Re: CRFQ VNF2700000001 - Direct Care Staffing Services

Dear Ms. Riley:

Remarkable Staffing, LLC respectfully submits this response to provide direct care staffing services to the West Virginia Veterans Nursing Facility in Clarksburg. We understand that the State intends to award two open-end contracts and will issue individual requests for bids as staffing needs arise. We also understand that vendors must offer all three disciplines: RN, LPN, and HSW/CNA.

Since 2017, Remarkable Staffing has provided temporary, contract, and direct-hire healthcare staffing support to hospitals, behavioral health programs, public agencies, and other regulated care environments. Our proposed model combines a 24/7 live response process, a credential-controlled roster, local and regional recruiting focused on Clarksburg, assignment-specific backup coverage, and one accountable contract manager.

The mandatory shift-coverage and recruiting plans are included in Sections 5 and 6. The response also addresses staff qualifications, WVCARES readiness, discipline-specific duties, orientation and training, quality control, timekeeping, invoicing, and communication. The original State Exhibit A Pricing Pages and CRFQ line item are completed with Remarkable Staffing's bid rates and extended total. Addendum No. 1 is acknowledged and incorporated.

Sincerely,

Jordan Joseph
President
Remarkable Staffing, LLC

1. Executive Summary

The Facility needs a dependable source of licensed and certified caregivers who can cover variable demand, weekends, holidays, call-offs, vacations, and both PRN and defined-term assignments without sacrificing resident safety or documentation quality. Remarkable Staffing will operate the contract as a controlled staffing service rather than a resume-forwarding service.

OUR COMMITMENT. Acknowledge staffing requests promptly, deploy only fully cleared personnel, protect accepted shifts with backup coverage, maintain live 24/7 access, and provide transparent records for credentials, attendance, quality, time, and invoices.

Value	How Remarkable will deliver
Coverage	All three required disciplines; all shifts; weekday, weekend, holiday, PRN, and term needs.
Responsiveness	Live 24/7 intake with an internal 15-minute acknowledgement target and escalation no later than the contract's two-hour emergency-response requirement.
Readiness	No worker is scheduled before license/certification, WVCARES, drug screen, CPR, health, confidentiality, food-handler, training, and orientation requirements are verified.
Continuity	Primary, reserve, and rapid-recruiting tiers; real-time backup activation for call-offs and schedule risk.
Accountability	One contract manager owns request intake, staffing commitments, credential status, attendance, corrective action, reporting, and invoice reconciliation.

2. Company Qualifications and Relevant Experience

Remarkable Staffing, LLC is a Georgia limited liability company that has provided temporary and permanent staffing services since 2017. The company specializes in healthcare workforce solutions, including temporary hire, temporary-to-permanent hire, and direct hire. Its experience exceeds the solicitation's minimum requirement of 12 months operating a direct care staffing organization.

Company item	Response
Legal name	Remarkable Staffing, LLC
Headquarters	1201 Peachtree St NE #300, Atlanta, GA 30361
Established	2017
Primary contact	Jordan Joseph, President 404-337-3882 jjoseph@remarkablestaffing.com
Website	https://remarkablestaffing.com/
Core services	Temporary healthcare staffing, contract staffing, temporary-to-permanent placement, and direct hire.

2.1 Representative Healthcare Staffing Experience

Engagement	Period	Relevant experience
Northside Hospital	2018-present	Nurse recruiting and staffing under an indefinite-quantity healthcare relationship; recurring clinical talent needs across hospital departments.
Washington State DSHS Behavioral Health Administration	2021-2024	State-operated behavioral health staffing, including recruitment, credential coordination, and placement across regulated public facilities.
Eastern State Hospital	2021-2024	Travel healthcare staffing for an inpatient psychiatric environment requiring specialized experience, reliability, and strict facility compliance.

3. Understanding of the Requirement

The contract is an open-end, multiple-award vehicle. The Facility will send each staffing request to the lowest-priced awarded vendor first. If that vendor cannot meet the need, the Facility may proceed to the next awarded vendor. Each request will identify the needed discipline, dates, estimated hours, PRN or term status, pricing page, response deadline, and submission location. Remarkable Staffing will perform directly without subcontracting.

Discipline	Weekday hours	Weekend hours	Annual estimate	Average/week
Registered Nurse	1,950	750	2,700	51.9
Licensed Practical Nurse	5,500	2,250	7,750	149.0
HSW/CNA	6,250	2,500	8,750	168.3
Total	13,700	5,500	19,200	369.2

The combined estimate equals approximately 9.2 full-time equivalents at 40 hours per week. These hours are not guaranteed, may be divided between two vendors, and do not represent a minimum award to Remarkable Staffing. We will size the active and reserve roster to actual request patterns rather than assume an equal allocation.

