An emergency purchase in the open market, approved by the Purchasing Division Director, shall not constitute a breach of this Contract and shall not entitle the Vendor to any form of compensation or damages. This provision does not excuse the State from fulfilling its obligations under a One Time Purchase contract.

7. REQUIRED DOCUMENTS: All of the items checked below must be provided to the Purchasing Division by the Vendor as specified below.

The entire amount of the bond shall be forfeited if the hearing officer determines that the protest was filed for frivolous or improper purpose, including but not limited to, the purpose of harassing, causing unnecessary delay, or needless expense for the Agency. All litigation bonds shall be made payable to the Purchasing Division. In lieu of a bond, the protester may submit a cashier's check or certified check payable to the Purchasing Division. This clause shall in no way be considered exclusive and shall not limit the State or Agency's right to pursue any other available remedy.

12. PRICING: The pricing set forth herein is firm for the life of the Contract, unless specified elsewhere within this Solicitation/Contract by the State. A Vendor's inclusion of price adjustment provisions in its bid, without an express authorization from the State in the Solicitation to do so, may result in bid disqualification.

14. PURCHASING CARD ACCEPTANCE: The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. Vendor is not required to accept the State of West Virginia's Purchasing Card as payment for all goods and services.

15. TAXES: The Vendor shall pay any applicable sales, use, personal property or any other taxes arising out of this Contract and the transactions contemplated thereby. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.

16. ADDITIONAL FEES: Vendor is not permitted to charge additional fees or assess additional charges that were not either expressly provided for in the solicitation published by the State of West Virginia or included in the unit price or lump sum bid amount that Vendor is required by the solicitation to provide. Including such fees or charges as notes to the solicitation may result in rejection of vendor's bid. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

17. FUNDING: This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available.

18. CANCELLATION: The Purchasing Division Director reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. 21. COMPLIANCE: Vendor shall comply with all applicable federal, state, and local laws, regulations and ordinances. By submitting a bid, Vendor acknowledges that it has reviewed, understands, and will comply with all applicable laws, regulations, and ordinances.

22. ARBITRATION: Any references made to arbitration contained in this Contract, Vendor's bid, or in any American Institute of Architects documents pertaining to this Contract are hereby deleted, void, and of no effect.

23. MODIFICATIONS: This writing is the parties' final expression of intent. Notwithstanding anything contained in this Contract to the contrary no modification of this Contract shall be binding without mutual written consent of the Agency, and the Vendor, with approval of the Purchasing Division and the Attorney General's office (Attorney General approval is as to form only). Any change to existing contracts that adds work or changes contract cost, and were not included in the original contract, must be approved by the Purchasing Division and the Attorney General's Office (as to form) prior to the implementation of the change or commencement of work affected by the change.

24. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

25. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.

26. ASSIGNMENT: Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency, the Purchasing Division, the Attorney General's office (as to form only), and any other government agency or office that may be required to approve such assignments. Notwithstanding the foregoing, Purchasing Division approval may or may not be required on certain agency delegated or exempt purchases.

27. WARRANTY: The Vendor expressly warrants that the goods and/or services covered by this Contract will: (a) conform to the specifications, drawings, samples, or other description furnished or specified by the Agency; (b) be merchantable and fit for the purpose intended; and (c) be free from defect in material and workmanship.

28. STATE EMPLOYEES: State employees are not permitted to utilize this Contract for personal use and the Vendor is prohibited from permitting or facilitating the same.

29. BANKRUPTCY: In the event the Vendor files for bankruptcy protection, the State of West Virginia may deem this Contract null and void, and terminate this Contract without notice.

30. PRIVACY, SECURITY, AND CONFIDENTIALITY: The Vendor agrees that it will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the Agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the Agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/default.html>.

