Designated Contact / Certification and Signature

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

(Printed Name and Title) Manu Mehta, President

(Address) 1035 Boyce Road, Suite 108, Pittsburgh, PA 15241

(Phone Number) / (Fax Number) (412) 246-0708

(email address) Govt-Bids@cogentinfo.com

CERTIFICATION AND SIGNATURE: By signing below, or submitting documentation through wvOASIS, I certify that: I have reviewed this Solicitation/Contract in its entirety; that I understand the requirements, terms and conditions, and other information contained herein; that this bid, offer or proposal constitutes an offer to the State that cannot be unilaterally withdrawn; that the product or service proposed meets the mandatory requirements contained in the Solicitation/Contract for that product or service, unless otherwise stated herein; that the Vendor accepts the terms and conditions contained in the Solicitation, unless otherwise stated herein; that I am submitting this bid, offer or proposal for review and consideration; that this bid or offer was made without prior understanding, agreement, or connection with any entity submitting a bid or offer for the same material, supplies, equipment or services; that this bid or offer is in all respects fair and without collusion or fraud; that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; that I am authorized by the Vendor to execute and submit this bid, offer, or proposal, or any documents related thereto on Vendor's behalf; that I am authorized to bind the vendor in a contractual relationship; and that to the best of my knowledge, the vendor has properly registered with any State agency that may require registration.

By signing below, I further certify that I understand this Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law; and that pursuant to W. Va. Code 5A-3-63, the entity entering into this contract is prohibited from engaging in a boycott against Israel.

IRS Form W-9 showing legal name and FEIN

Form W-9 (Rev. October 2018) Department of the Treasury Internal Revenue Service	Request for Taxpayer Identification Number and Certification ▶ Go to www.irs.gov/FormW9 for instructions and the latest information.	Give Form to the requester. Do not send to the IRS.
1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank. Cogent Infotech Corporation		
2 Business name/disregarded entity name, if different from above 		
3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only <u>one</u> of the following seven boxes. ☐ Individual/sole proprietor or single-member LLC ☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner. ☐ Other (see instructions) ▶ ☐ C Corporation ☒ S Corporation ☐ Partnership ☐ Trust/estate Exempt payee code (if any) Exemption from FATCA reporting code (if any) (Applies to accounts maintained outside the U.S.)		
5 Address (number, street, and apt. or suite no.) See instructions. 1035 Boyce Road, Suite 108		Requester's name and address (optional)
6 City, state, and ZIP code Pittsburgh, PA 15241		
7 List account number(s) here (optional) 		

Part I Taxpayer Identification Number (TIN) Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see <i>How to get a TIN</i> , later. Note: If the account is in more than one name, see the instructions for line 1. Also see <i>What Name and Number To Give the Requester</i> for guidelines on whose number to enter.	
Social security number 	or Employer identification number

Part II Certification Under penalties of perjury, I certify that: 1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and 2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and 3. I am a U.S. citizen or other U.S. person (defined below); and 4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct. Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.	
Sign Here	Signature of U.S. person ▶  Date ▶ 09/23/2026

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

Evidence of Continuous Information Technology Services

Cogent maintains a complete record of individual staffing placements made on behalf of its clients. The table below summarizes that record by year of placement start, and evidences continuous delivery of information technology and professional staffing services well in excess of the five (5) years required.

Year of Placement	Individuals Placed	Distinct Clients Served
2020	366	43
2021	787	59
2022	903	79
2023	791	97
2024	639	66
2025	579	63
2026 (through Aug 25)	435	73

The record demonstrates five (5) consecutive years of operation, with placements made in every year from 2020 to the present. In each of the five (5) years immediately preceding this solicitation the Vendor placed no fewer than 4500 individuals across no fewer than 63 distinct client organizations.