4. Operating Model

Coverage tier	Purpose
Primary tier	Fully cleared personnel with verified role, schedule, shift, transportation, and facility-fit information ready for assignment.
Reserve tier	Credentialed or near-complete personnel prepared to cover weekends, holidays, call-offs, vacations, and term-assignment relief.
Rapid recruiting tier	Active local and regional candidates progressing through screening for projected or difficult-to-fill demand.

Recruiting, credentialing, scheduling, and contract management will work from one request and assignment record. That record will capture the request, candidate status, required evidence, Facility approval, schedule, arrival confirmation, time record, issue history, and invoice disposition.

5. Mandatory Shift Coverage Plan

This plan addresses weekends, holidays, call-offs, and vacations as required by Section 3.6.1. It also incorporates the two-hour fill, live call-off, scheduling, weekend-rotation, important-date, and emergency-contact requirements stated throughout Section 4 and Section 11.

5.1 Request Intake and Shift Confirmation

1. Log each request immediately, including discipline, PRN or term status, dates, shift, hours, unit, competencies, response deadline, and Facility contact.
2. Acknowledge receipt through the approved channel and identify any information needed to make a reliable commitment.
3. Contact the primary and reserve tiers in parallel; verify schedule, transportation, license/certification, physical capability, orientation status, and willingness to accept the complete assignment.
4. Present or confirm only personnel whose required documentation is complete and who have been approved by the Facility before arrival for orientation or service.
5. Provide the confirmed required number of staff no later than two hours before the shift or assignment period, unless the written request establishes an earlier deadline.
6. Reconfirm arrival instructions, supervisor, timekeeping, meal-pass expectations, call-off procedure, and backup contact before the shift.

5.2 Weekend, Holiday, Vacation, and Call-Off Controls

Coverage condition	Operational control
Weekends	Maintain shift-specific primary and reserve rosters. Schedule each assigned worker to meet the Facility rotation, including two full weekend shifts, one Friday day shift, and one Sunday night shift per month when directed.
Holidays	Plan a holiday rotation at onboarding and refresh it monthly. Protect the day before and day after paid holidays and comply with the Facility's paid-holiday rotation.
Important dates	Maintain a one-month advance rotation for Easter Sunday, Mother's Day, Father's Day, Christmas Eve, New Year's Eve, Halloween, Labor Day, and Black Friday, subject to the Facility schedule.
Vacations	Collect planned unavailability during onboarding and through rolling 30/60/90-day availability checks. Arrange reserve coverage before approving an absence that affects an accepted assignment.
Call-offs	Require the employee to speak live with both the Facility RN Supervisor and Remarkable at least two hours before the shift. Activate backup outreach immediately and provide status updates until filled or released by the Facility.

Coverage condition	Operational control
No-call/no-show	Escalate immediately, dispatch the best available qualified replacement, document the incident, and remove the employee from future Facility eligibility as required.

5.3 Additional Continuity Controls

- Follow the Facility's schedule and assignment instructions; workers will not change assignments without approval from the DON, ADON, or RN Supervisor.
- Do not schedule personnel who have lifting or hour restrictions inconsistent with the assignment.
- During a pandemic or other multi-facility emergency, prevent assigned personnel from rotating among multiple healthcare facilities during the same period when directed by the Facility.
- Schedule holiday and important-date rotations at least one month ahead, review high-risk gaps weekly, and activate reserve recruiting before a gap becomes a call-off emergency.
- Monitor PRN activity so each assigned worker completes at least three days every 30 days and remains eligible for PRN status.

6. Mandatory Recruiting Plan for Clarksburg, West Virginia

Remarkable Staffing will recruit in a concentric local and regional market centered on Clarksburg. The priority is a dependable commute, West Virginia credentials, long-term-care fit, willingness to rotate weekends and holidays, and completion of the Facility's onboarding requirements.

6.1 Geographic Strategy

Market tier	Recruiting focus
Primary market	Clarksburg, Bridgeport, and Harrison County; candidates already working or residing near the Facility.
Regional market	Fairmont, Morgantown, Weston, Buckhannon, and surrounding Marion, Monongalia, Lewis, Upshur, Taylor, Barbour, and Doddridge County communities.
Relocation / travel reserve	West Virginia-licensed clinicians within a practical commuting or short-term placement radius for defined-term and high-need assignments.

6.2 Candidate Sources

- Existing Remarkable healthcare candidates and alumni, segmented by West Virginia credential, discipline, shift preference, long-term-care experience, and commute radius.
- Employee and clinician referrals supported by targeted outreach to qualified RN, LPN, and CNA networks.