31. YOUR SUBMISSION IS A PUBLIC DOCUMENT: Vendor's entire response to the Solicitation and the resulting Contract are public documents. As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia Code §§ 5A-3-1 et seq., 5-22-1 et seq., and 5G-1-1 et seq. and the Freedom of Information Act West Virginia Code §§ 29B-1-1 et seq.

DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.

Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled "confidential," "proprietary," "trade secret," "private," or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

32. LICENSING: In accordance with West Virginia Code of State Rules § 148-1-6.1.e, Vendor must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agency or political subdivision. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

33. ANTITRUST: In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

34. VENDOR CERTIFICATIONS: By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

35. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

36. INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

37. PURCHASING AFFIDAVIT: In accordance with West Virginia Code § 5A-3-10a, all Vendors are required to sign, notarize, and submit the Purchasing Affidavit stating that neither the Vendor nor a related party owe a debt to the State in excess of \$1,000. The affidavit must be submitted prior to award, but should be submitted with the Vendor's bid. A copy of the Purchasing Affidavit is included herewith.

38. ADDITIONAL AGENCY AND LOCAL GOVERNMENT USE: This Contract may be utilized by other agencies, spending units, and political subdivisions of the State of West Virginia; county, municipal, and other local government bodies; and school districts ("Other Government Entities"). Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.

39. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

40. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.requisitions@wv.gov.

41. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

Accessories: Vendor shall provide all accessories, other than those listed on the pricing pages, to Agency at manufacturer's invoice price. Addendum No. 3

Questions:

- Q1: Item 6: Response time - Is a phone call to the customer confirming details of issue and expectation for technician arrival within two hours considered as a two hour response?
- A1: Yes.
- Q2: Contract Award - what criteria is the State using to determine if a split award would occur? Would this be for all bands or individual bands?
- A2: It is the intent to award one contract to one vendor. However, if the State deems it necessary to split the award, the contracts will be awarded to the lowest vendor by band.
- Q3: Band Specs for Bands 2 & up – Would you please clarify that a staple finisher is required and that electronic sorting or an off-line electric stapler does not meet the requirements for the specs?
- A3: Yes, the sorter and finisher are required for Bands 2, 3, 4, 5, 6 and 7 for monochrome copiers and required for Band 3 and 4 on the color copiers.
- Q4: 3.1.13.17 – Removal of the HDD on leased systems. Would you consider allowing a format of the Dept of Defense standards? We can provide a security document to show the security of our HDD's. Otherwise this may cause an increase of cost to replace HDD's in returned equipment.
- A4: Specifications to remain as written.
- Q5: 6.1 – Delivery Time – Would you consider extending the delivery time to 30 to 60 days? Or since it looks like most of the systems are leased, could you require the agencies to process their orders at least 60 days before the equipment installation date required?
- A5: Specifications will remain as written.
- Q6: The specs require electronic sorter or finisher sorter. Almost all digital copiers will sort without a finisher. Please clarify if finishers and stapling are required.
- A6: The sorter and finisher are required for Bands 2, 3, 4, 5, 6 and 7 for monochrome copiers and required for Band 3 and 4 on the color copiers.

Q7: Band 2 Color shows no requirement at all for stapling. Please confirm stapling is not needed here.

A7: Not required for Band 2 – Color

Q8: Are stands required or optional for the machines?

A8: Optional

Q9: Do staples need to be included in the pricing?

A9: Section 3.1.13.2, subsection C. Monthly Copy Allowance, states Service and maintenance costs include the cost of all inspections, lubrications, cleaning, adjustments, parts, repairs, travel expenses, and supplies (excepting paper) that are necessary to maintain satisfactory performance of the copier. Once the copy limit is exceeded, Vendor may charge a per copy service and maintenance fee that must include the cost of all inspections, lubrications, cleaning, adjustments, parts, repairs, travel expenses, and supplies (excepting paper).

Color Copiers do not include a copy limit and Vendor may charge a per copy service and maintenance fee that must include the cost of all inspections, lubrications, cleaning, adjustments, parts, repairs, travel expenses, and supplies (excepting paper).

