3. QUALIFICATIONS

Vendor, or Vendor's staff if requirements are inherently limited to individuals rather than corporate entities, shall have the following minimum qualifications:

Rocket Science Recruitment LLC submits this Section 3 response with the evidence available to demonstrate its qualification and staffing capacity: length of time in business, a record of technical staffing engagements across multiple industries, and named client references who can verify the firm's performance directly.

The firm's experience is concentrated in technical and IT staffing, with engagements spanning cloud and enterprise technology, healthcare, and general commercial operations. Rocket Science Recruitment's model centers on matching Developers, Business Analysts, Project Managers, and broader operational roles to client requirements, supported by direct, founder-level account management.

3.1 Five Years in Business Providing Similar Information Technology Services

Vendors shall be in business a minimum of five (5) years, providing similar information technology services. Vendors must provide documentation to indicate that their company meets this requirement prior to award; however, bidders may include this documentation with their bid.

Rocket Science Recruitment LLC was incorporated in Florida on March 22, 2018 and has operated continuously since that date, exceeding the five-year minimum established by Section 3.1. Technical and IT staffing has been a core service of the firm throughout this period.

-------------------	-----------------------	--------------------------------------	--------------------------------

This operating history is directly responsive to Section 3.1: Rocket Science Recruitment has spent more than eight years delivering staffing services substantially similar to the temporary technical staffing services contemplated by this solicitation.

3.2 Staffing of At Least Six Individuals Within the Listed Classifications (Past Five Years)

Vendors shall be able to demonstrate their potential to provide these services by providing documentation to indicate they have provided staffing of at least six (6) individuals within the listed classifications within the past five (5) years: documentation should include enough information to indicate that the Vendor provided an employee meeting the requirements of a specifically named

Vendors must provide documentation to indicate that their company meets this requirement prior to award; however, bidder may include this documentation with their bid.

3.2.1 Reference Evidence

Rocket Science Recruitment's references below provide named client organizations and direct contact numbers for verification.
