Georgetown Benches

Backed by a **50-year guarantee against breakage** on the recycled plastic components for exceptional long-term performance.

Designed for both comfort and durability, this graceful, contoured bench is an excellent addition to parks, storefronts, courtyards, campuses, and other outdoor or indoor public spaces.

Features

- Ergonomic contoured seat provides exceptional comfort
- Attractive design complements a variety of landscapes and architectural styles
- Suitable for both indoor and outdoor use
- High-grade recycled plastic slats are maintenance-free and built to last
- UV- and moisture-resistant slats available in 10 color profiles: Black, Brown, Cedar, Desert Tan, Evergreen, Gray, White, **Driftwood-W**, **Teak-W**, and **Walnut-W**
- Heavy-duty cast aluminum frames with durable powder-coated finish in **Black** or **White**
- Portable design with pre-drilled 3/8" holes for optional surface mounting
- Stainless steel assembly hardware included
- Some assembly required (leave all screws loose until the bench is fully assembled)

Available Sizes

Size	Seat Dimensions	Overall Dimensions	Weight
4 ft.	42.5"L × 15.75"W × 17.25"H	48"L × 22"W × 30"H	71 lbs.
6 ft.	65"L × 15.75"W × 17.25"H	72"L × 22"W × 30"H	94 lbs.
8 ft.	87.5"L × 15.75"W × 17.25"H	96"L × 22"W × 30"H	126 lbs.

Note: The 6 ft. and 8 ft. models include multiple armrests to help define individual seating spaces.

Customization Options

- Custom engraved recycled plastic slats available
- Optional custom engraved bronze plaque available

PO Box 1868
Batavia, IL 60510
Phone: 800.338.2697

Georgetown Benches

Ergonomically designed with a **smoothly contoured seat and backrest** for enhanced comfort.

Constructed with **high-grade recycled plastic slats** that are maintenance-free, UV resistant, moisture resistant, and built to withstand the elements without cracking, splintering, or rotting.

Durable **cast aluminum frame** finished with a long-lasting black powder coat for superior corrosion resistance.

Includes **stainless steel assembly hardware**; some assembly required.

Available in **five attractive colors**: Brown, Cedar, Desert Tan, Evergreen, and Gray.

Offered in **three lengths**: 4 ft., 6 ft., and 8 ft.

Portable design with pre-drilled frame holes for optional surface mounting.

Cleaning and Maintenance

Cleaning

- Everyday stains or dirt can be cleaned with water and a stiff nylon brush or soft nylon scrubby. Use the minimum force required to remove the stain or debris, excess force can mar the surface texture.
- Grease and Oil stains can be removed with a citrus cleaner, alcohol, or mineral spirits. WD40® can be used as an alternative stain remover but will need to be wiped down with acetone and a non-dyed rag following application.
- Pressure washing is **not** recommended.
- The following products have successfully removed stains and marks; Goof Off®, Mr. Clean Magic Eraser®, GOJO® Orange pumice.
- **Do not use** MEK, turpentine or naphtha solvent.

Care and Maintenance

- Keep uncoated metals away from products. Rust stains are very difficult to remove especially on lighter colors.
- Tree sap and berries may permanently stain products. More frequent cleanings may be required if products are located under or near trees.
- Avoid contacting direct heat sources like lit cigarettes. Consistent heat exposure over 150-degrees Fahrenheit or more is not recommended.
- Paint will not adhere and it is not recommended.

Maintenance and Cleaning- Powder Coating

Cleaning

- Dust and dirt can be wiped away with a dry clean cloth.
- Everyday stains or dirt build up can be cleaned with mild soap and water and a soft nylon brush or soft cloth. Use the minimum force required to remove the stain or debris.
- A pressure washer can be used on low pressure settings but often is not necessary.
- Do not use chemical cleaners or solvents of any kind.

Care and Maintenance

- Regular inspection is recommended.
- Scratches or scrapes that are deeper than the topcoat should be scoured with medium grade sandpaper and covered with touch up paint.
- If desired, after cleaning and drying, an automotive grade wax can be applied and wiped away.

PO Box 1868
Batavia, IL 60510
Phone: 800.338.2697

Georgetown Benches

Warranty for Recycled Plastic Products

Warranty Period

The warranty period for the product begins on the date the product is delivered to the customer and is valid for the specified duration from that date. If a replacement part is provided, the warranty does not reset and remains in effect from the original delivery date. The replacement part is covered only for the remainder of the original warranty period and is subject to the same terms and conditions as the original product. Our products shall be free of defects in material and workmanship for the Warranty Period - in effect at the date of purchase.

Barco Products guarantees the materials and workmanship of its recycled plastic site furnishing products, including the Georgetown Bench Slats for 50 years, provided the products were assembled and installed as per the assembly instructions and are properly maintained. Powder coated aluminum frames have a 1-year limited warranty.

