Corporate Experience Summary

West Virginia Office of Technology | CRFQ 0231 OOT2700000006 Temporary Technical Staffing Services

Years in business providing similar information technology services

TECKpert, LLC was formed on January 26, 2009 and has operated continuously since that date, providing information technology consulting and technology staffing services. The firm has provided similar services for over seventeen years, exceeding the five-year minimum. TECKpert connects public sector organizations with the tech talent, services, and technologies needed to address modern challenges and drive secure operational efficiency. As a certified 8(a) Small Disadvantaged Business, we deliver full lifecycle solutions spanning software development, systems integration, cloud migration, DevSecOps, UX research, and digital transformation. We utilize 100% U.S.-based talent and agile methodologies, and our client-centric approach prioritizes mission alignment, security compliance, and long-term maintainability.

Authorized Representative	Adrian Esquivel, Founder and CEO

Technology staffing service line

- Recruiting, vetting, onboarding and managing technology professionals for short and long term assignments, from a vetted United States based network.
- A defined multistage screening process applied before any candidate is presented, covering requirements analysis and a skills matrix, sourcing, AI assisted screening, resume review and skills assessment, a structured prescreen interview, and the submission package.
- Screening includes professional reference verification, drug testing, and criminal background checks, at TECKpert expense.

- QuantumRecruit, TECKpert's own AI recruitment screening platform, ranks candidates against the job description and flags fraudulent and AI generated resumes.
- Contract management by a named single point of contact, with executive escalation, performance monitoring, written corrective action plans, and replacement of a consultant within one week where required.

Representative public sector technology staffing engagements

The School Board of Broward County, Florida, Contract FY23-045	Technical contract staffing and consulting services; contract renewed August 2025	2022 to present

Individual placements within the classifications listed in this solicitation are documented separately in the staffing experience documentation submitted with this bid.

Staffing Experience Documentation

West Virginia Office of Technology | CRFQ 0231 OOT2700000006 Temporary Technical Staffing Services

TECKpert, LLC has been in business since January 26, 2009, providing information technology consulting and staffing services to public sector clients. The individuals below were supplied by TECKpert to the entities named, within the past five years, in classifications listed in the solicitation. Each entry identifies the classification provided, the client entity, the period of the assignment, the qualifications by which the individual met the classification, and a client contact.

#	Classification provided	Client entity	Client contact	Period	Qualifications meeting the classification
1	Business Analyst	Miami-Dade County, Florida Communications and Information Technology Department Contract RTQ-00894	Filip Adamowicz IT Manager, Public Safety Division 5680 SW 87th Ave, Miami, FL 33173 786-719-9243	July 2024 to present	Client title: Business Analyst. Qualifies under the five years of experience path; over 18 years as a business analyst in government and corporate environments. Over 10 years with standard concepts, practices and procedures within application development. Over 10 years facilitating requirements sessions with business and technical stakeholders, translating high level business requirements into functional specifications and user stories. Over 10 years across the systems development life cycle, including a court management system implementation delivered with a team of seven. Over 10 years reviewing, analyzing and evaluating business systems and user needs, producing requirements documents, process diagrams, test processes and user acceptance validation. Over 5 years preparing functional and technical specifications for reporting, including case management and docket reporting using Business Objects, Crystal Reports and Power BI. Over 10 years with relational database and client server concepts, including migration of a legacy mainframe system to a relational database platform.
2	Senior Web Application Analyst	Miami-Dade County, Florida Communications and Information Technology Department Contract RTQ-00894	Lakshmi Seshadri Application Manager 5680 SW 87th Ave, Miami, FL 33173 305-596-8039	July 2025 to present	Assigned under contract as Senior Software Developer, supporting procurement application modernization. Over 12 years designing, developing and maintaining enterprise web applications. Over 10 years .NET development with dynamic, database driven, enterprise level web applications. Over 10 years web development using ASP.NET, Visual Studio, the .NET Framework, C# and JavaScript, including over 6 years with AJAX. Over 10 years relational database experience with Microsoft SQL Server and Oracle. Over 10 years data design and data modeling, including table design, stored procedures, SQL functions and ORM frameworks. Over 10 years analysis and design, translating business rules and stakeholder requirements into application design. Over 6 years ASP.NET

					MVC, WCF, jQuery and jQuery UI. Over 4 years using a client side MVVM architectural model for building web applications, with Blazor and Angular. Over 8 years designing and developing applications using SOAP and REST web services. Over 6 years Microsoft SharePoint Services and Server with Team Foundation Server for team collaboration. Bachelor of Science in Computer Science, Florida International University; Master of Science in Computer Science in progress, Georgia Institute of Technology.
3	Senior Web Application Analyst	Florida Department of Health in Lee County Supplied through TECKpert	Christopher Hinsdale Administrative Services Director 2295 Victoria Ave, Fort Myers, FL 33901 239-461-6164	February 2024 to present	Assigned under contract as Web Applications Programmer. Over 9 years designing and developing internet and web applications with object oriented analysis and design. Over 9 years web development using ASP.NET, Visual Studio, the .NET Framework, C# and JavaScript. Over 8 years relational database experience with Microsoft SQL Server, including SSIS packages, SSRS reporting and scheduled jobs. Over 6 years data design and data modeling across SQL Server, Dataverse and SharePoint. Over 8 years analysis and design, including application design sessions, requirements definition and code reviews. Over 5 years ASP.NET MVC, WCF services, jQuery and jQuery UI. Over 5 years designing and developing applications on Web API and WCF services. Over 5 years Microsoft SharePoint Services and Server with Team Foundation Server for team collaboration. Masters in Computers, Northwest Missouri State University. Note for internal review: the classification also requires two years using a client side MVVM architectural model, which is not evidenced on the resume; confirm before submission.
4	Business Analyst	Broward County, Florida Transportation Department, Transit Division	Matthew D'Antonio, MPA, PMP Director, Transit Information Technology 1 North University Drive, Suite 3100A, Plantation, FL 33324 954-357-8338	August 2026 to present	Client title: IT Project Manager. Bachelor of Science in Systems Engineering, with over 3 years of professional experience in the field, satisfying the education and experience requirement. Over 3 years with standard concepts, practices and procedures within application development as technical lead on a custom enterprise resource planning platform. Over 3 years facilitating requirements gathering sessions and workshops with executive and departmental stakeholders. Over 3 years across the systems development life cycle, from requirements through solution design, user acceptance testing and release validation. Over 3 years conducting end to end business process reviews and gap analysis, producing project charters, scopes of services, requirements traceability matrices, use cases and user stories. Over 3 years preparing functional and technical specifications for reporting, including operational dashboards and route level