Q10: There is a preference for domestically sourced products listed in paragraphs 42 and 43. How will this be taken into consideration for award of the bid?

A10: Sections 42 and 43 are not applicable to this CRFQ.

Q11: Manuals-There is a requirement for manuals with each copier. Are electronic versions of the manuals permitted?

A11: Electronic manuals are permitted.

Q12: Will current placements stay through their current term or will they be removed upon award of this contract? If staying, will you provide a list of their expiration dates?

A12: Current placements will remain under the DIGCOP12 contract. Once the lease period expires, the state agency will be required to procure a new machine on the new statewide contract. See Section 7.7 in the specifications. The State does not have a listing of the current expiration dates.

Q13: Bid states (1) year initial term with (3) successive (1) renewals. Will final award include "Reasonable Time Extension" clause as found on page 4 of current contract?

A13: No. See Section 3 in the General Terms and Conditions.

Q14: Bid stipulates on P.34 that maintenance is optional on purchased copiers. If a copier is purchased with no maintenance agreement, a schedule for sustaining service is solely in the hands of the using agency. In this case, without a maintenance agreement---and preventive maintenance (PM's)---there is no provision for the vendor to provide proactive PM. A device could conceivably be in operation for an extended length of time without requiring service, and then a flurry of service calls to remedy what was certainly preventable had a maintenance agreement been in place. Does P.26 / paragraph H apply to those purchased copiers that elect not to enter into a recommended maintenance agreement?

A14: Section 3.1.13.2 (H) for machines with maintenance agreements – this section will apply to the machine for the life of the contract.

For machines without maintenance agreements, this section will apply for the first year of contract for any copier with the understanding that the machine adheres to the published copy volumes as provided by the vendor and/or manufacturer for that particular make/model copier.

Q15: With the short time frame between the questions and answers and the due date we respectfully ask the State to extend the due date for two weeks.

A15: The bid opening has been extended to January 10, 2017 at 1:30 pm.

Q16: Section 13 of the instructions to vendor's mentions a \$125.00 registration fee is this fee that is required to be paid prior to the bid submission is this required and can it be paid via credit card?

A16: The annual vendor registration fee is not required prior to bid submission. However, it is required prior to award of the contract. The annual vendor registration fee can be paid online through the Vendor Self Service portal available at wvoasis.gov.

Q17: General terms and conditions section 12 states that pricing is fixed for the term of the contract. The State is requesting price quotes for leasing. Does the awarded vendor have the ability to increase lease pricing (monthly payment) for new placements if the financial markets increase interest rates? Our purchase price for the equipment will remain fixed for the life of the contract.

A17: All pricing purchase price and leased price must remain the same for the life of the contract.

Q18: Specifications 3.1.13.2 C Monthly copy allowance. Can a vendor offer a plan that does not include monthly/quarterly allowance so that the State can benefit from only paying for copies that they actually use?

A18: No.

Q19: Specifications 3.1.13.17 Information security for leased machines. States that if the agency chooses not to keep the machine at the end of the term that the vendor is required to remove the hard drive and leave it with the agency. There is a cost associated to the awarded vendor to provide this service. Can this cost be added to our price list?

A19: The cost associated to remove the hard drive should be incorporated into the unit pricing.

Q20: Specifications 3.1.13.19. Leasing of machines. Will the State sign a lease agreement with a vendors wholly owned subsidiary and make payments to that wholly owned subsidiary?

A20: The State will only accept invoices from and make payments to the vendor awarded the contract. The State will not enter into a leasing agreement with a third party, or subsidiary.

Q21: Miscellaneous Reporting. Can the State provide a template and format for the annual and quarterly reporting described in section 7.3. Along with the required due dates of these reports. We generally provide these reports 45 days after the end of the quarter/fiscal year.

A21: The State does not have a template or format for reporting as described in the CRFQ. There is no set due date for the reports.

