Jo Ann,

I am sending this to notify you of changes in the contract equipment list. I have been trying to capture all of the changes from the original "equipment grid" that was enclosed as part of the original agreement, and change order 1 plus the one I sent last month. This should get all of the changes up to date. I discussed it with Carlos and for the time being we decided to look at it monthly and/or quarterly, depending on the number of changes in these timeframes.

Thanks,
