Dear Mr. Toomey:

Your business is important to us. We noticed that your purchase order ("PO"), CPHONE13B, under NASPO ValuePoint Master Service Agreement #1907 (the "Agreement") is expiring. NASPO ValuePoint has extended the Agreement contract terms through December 31, 2020 to allow time for execution of a new Participating Addendum.

There have been no changes to the Verizon Wireless Pricing Sheet for NASPO ValuePoint or NVLPT (f/k/a EASCA) Contract for Services #1907 (the "Pricing Sheet") since the last extension.

We respectfully ask the State to issue a change order to extend the validity of PO CPHONE13B through December 31, 2020. We look forward to continuing to support the State's present and future mobility needs. Should you have any questions or need further clarification on any aspect of this matter, please contact your Government Account Manager directly.

Yours sincerely,

Todd Loccisano