Replacement Product Policy

Under this warranty, if a full replacement product is deemed necessary, the customer is entitled to one (1) replacement product during the life of the warranty. Once a replacement product has been issued, no further replacements will be provided for the original product or the replacement product, regardless of the cause of failure, for the duration of the warranty period.

Warranty Claims Process

Any product verified to be defective within that product's warranty period, shall upon prompt notification by its Purchaser to our Customer Service department, be either replaced or repaired at Barco Products' sole discretion.

Merchandise cannot be returned without a return authorization number from a customer service representative, as well as a copy of the original invoice documenting the date of purchase.

Shipping

Replacement product will be shipped free of charge when the warranty is claimed within one year of the original receipt date. If the warranty claim is longer than 1 year, the customer will be responsible for shipping costs for the replacement product.

Exclusions

The warranty and, if applicable, extended warranties, expressly excludes and does not cover damage to any product, which is caused by the following:

- Improper handling
- Misuse
- Alteration
- Vandalism
- Incorrect installation
- Exposure to the elements, or by storm, hail, fire or flood.

All aforementioned occurrences will immediately void the warranty and, if applicable, extended warranties on the product.

Barco Products will not reimburse customers for any labor costs that may have been incurred for the assembly, disassembly, or installation of any product.

Color Disclaimer

Although every effort is made to represent a product's true color as accurately as possible, colors may appear differently in real life versus a print or digital representation of the same color swatch. There also may be subtle color differences among product dye lots.

If you have any questions concerning a product's warranty or the color disclaimer, please call our Customer Service department at 1-800-338-2697, between M-F 7AM-6PM CST.

Round Slatted Trash Receptacle with Flat lid
SKU: KTR2005, KTR2015, KTR2020, KTR2025, KTR2030

Round Slatted Trash Receptacle 32 Gallon with Flat Lid
SKU: KTR2020

Product Description

The Round Slatted Trash Receptacle is our most popular and economical recycled plastic waste receptacle, designed for long-lasting performance in parks, schools, commercial properties, streetscapes, and other outdoor or indoor environments. Constructed from maintenance-free recycled plastic, this receptacle provides exceptional durability without the need for painting or staining.

Features

- Available in 10-, 20-, 32-, 45-, and 55-gallon capacities
- Durable recycled plastic construction
- Attractive slatted design
- Maintenance-free—never requires painting or staining
- UV- and moisture-resistant
- Suitable for both indoor and outdoor applications
- Can also be used as a recycling receptacle
- Includes rigid HDPE plastic liner
- Includes flat HDPE lid
- Top-load models feature a 10" diameter waste opening
- Ships fully assembled and ready for use

Standard Components

- Recycled plastic slatted body
- Rigid HDPE plastic liner
- HDPE flat lid
- **Product Specifications**

Round Slatted Trash Receptacle with Flat lid
SKU: KTR2005, KTR2015, KTR2020, KTR2025, KTR2030

Cleaning and Maintenance

Cleaning

- Everyday stains or dirt can be cleaned with water and a stiff nylon brush or soft nylon scrubby. Use the minimum force required to remove the stain or debris, excess force can mar the surface texture.
- Grease and Oil stains can be removed with a citrus cleaner, alcohol, or mineral spirits. WD40® can be used as an alternative stain remover but will need to be wiped down with acetone and a non-dyed rag following application.
- Pressure washing is not recommended.
- The following products have successfully removed stains and marks; Goof Off®, Mr. Clean Magic Eraser®, GOJO® Orange pumice.
- Do not use MEK, turpentine or naphtha solvent.

Care and Maintenance

- Keep uncoated metals away from products. Rust stains are very difficult to remove especially on lighter colors.
- Tree sap and berries may permanently stain products. More frequent cleanings may be required if products are located under or near trees.
- Avoid contacting direct heat sources like lit cigarettes. Consistent heat exposure over 150-degrees Fahrenheit or more is not recommended.
- Paint will not adhere and it is not recommended.

Warranty for Recycled Plastic Products – Recycled Plastic Slat Design Round Receptacles

Warranty Period

The warranty period for the product begins on the date the product is delivered to the customer and is valid for the specified duration from that date. If a replacement part is provided, the warranty does not reset and remains in effect from the original delivery date. The replacement part is covered only for the remainder of the original warranty period and is subject to the same terms and conditions as the original product. Our products shall be free of defects in material and workmanship for the Warranty Period - in effect at the date of purchase.

Barco Products guarantees the materials and workmanship of its recycled plastic site furnishing products, including the Recycled Plastic Slat Design Round Receptacles and site furnishings for 50 years, provided the products were assembled and installed as per the assembly instructions and are properly maintained.

Replacement Product Policy

Under this warranty, if a full replacement product is deemed necessary, the customer is entitled to one (1) replacement product during the life of the warranty. Once a replacement product has been issued, no further replacements will be provided for the original product or the replacement product, regardless of the cause of failure, for the duration of the warranty period.