- West Virginia nursing and nurse aide registries, professional groups, job boards, and direct sourcing based on current credential and location.
- Local nursing, practical nursing, and CNA training programs for new graduates eligible for the Facility's extended-orientation pathway.
- Targeted digital advertising for weekday, weekend, night, PRN, holiday, and term assignments, with realistic job previews covering lifting, meal pass, documentation, and attendance rules.

6.3 Recruiting and Clearance Funnel

Stage	Control
1. Source	Identify candidates by discipline, WV credential, location, shift, weekend/holiday availability, and long-term-care experience.
2. Screen	Structured interview covering resident care, reliability, scope, documentation, communication, physical demands, and transportation.
3. Verify	Primary-source license/certification, references, CPR, education/experience, WVCARES, 12-panel drug screen, health records, confidentiality, and food-handler card.
4. Orient	Facility approval, orientation packet, PointClickCare, administration training, competency assessment, Alzheimer training, policies, call-off, timekeeping, and meal pass.
5. Schedule	Written shift acceptance, weekend/holiday rotation, supervisor and arrival instructions, and named backup coverage.
6. Retain	First-shift check-in, attendance monitoring, worker support, Facility feedback, recognition, and corrective action when needed.

7. Credentialing, Screening, and Training

Remarkable Staffing will maintain an audit-ready personnel file for each person presented. A missing, expired, adverse, or unverified requirement places the worker on hold. Personnel paperwork will be provided to the Facility and approved before orientation or assignment.

Credential gate	Evidence before scheduling
Identity and experience	Application or resume, references, identity, work authorization, education, employment history, and role-specific experience.
Professional authority	Current West Virginia RN or LPN license in good standing, or current WV CNA certification and Nurse Aide Registry standing.
Safety screening	WVCARES eligibility, 12-panel drug screen, and confirmation of no disqualifying or pending licensure investigation.
Clinical readiness	Current CPR, required physical/immunization records, PPD, Hepatitis B status, and ability to perform assignment duties without incompatible restrictions.
Facility readiness	Confidentiality agreement, current WV food-handler card, Facility approval, orientation packet, PointClickCare, administration training, competencies, and Facility policies.

Credential gate	Evidence before scheduling
Alzheimer training	Thirty hours of initial training and eight hours of annual recertification, with completion evidence tracked in the personnel file.

Orientation and training hours will be documented separately from service hours. Remarkable will follow Section 4.10 and Addendum No. 1, including the requirement that an employee work at least 24 hours within 10 days after orientation for the orientation hours to be payable.

8. Discipline-Specific Service Delivery

8.1 Registered Nurses

- Maintain a current West Virginia RN license in good standing, CPR, and food-handler card.
- Participate in interdisciplinary care planning; administer medications; document promptly in the electronic medical record; oversee medical emergencies; and support resident emotional and physical safety.

- Follow Facility policy, resident-safety expectations, scope-of-practice limits, documentation instructions, and mandatory overtime rules.

9. Contract Management, Communication, and Quality

The contract manager will be available during normal business hours and will own the full service record. A live emergency contact will support staffing issues outside normal business hours, including weekends and holidays.

Corrective action	Prompt containment and documented follow-through	Investigate, remove or restrict personnel if directed, identify root cause, assign action, verify closure, and report status.

10. Pricing and Billing Approach

The State's three Exhibit A Pricing Pages are the controlling price submission. Remarkable Staffing's weekday and weekend regular hourly rates for RN, LPN, and HSW/CNA are entered directly on those original pages, together with the calculated extensions. The completed CRFQ line item uses the combined estimated-volume total of \$903,200.00. No recreated pricing worksheet is included.

BID PRICING. RN: \$71.00 weekday / \$74.00 weekend. LPN: \$55.00 weekday / \$58.00 weekend. HSW/CNA: \$31.00 weekday / \$33.00 weekend. Evaluated total: \$903,200.00.

10.1 Included Cost and Premium Treatment

- Regular hourly rates will include recruiting, screening, credentialing, orientation administration, payroll, taxes, insurance, supervision, overhead, profit, mileage, travel time, and all other costs not expressly payable as separate charges. The rates remain fixed for the initial term and any exercised renewals, without adjustment.
- A \$1.00 per hour shift differential applies between 3:00 PM and 7:00 AM and is not increased for weekends, holidays, or important dates. Weekend classification follows Section 2.26: Saturday and Sunday for day shift, and Friday and Saturday for night shift.
- Overtime is paid after 40 hours in the Saturday-through-Friday workweek at 1.5 times the regular rate, subject to the final written solicitation terms.
- The six paid holidays identified in Section 4.30 are billed at two times the regular rate for up to eight hours. Other Important Dates are billed at 1.5 times the regular rate for up to eight hours. Invoices will be submitted weekly in arrears by staffing level, and only Facility-approved, signed time will be billed.