Q22: Section 3.1.13.3 Training. We offer on line training to our customers. Is this an acceptable form of training as opposed to providing it on site?

A22: The vendor may provide in-house at the agency location or online training to the customer.

Q23: Section 4.1 optional accessories. We are the manufacturer is it expected that we are to disclose our cost and profit for optional accessories?

A23: Subsection 4.1 under Accessories, does not require the vendor to disclose cost or profit for accessories. It states, Vendor shall provide all accessories, other than those listed on the pricing pages, to Agency at manufacturer's invoice price.

However, it continues, Prices for the listed copiers on the pricing pages should include the vendor's profit, shipping, setup cost and installation for all items.

Q24: Per our call, I'd like to get some clarity on what constitutes a resident vendor for the purposes of an RFP (i.e., is it an entity organized in West Virginia, qualified to do business in West Virginia, headquartered in West Virginia, etc.)? Further, if an entity is required to be organized in West Virginia for the purposes of an RFP, is there a certain time period that that entity must have been in existence in order to qualify as a resident vendor?

A24: See WV Code § 5A-3-37 – copy attached as Exhibit 1.

Q25: I was looking over the cost sheets for the DIGCOP17 bid. I not sure the calculations are correct on the purchase bands for the maintenance lines. For instance band 1 monochrome shows Monthly Maintenance Charge Per Copier (0-5000) = 3060 (estimated qty). Your formula for this cell is (=85*36) What is the 85? I'm assuming the 36 is # of months. And in each higher band this # is lower even though the copies included in each band increases.

A25: Pricing pages have been revised. See attachment labeled as Exhibit 2.

Q26: 10. LIQUIDATED DAMAGES: Vendor shall pay liquidated damages in the amount of for _____. This clause shall in no way be considered exclusive and shall not limit the State or Agency's right to pursue any other available remedy. What is the States intent for item 10, Liquidated Damages ?

A26: Not applicable to this CRFQ. If applicable, an amount would have been inserted in the section.

Q27: 18. CANCELLATION: The Purchasing Division Director reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. The Purchasing Division Director may also cancel any purchase or Contract upon 30 days written notice to the Vendor in accordance with West Virginia Code of State Rules § 148-1-6.i.e. Does the 30 days written notice cancellation clause apply to individual leases that have been delivered , installed and accepted?

A27: Yes, the agencies have the ability to cancel an order or lease by providing a 30-day cancellation notice to the vendor.

Q28: If it applies to individual leases, does it allow for a cure period or is it the intent of the State to use this as cancellation for convenience clause?

A28: See response A27 above.

Q29: If it is the intent of the State to use this as a cancellation for convenience clause, would the State consider cancellation fees? This would allow for much more favorable financing rates when leasing.

A29: See response A27 above.

Q30: **REPORTS:** Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below: Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.regquisitions@wv.gov.

Could the State please provide examples of previous reports required from previous vendors so we can better understand format requirements?

A30: Reports provided by the vendor for FY15 and FY16 are attached – See Exhibit 3.

Q31: It indicates that the Reports are not limited to those reports listed. Would the State consider restricting reports required to information the vendor has available?

A31: If more information is needed from the vendor, the Purchasing Division buyer will contact the vendor to discuss. Normal information requested is listed in the General Terms and Conditions.

Q32: **BACKGROUND CHECK:**

Would this be required for Service Technicians who are servicing the copiers?

A32: If the technician will be on the Capitol Complex grounds, a background check is required by law.

Q33: **PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:**

Does this item apply to this contract / solicitation? If it does, could the Director of Purchasing provide exceptions as all copiers are built outside of the USA.

A33: See response A10 above.

Q34: **PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:**

Does this item apply to this contract / solicitation ?

A34: See response A10 above.

