**, our team at PCS is highly confident in our ability to deliver exceptional results for the **WVOT**.

Established over 8+ years ago, Texas-headquartered Prisa Consulting Services LLC maintains an expansive footprint with locations in **California, Pennsylvania, Ohio, District of Columbia, Maryland, South Carolina and Florida**. **Prisa** is a **Small, Small Diverse and Minority-Owned Business enterprise-certified** company and we have included all the certification copy in the last page of this proposal response. **Prisa** is a reliable ally in strategic consulting, staffing, and technology services, dedicated to helping companies achieve sustained growth and success.

Prisa understands that the **WVOT** intends to establish open-end contracts for temporary technical staffing services and that actual staffing requirements will be determined through individual requests during the contract period. We are committed to providing qualified personnel who meet the applicable mandatory requirements for each requested labor category. **Prisa** acknowledges receipt and review of the solicitation and all issued addenda, including **Addendum No. 1** and **Addendum No. 2**. We have incorporated the applicable clarifications into our response.

We acknowledge receipt of and understand the scope of work from **WVOT** and wanted to confirm that we have the manpower, resources, and capability to meet all your requirements. This proposal will remain valid for 120 days from the date of submission. If you have any questions, please do not hesitate to contact us. We are looking forward to working as your partner and achieving success together. We appreciate the opportunity to submit our qualifications and look forward to the opportunity to support the **WVOT**. Thank you for your time and consideration.

Regards,

Scott Cox, Contract Manager

Relevant Experience & References

We have successfully acquired, managed, and delivered many projects and provided thousands of resources on diverse platforms in a similar size and scope to the county. We have productively handled and completed projects and benefited agencies such as the **Broward County, District of Columbia, Sacramento County, State of Kansas, State of Florida, Randstad Technologies, Velorona** by providing services with the skill sets per their requirements. For the last 7+ years, PCS has recruited and placed around 859+ Technical candidates and managed the payroll for more than 1,175 temporary staff across diversified domains for multiple states, local government, and commercial clients.

We support both public and private sector firms with the staffing of quality professionals. We execute and deliver on all staffing needs while adhering to ethical standards that focus on professionalism, transparency, and equal opportunity. As a Temporary Staffing Services partner, we traverse the status qualification and go beyond traditional sourcing, vetting, and validating the right temporary talent for our clients.

We have enriched experience in delivering top-notch professionals for various reputed agencies. We have delivered **Fiscal Consultants, Quality Analysts, Project Managers, Business Analysts, Website Designers, SQL Database Engineers, Cloud Engineers, Cloud Architects, IT Programmer Analysts, Helpdesk Professionals, IT Professionals** at different levels and categories for our clients.

We follow a unique and proven recruitment methodology that supports both global and local requirements. We leverage state-of-the-art AI technology and result-oriented methodologies and deploy project management teams with subject matter expertise in our clients' market verticals. Our 360-degree recruiting solution – including candidate identification, assessment, screening, testing, technical interviewing, background verification, and review of rigorous assignments – helps us to deliver outstanding resources for our clients.