Placement Reference Detail

Reference 1 — Commonwealth of Massachusetts (State of MA)

Classification (Section 1)	Senior Web Application Analyst
Individual placed	Anirban Mookherjee
Job title as placed	Senior .NET Developer
Client entity	Commonwealth of Massachusetts (State of MA)
Work location	Massachusetts
Engagement start	March 17, 2025
Engagement end	Ongoing
Engagement duration	Twenty-one months to date (ongoing)
Scope of engagement	Placed within a Commonwealth of Massachusetts executive agency to develop and maintain database-driven enterprise web applications on the Microsoft stack. Work covers server-side development in C# and the .NET framework, relational data access and stored-procedure work, front-end scripting, and participation in analysis and design activities alongside agency business staff and project managers.
Related placements with this client	14 individuals placed with the Commonwealth of Massachusetts since 2022, including business analysts, a senior Linux systems administrator, Power BI developers, an Appian developer, an EDI specialist, application support specialists and a technical project manager.
Relevance to classification	Placed as a senior Microsoft .NET developer supporting state government enterprise applications. Demonstrates the .NET and enterprise web application development experience described at §4.1.1.1 and §4.1.1.2.
Client reference contact	Donn Hand, Manager Commonwealth of Massachusetts Massachusetts State House, 24 Beacon Street, Boston, MA (603) 556-8366 donn.hand@mass.gov

Reference 2 — Florida Department of Transportation

Classification (Section 1)	Senior Web Application Analyst
Individual placed	Yogesh Mane
Job title as placed	Applications Architect (.NET Architect)
Client entity	Florida Department of Transportation
Work location	Tallahassee, Florida
Engagement start	August 28, 2024
Engagement end	February 27, 2026
Engagement duration	Eighteen months (completed)
Scope of engagement	Engaged as the .NET applications architect for FDOT, responsible for the architecture and design of database-driven enterprise web applications, technical direction to development staff, integration design across departmental systems, and design review against state technical standards. The role required translating business requirements into application architecture and communicating design decisions to both technical and non-technical stakeholders.
Related placements with this client	11 individuals placed with the Florida Department of Transportation since 2018, including a senior network engineer, a security analyst, applications development analysts, a configuration management analyst, a business analyst and senior technical support consultants.
Relevance to classification	Eighteen-month engagement as .NET applications architect for a state department of transportation, covering architecture, design and development of database-driven enterprise web applications as described at §4.1.1.1 through §4.1.1.6.
Client reference contact	Alan Busenbark, Contract and Procurement Manager Florida Department of Transportation 801 N Broadway Avenue, Bartow, FL 33830 (850) 414-4790 Alan.Busenbark@dot.state.fl.us Contract No. 80101507-23-STC-ITSA

Reference 3 — National Railroad Passenger Corporation (Amtrak)

Classification (Section 1)	Business Analyst
Individual placed	Darrell Westbrook
Job title as placed	Senior Business Analyst
Client entity	National Railroad Passenger Corporation (Amtrak)
Work location	Washington, D.C.
Engagement start	August 8, 2022
Engagement end	December 27, 2024
Engagement duration	Twenty-eight months (completed)
Scope of engagement	Served as senior business analyst supporting Amtrak enterprise systems. Responsibilities included eliciting and documenting business requirements from programme stakeholders, analysing and evaluating existing business systems and user needs, preparing functional specifications, identifying operational constraints and risks, participating in acceptance testing and documenting results, and adhering to established project standards throughout the systems development life cycle.

Related placements with this client	79 individuals placed with Amtrak since March 2021, of whom 24 are currently active, spanning SAP functional and technical roles, cybersecurity and security architecture, enterprise and application architecture, GIS development and analysis, business analysis, Java and web development, data modelling, quality assurance and PMO roles.
Relevance to classification	Twenty-eight-month senior business analyst engagement covering requirements elicitation, systems analysis and acceptance testing as described at §4.1.4.2 through §4.1.4.8.
Client reference contact	Robert Le, Principal Architect – Station Design & Delivery 1801 Market Street, Suite 1450, Philadelphia, PA 19103 267-966-8812 Robert.Le@Amtrak.com

Reference 4 — National Railroad Passenger Corporation (Amtrak)