Q35: Specifications

3.1.13.2 Service and Maintenance

Full Service Requirement: Vendor must have the ability to provide on-site service and maintenance for all Contract Items. Vendor must enter into a full service and maintenance contract for all Contract Items that are leased or if the Contract Items are Purchased and Agency elects to include maintenance in the purchase price. Vendor must provide a copy of any maintenance agreement for approval prior to award of this Contract. Vendors must provide an 800 telephone number for service support prior to Contract award.

This item references a copy of the maintenance agreement be provided for approval prior to award. Will this also apply for Purchase Agreements, Lease Agreements, and other types of agreements, where if we are the intended awardee, we supply all the agreements for approval?

A35: Yes, the agreements should be provided with bid submission, however, copies will be required prior to contract award.

Q36: Supplies - In many cases, the Staples are considered to be a consumable and are chargeable. Does the State require that Staples be included in the maintenance pricing at no charge?

A36: Section 3.1.13.2, subsection C. Monthly Copy Allowance, states Service and maintenance costs include the cost of all inspections, lubrications, cleaning, adjustments, parts, repairs, travel expenses, and supplies (excepting paper) that are necessary to maintain satisfactory performance of the copier. Once the copy limit is exceeded, Vendor may charge a per copy service and maintenance fee that must include the cost of all inspections, lubrications, cleaning, adjustments, parts, repairs, travel expenses, and supplies (excepting paper).

Color Copiers do not include a copy limit and Vendor may charge a per copy service and maintenance fee that must include the cost of all inspections, lubrications, cleaning, adjustments, parts, repairs, travel expenses, and supplies (excepting paper).

Q37: 3.1.13.10 Published Specifications: All copiers quoted must have published copy volumes per month and copies per minute. Vendors must provide published descriptive literature to illustrate compliance with the minimum, mandatory band specifications, which include copy volumes per month, copies/minute data, available memory, paper sources and paper capacity prior to award. Vendor shall highlight all standard features on within the literature provided for each copier bid.

We wish to validate that these specifications are not required with bid submission and are only required if the Vendor is the intended awardee.

A37: Published specifications as noted in Section 3.1.13.10 are not required with bid submission but are preferred to be included, however, this information is required prior to contract award.

Q38: 3.1.13.11 Parts Availability: Vendors must guarantee that all parts and service on all purchased units shall be available for a period of seven years from the date of purchase and for the term of the rental on all rental units. All parts SHALL be new.

"New" means manufactured in the current year and has not been used.

Parts are typically available for 7 years after last date of manufacture. However, while the parts are new, they are not normally manufactured in the current year. Can the State please remove the definition of New?

A38: Only pertaining to section 3.1.13.11, New will be redefined as not been used.

Q39: 3.1.13.17 Information Security: All stored information must be secured and rendered unreadable by Vendor whenever a copier is removed from service. Removal and rendering information unusable must be conducted in accordance with the policies and procedures of the Office of Technology or other entity that has authority over technology related matters for the Agency, specifically pursuant to NIST standards and provide a certificate of validation with all pertinent hard drive identification information such as the serial number. For purchased machines, the agency must dispose of the machine and hard drive per the policies of the WV State Agency for Surplus Property and the Office of Technology. For leased machines: At the end of the lease, if the agency does not choose to keep the machine, the vendor shall remove the machine's hard drive and leave it with the agency for disposition in accordance with procedures prescribed by the Office of Technology.

With new technology, the need to replace all hard drives is no longer necessary. The systems have sophisticated Data Overwrite Security System (DOSS) methods. Most State agencies who are not dealing with extremely sensitive documents, can utilize this function and render the hard drive unreadable which conforms with recommended methods for managing classified information. If the State was to change the requirement from removing the drive to wiping the drive prior to removal of the copier from the Agency, a considerable amount of money could be saved on each unit. The vendors could provide an option to remove the hard drive at a set cost if the Agency so desired. Would the State please change the requirement of all leased machines requiring hard drive removal.

A39: The specifications will remain as written.