Warranty Claims Process

Any product verified to be defective within that product's warranty period, shall upon prompt notification by its Purchaser to our Customer Service department, be either replaced or repaired at Barco Products' sole discretion. Merchandise cannot be returned without a return authorization number from a customer service representative, as well as a copy of the original invoice documenting the date of purchase.

Shipping

Replacement product will be shipped free of charge when the warranty is claimed within one year of the original receipt date. If the warranty claim is longer than 1 year, the customer will be responsible for shipping costs for the replacement product.

Exclusions

The warranty and, if applicable, extended warranties, expressly excludes and does not cover damage to any product, which is caused by the following:

- Improper handling
- Misuse
- Alteration
- Vandalism
- Incorrect installation
- Exposure to the elements, or by storm, hail, fire or flood.

All aforementioned occurrences will immediately void the warranty and, if applicable, extended warranties on the product. Barco Products will not reimburse customers for any labor costs that may have been incurred for the assembly, disassembly, or installation of any product.

Color Disclaimer

Although every effort is made to represent a product's true color as accurately as possible, colors may appear differently in real life versus a print or digital representation of the same color swatch. There also may be subtle color differences among product dye lots.

If you have any questions concerning a product's warranty or the color disclaimer, please call our Customer Service department at 1-800-338-2697, between M-F 7AM-5PM CST.

Cleaning and Maintenance Recycled Plastics

Cleaning

- Everyday stains or dirt can be cleaned with water and a stiff nylon brush or soft nylon scrubby. Use the minimum force required to remove the stain or debris, excess force can mar the surface texture.
- Grease and Oil stains can be removed with a citrus cleaner, alcohol, or mineral spirits. WD40® can be used as an alternative stain remover but will need to be wiped down with acetone and a non-dyed rag following application.
- Pressure washing is **not** recommended.
- The following products have successfully removed stains and marks; Goof Off®, Mr. Clean Magic Eraser®, GOJO ® Orange pumice.
- **Do not use** MEK, turpentine or naphtha solvent.

Care and Maintenance

- Keep uncoated metals away from products. Rust stains are very difficult to remove especially on lighter colors.
- Tree sap and berries may permanently stain products. More frequent cleanings may be required if products are located under or near trees.
- Avoid contacting direct heat sources like lit cigarettes. Consistent heat exposure over 150-degrees Fahrenheit or more is not recommended.
- Paint will not adhere and it is not recommended.

Warranty for Recycled Plastic Products

Warranty Period

The warranty period for the product begins on the date the product is delivered to the customer and is valid for the specified duration from that date. If a replacement part is provided, the warranty does not reset and remains in effect from the original delivery date. The replacement part is covered only for the remainder of the original warranty period and is subject to the same terms and conditions as the original product. Our products shall be free of defects in material and workmanship for the Warranty Period - in effect at the date of purchase.

Barco Products guarantees the materials and workmanship of its recycled plastic site furnishing products, including the **Crestmont Deep Seating Loveseat** frame for **50 years**, provided the product is assembled, installed, and maintained in accordance with Barco Products' published assembly and maintenance instructions. Premium **Sunbrella®** cushion fabric is backed by a **5-year manufacturer's warranty**.

Replacement Product Policy

Under this warranty, if a full replacement product is deemed necessary, the customer is entitled to one (1) replacement product during the life of the warranty. Once a replacement product has been issued, no further replacements will be provided for the original product or the replacement product, regardless of the cause of failure, for the duration of the warranty period.

Warranty Claims Process

Any product verified to be defective within that product's warranty period, shall upon prompt notification by its Purchaser to our Customer Service department, be either replaced or repaired at Barco Products' sole discretion.

Merchandise cannot be returned without a return authorization number from a customer service representative, as well as a copy of the original invoice documenting the date of purchase.

Shipping

Replacement product will be shipped free of charge when the warranty is claimed within one year of the original receipt date. If the warranty claim is longer than 1 year, the customer will be responsible for shipping costs for the replacement product.

Exclusions

The warranty and, if applicable, extended warranties, expressly excludes and does not cover damage to any product, which is caused by the following:

- Improper handling
- Misuse
- Alteration
- Vandalism
- Incorrect installation
- Exposure to the elements, or by storm, hail, fire or flood.

All aforementioned occurrences will immediately void the warranty and, if applicable, extended warranties on the product.

Barco Products will not reimburse customers for any labor costs that may have been incurred for the assembly, disassembly, or installation of any product.

Color Disclaimer

Although every effort is made to represent a product's true color as accurately as possible, colors may appear differently in real life versus a print or digital representation of the same color swatch. There also may be subtle color differences among product dye lots.

If you have any questions concerning a product's warranty or the color disclaimer, please call our Customer Service department at 1-800-338-2697, between M-F 7AM-6PM CST.