Classification (Section 1)	Cloud Security Professional
Individual placed	Alberto Mounquengui
Job title as placed	Cyber Security Architect
Client entity	National Railroad Passenger Corporation (Amtrak)
Work location	Washington, D.C.
Engagement start	December 13, 2021
Engagement end	August 18, 2023
Engagement duration	Twenty months (completed)
Scope of engagement	Served as cyber security architect supporting Amtrak information security programmes. Responsibilities included security architecture design for enterprise systems, identity and access management design, definition and review of security controls, and advising programme teams on the integration of security requirements into system design and delivery.
Related placements with this client	Amtrak security roles supplied by the Vendor also include a Senior Cybersecurity Engineer (active since July 2023) and a Lead Cybersecurity Engineer, in addition to enterprise and application solution architects.
Relevance to classification	Twenty-month security architecture engagement covering information security architecture, identity and access management and security control design, as described at §4.1.8.1 and §4.1.8.2.
Client reference contact	Robert Le, Principal Architect – Station Design & Delivery 1801 Market Street, Suite 1450, Philadelphia, PA 19103 267-966-8812 Robert.Le@Amtrak.com

Reference 5 — West Virginia University

Classification (Section 1)	CRM Application Analyst
Individual placed	Suraiya Lakhani
Job title as placed	Salesforce Administrator / Developer, Senior
Client entity	West Virginia University
Work location	Morgantown, West Virginia
Engagement start	January 21, 2026
Engagement end	March 26, 2026
Engagement duration	Two months (completed)

Scope of engagement	Placed with West Virginia University as a senior CRM administrator and developer, responsible for CRM platform configuration, custom development and integration, security roles and user administration, data management, and support to university business units using the platform. The CRM platform supported was Salesforce; §2.4 of these Specifications defines CRM as Microsoft Dynamics CRM.
Related placements with this client	6 individuals placed with West Virginia University in 2026, comprising senior Salesforce administrator/developer roles, a Salesforce Marketing Cloud administrator/developer and Workday integration developers, all at the Morgantown campus.
Relevance to classification	Senior CRM platform administrator and developer placed with a West Virginia public institution, performing CRM configuration, customization, development and user administration. The CRM platform supported was Salesforce; §2.4 of these Specifications defines CRM as Microsoft Dynamics CRM.
Client reference contact	Sucharitha Bachanna, MSCS, MBA Director, Systems of Engagement - Product Management, Information Technology Services West Virginia University, Morgantown, West Virginia (304) 293-8618 Sucharitha.Bachanna@mail.wvu.edu

Reference 6 — Orange County Government, Florida

Classification (Section 1)	Cloud Network Engineer
Individual placed	Dorcas Rodriguez Wood
Job title as placed	Telecommunications Engineer / Architect
Client entity	Orange County Government, Florida
Work location	Orlando, Florida
Engagement start	May 12, 2025
Engagement end	Ongoing
Engagement duration	Sixteen months to date (ongoing)
Scope of engagement	Placed with Orange County Government as telecommunications engineer and architect, responsible for the design, configuration and support of county network and telecommunications infrastructure, including transport, voice and connectivity services across county facilities. Work is in enterprise telecommunications and network infrastructure rather than cloud-native networking as described at §4.1.10.2.
Related placements with this client	Cogent has provided IT staff augmentation services to Orange County's Information Systems and Services division, delivering qualified personnel for a range of critical IT roles including Senior Systems Administrators, Systems Analysts, Business Systems Analysts and Network Engineers, and supporting the County's IT infrastructure in areas such as network security, desktop support and help desk services. Contract period: 02/05/2025 to 06/07/2029.
Relevance to classification	Continuing engagement as telecommunications engineer and architect for a county government, covering network and telecommunications infrastructure design and support. Work is in enterprise telecommunications rather than cloud-native networking as described at §4.1.10.2.
Client reference contact	Travis Price, Unified Communications Manager Orange County, Florida 201 S Rosalind Avenue, Orlando, FL 32801 407-836-2853 Travis.Price@ocfl.net

Additional Supporting Past Performance

The following additional placements are offered as supplementary evidence of the Vendor's capability across further classifications listed in Section 1. They are provided in addition to, and not in substitution for, the six references above.