Q40: G. Response Requirement: Vendors must respond to all requests for service within two (2) working hours of an Agency's request and be on site to complete the repair within eight (8) working hours of the request throughout

Does this completion of repair within 8 working hours apply to remote parts of the State.?

A40: Yes.

Q41: 3.1.13.15 Network Connection: All network connected units must include all cable, cards, etc. for connection to the Agency's network at no additional cost to the Agency. Vendor's equipment must be capable of connecting to an Ethernet/Fast-Ethernet network that has either Microsoft or Novell as the network operating system.

Could the State please provide a maximum distance that the vendor is required to provide cabling from the device?

A41: The distances will vary per agency location.

Q42: 3.1.13.19 Leasing of machines: If a third party leasing company is used, they will be held to the specifications of the contract. The State cannot permit payment to the leasing agency directly, the State can only pay the vendor who is awarded the contract. The State cannot sign lease documents if leased through another company meaning any other entity other than the awarded vendor.

When and where should the vendor present lease documentation for this bid that the Awarded Vendor would be requesting to be signed when a unit is leased?

A42: Copies of lease agreements, etc. should be submitted with the vendor's bid, however, this information will be required prior to contract award.

Q43: 5.1 Authorizing Documentation: Vendor is prohibited from filling orders without the proper documentation attached to the WV-39, Contract Release Order. The State Auditor will not authorize payment for any applicable purchase orders/invoices that do not have the proper authorization documentation. Any copier to be networked requires prior approval by the Office of Technology.

Can the State please identify what proper authorization documentation is required to be attached to the WV-39? Is the only authorization documentation network connection approval from Office of Technology?

A43: To delete Section 5. 1 in its entirety and replace with the following language –

5.1 Authorizing Documentation: Vendor is prohibited from filling orders without a fully executed WV39 or Agency Delivery Order (ADO). For agency purposes only, any copier to be networked requires prior approval by the Office of Technology. This documentation is for internal purposes only.

Q44: 6.5 Return of Unacceptable Items: If the Agency deems the Contract Items to be unacceptable, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. If the original packaging cannot be utilized for the return, Vendor will supply the Agency with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the purchase price, at the Agency's discretion.

What would make product unacceptable and how long does the right to return last?

A44: Patent Defect – the right to return 10 business days after installation and testing; and

Latent Defect – the right to return 10 business days after discovery and confirmation that there is a defect.

Q45: 7.3 Reports: Vendor shall provide quarterly reports and annual summaries to the Agency showing the Agency's items purchased, quantities of items purchased, and total dollar value of the items purchased. Vendor shall also provide reports, upon request, showing the items purchased during the term of this Contract, the quantity purchased for each of those items, and the total value of purchases for each of those items. Failure to supply such reports may be grounds for cancellation of this Contract.

Are the quarterly reports and annual summaries the same reports identified in Item 40 Reports or these additional reports?

A45: Yes, they are the same report.

Q46: If these are additional reports, is it the expectation that reports will be provided to all Agencies that have acquired equipment from the vendor and continue until the equipment is removed from service? Or is the term Agency referring to State Purchasing?

A46: Agency is the WV Purchasing Division.

Q47: Will the State please provide last years quarterly reports and annual summaries received from the current vendor?

A47: Reports provided by the vendor for FY15 and FY16 are attached – See Exhibit 3.

Q48: Pricing Sheet - The current formula in purchasing Bands 1 thru 7 B&W, indicate to provide a monthly maintenance price to include up to 5,000 copies.. The estimated monthly quantities that the price is to be multiplied by appear to be excessive. Example. In Purchasing B&W Band 1, the estimated Monthly quantity is 3.060. If the unit of measure is months, 3060 would equate to 255 years of maintenance. This heavily burdens the Total Cost of Ownership towards maintenance pricing that is unrealistic.. Could you please define the calculation of how you arrived at the estimated quantities? We would request that these Monthly quantity numbers be more representative of actual usage to the estimated quantity of copier units identified.

A48: See revised pricing pages – Exhibit 2.