					performance reporting. Over 3 years with relational database and client server concepts, including SQL and instruction in database design at university level.
5	Business Analyst	Town of Cutler Bay, Florida	Vivian Manach Administrative Services Director 10720 Caribbean Blvd, Suite 105, Cutler Bay, FL 33189 786-573-5504	June 2025 to present	Client title: IT Project Manager. Master of Business Administration, University of Florida, with over 20 years of professional experience in the field. Over 15 years with standard concepts, practices and procedures within application development across ERP and municipal software implementations. Over 15 years facilitating requirements and joint application development sessions with business and technical stakeholders. Over 15 years across the systems development life cycle, managing scope, schedule, change control and go live for enterprise systems. Over 15 years reviewing, analyzing and evaluating business systems and user needs, producing business requirement documents, system workflows, data mappings, test plans and user acceptance testing. Over 10 years preparing functional and technical specifications for reporting, including reconciliation and milestone reporting with Excel and Power BI. Over 10 years with relational database and client server concepts, including Microsoft SQL Server data analysis. Certified Scrum Master, Six Sigma Green Belt.
6	Business Analyst	Broward County, Florida Office of Regional Communications and Technology, E911 Office	Mark Jones Information Systems Manager, E911 Office 6057 SW 198th Terrace, Pembroke Pines, FL 33332 954-865-4232	June 2026 to present	Client title: Systems Analyst. Bachelor of Arts in Computer Science, Florida International University, with over 3 years of professional experience in the field, satisfying the education and experience requirement. Over 3 years with standard concepts, practices and procedures within application development, building internal web applications and automation in Python, JavaScript and HTML with automated report generation, deployed and maintained on AWS. Over 3 years eliciting requirements from operational staff and stakeholders, currently producing discovery documents and formal meeting minutes and leading vendor evaluations for contact center redundancy and failover. Over 3 years across the systems development life cycle, delivering features in Agile Scrum with version control, code review and continuous integration, and serving as the change authorization gate for vendor work on production systems. Over 3 years reviewing, analyzing and evaluating business systems and user needs, supporting mission critical 911 and public safety communications, call handling, voice recording and reporting platforms across multiple regional facilities. Over 3 years preparing specifications and documentation for reporting, including migration of legacy Microsoft Access databases to SQL Server, conversion of queries to T-SQL, support of a daily automated reporting pipeline, and operational reports authored for leadership

					oversight. Over 3 years with relational database and client server concepts, including SQL Server, Microsoft Access and PostgreSQL schema design and query optimization, plus enterprise network documentation and connectivity testing.

CERTIFICATION AND SIGNATURE: By signing below, or submitting documentation through wvOASIS, I certify that: I have reviewed this Solicitation/Contract in its entirety; that I understand the requirements, terms and conditions, and other information contained herein; that this bid, offer or proposal constitutes an offer to the State that cannot be unilaterally withdrawn; that the product or service proposed meets the mandatory requirements contained in the Solicitation/Contract for that product or service, unless otherwise stated herein; that the Vendor accepts the terms and conditions contained in the Solicitation, unless otherwise stated herein; that I am submitting this bid, offer or proposal for review and consideration; that this bid or offer was made without prior understanding, agreement, or connection with any entity submitting a bid or offer for the same material, supplies, equipment or services; that this bid or offer is in all respects fair and without collusion or fraud; that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; that I am authorized by the Vendor to execute and submit this bid, offer, or proposal, or any documents related thereto on Vendor's behalf; that I am authorized to bind the vendor in a contractual relationship; and that to the best of my knowledge, the vendor has properly registered with any State agency that may require registration.

By signing below, I further certify that I understand this Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law; and that pursuant to W. Va. Code 5A-3-63, the entity entering into this contract is prohibited from engaging in a boycott against Israel.

ADDENDUM ACKNOWLEDGEMENT FORM
SOLICITATION NO.: CRFQ OOT27*006

Instructions: Please acknowledge receipt of all addenda issued with this solicitation by completing this addendum acknowledgment form. Check the box next to each addendum received and sign below. Failure to acknowledge addenda may result in bid disqualification.

Acknowledgment: I hereby acknowledge receipt of the following addenda and have made the necessary revisions to my proposal, plans and/or specification, etc.

Addendum Numbers Received:

(Check the box next to each addendum received)

☒ Addendum No. 1	☐ Addendum No. 6
☒ Addendum No. 2	☐ Addendum No. 7
☐ Addendum No. 3	☐ Addendum No. 8
☐ Addendum No. 4	☐ Addendum No. 9
☐ Addendum No. 5	☐ Addendum No. 10

I understand that failure to confirm the receipt of addenda may be cause for rejection of this bid. I further understand that any verbal representation made or assumed to be made during any oral discussion held between Vendor's representatives and any state personnel is not binding. Only the information issued in writing and added to the specifications by an official addendum is binding.