Q49: The Purchase Color Bands 1 thru 4 and Leasing Bands 1 thru 7 all call for Cost per copy, which provides the cheapest method for the State to pay since you only are charged for usage.

The copier base machine does not require stapling included it is an options for agencies to choose. So do you want to have staple cost as a line item separate?

It can be included in the maintenance cost but then agencies that do not need stapling will paying for The feature they are not using. Please clarify for us.

A49: See response A36 above.

Q50: Can you provide a complete listing of all copiers (with model #'s) placed throughout the State?

A50: Reports provided by the vendor for FY15 and FY16 are attached- See Exhibit 3.

Q51: Can you provide the average monthly volume of each unit currently in place?

A51: Reports provided by the vendor for FY15 and FY16 are attached – See Exhibit 3.

Q52: Will all questions and answers be published to all? When will you publish the answers?

A52: Responses to all vendor questions will be published by addendum and available on the WV Purchasing Bulletin on the wvOASIS system.

Q53: Can you provide an extension of a minimum of 1 week for the due date? There was a Holiday since the solicitation was published and there were many people on vacation Thanksgiving week.

A53: The bid opening has been moved to January 10, 2017.

- Q54: 3.1.13.2 H States there may be instances where the failure rate of a particular unit is deemed to be replaced or cancelled. Can you further explain the criteria for replacement/cancellation?
- A54: The criteria is provided in the first sentence of the specification.
- Q55: 3.1.13.2 C States that Service is to include everything except paper. Are staples to be included?
- A55: See response A36 above.
- Q56: Does band 2 Color require a finisher? 3.1.9.1 does not state it.
- A56: No.
- Q57: Section 3.1.13.17 – for leased machines, if the agency does not choose to keep the equipment; will the agency be responsible for the removal and replacement of the hard drive.
- A57: As stated in the specification “the vendor shall remove the machine’s hard drive and leave it with the agency for disposition in accordance with procedures prescribed by the Office of Technology.”
- Q58: Leasing vs Rental: Sections 3.1.13.19, 4.2.15 and 4.2.16 use the term “Lease” Section 7.7 refers to both “Rentals” and “Leases”. Are you using these terms to mean the same thing? Are there and specific terms and conditions for these Lease/Rentals?
- A58: Yes, lease and rental mean the same thing. All relevant terms and conditions are contained the CRFQ.
- Q59: Pricing pages Band 1 Monochrome Purchase: The evaluation for the Band 1 mono assumes that 10 units are purchased with 10 of each related accessory. The monthly maintenance calculation is “85*36”=3060 which appears to be maintenance for 85 units over 3 years. This seems unusual to evaluate on maintenance for 85 units and the purchase of only 10 units. This is repeated on other bands.
- A59: See revised pricing page – Exhibit 2.
- Q60: Pricing pages Band 1 Monochrome Purchase: The evaluation for band 1 mono assumes 500 excess copies each month for 36 months. However the # of machines being acquired is 10. Is this accurate? Other categories have different # of machines being purchased but the same excess copy calculation.
- A60: Estimations for bid evaluation purposes only.

Q61: Pricing pages Band 1 Color Purchase: The evaluation for band 1 color assumes 5 purchased units. The service evaluation assumes 2000 copies x 36 months (Color) and 4000 copies x 36 months (Mono). It appears that this represents the copy charges for only 1 unit over 36 months. Do you intend to evaluate on the purchase of 5 units but only the service of 1 units? Other bands have the same issue.

A61: Estimations for bid evaluation purposes only.

Q62: Pricing pages Leasing: The evaluation for all Mono Leases uses 500 copies even though there are different # of units being acquired in each band. This seems odd. Is this intentional?

A62: Estimations for bid evaluation purposes only.

Q63: Pricing Pages Leasing: The evaluation for all Color Leases use 2000 color and 4000 mono for all bands. This appears to evaluate for only 1 month of copies for 1 machine when the # units being evaluated is significantly different (example: band 3 36 month evaluates 40 units) Is this intentional?

A63: Estimations for bid evaluation purposes only.

Q64: In Section 3.1.13.17, you state that the removal and rendering of information unusable must be in accordance with the Office of Technology or other entities policies and procedures, what are some of the other acceptable entities?

A64: The disposition must be in accordance with the Office of Technology.

Q65: If our machines have standard security that will erase all images, address book entries, documents, files and faxes on demand at the end of term, would that be acceptable under section 3.1.13.17?

A65: Methods must comply with the policies of the Office of Technology as stated in Section 3.1.13.17.

Q66: Per section 3.1.13.17 stating "specifically pursuant to NIST standards", could the specific NIST standard be provided to ensure compliance? In addition, if an MFP product meets the specified NIST standard, but is not/has not yet been validated, is a manufacturers statement an acceptable alternative?

A66: The National Institute of Standards and Technology, NIST, standards for media sanitization:

<http://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-88r1.pdf>

A manufacturer's statement is acceptable as long as the media sanitization method and statement meets all standards defined by the Office of Technology, or Agency authority, as-well-as NIST standards.

Q67: Industry data show that less than 3% of all output is A3 and requires 11 x 17 capabilities. This is validated by both worldwide analysts and manufacturers. Cost differentials can be as much as half simply by changing this requirement. By allowing the right sizing of equipment to give the end user the same functionality and speed with added capabilities in a smaller footprint, can dramatically reduce your overall cost. Would the State consider removing the 11 x 17 requirement on Band 3? Band 4? Band 5? Band 6? And/or Band 7?

A67: No, the 11 x 17 paper size requirement will remain in the specifications for the copier bands noted in the specifications.

Q68: The document states the term contract is for 1 year which may be renewed for up to 3 (1) year periods. Do you intend to use the 24 month pricing if an agency chooses to lease for 1 year only?

A68: The lease terms are 24, 36 or 48 months.

Q69: We'd like to verify Lexmark's registration status. Whom do we need to work in West Virginia Purchasing Division? We like to confirm if our \$125 fee has been paid and that we are in fact properly registered.

A69: You may check your registration status in VSS (Vendor Self Service) Portal in wvOASIS or contact our Vendor Registration office by contacting our Vendor Registration office at 304-558-2311.

§5A-3-37. Preference for resident vendors; preference for vendors employing state residents; preference for veteran residents; exceptions.

(a) Effective beginning July 1, 1992, in any instance that a purchase of commodities or printing by the director or by a state department is required under the provisions of this article to be made upon competitive bids, the successful bid shall be determined as provided in this section. The Secretary of the Department of Revenue shall promulgate any rules necessary to: (i) Determine that vendors have met the residence requirements described in this section; (ii) establish the procedure for vendors to certify the residency requirements at the time of submitting their bids; (iii) establish a procedure to audit bids which make a claim for preference permitted by this section and to reject noncomplying bids; and (iv) otherwise accomplish the objectives of this section. In prescribing the rules, the secretary shall use a strict construction of the residence requirements set forth in this section. For purposes of this section, a successful bid shall be determined and accepted as follows:

(1) From an individual resident vendor who has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted or from a partnership, association, corporation resident vendor, or from a corporation nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for four years immediately preceding the date on which the bid is submitted, if the vendor's bid does not exceed the lowest qualified bid from a nonresident vendor by more than two and one-half percent of the latter bid, and if the vendor has made written claim for the preference at the time the bid was submitted: *Provided*, That for purposes of this subdivision, any partnership, association or corporation resident vendor of this state, which does not meet the requirements of this subdivision solely because of the continuous four-year residence requirement, shall be considered to meet the requirement if at least eighty percent of the ownership interest of the resident vendor is held by another individual, partnership, association or corporation resident vendor who otherwise meets the requirements of this subdivision, including the continuous four-year residency requirement: *Provided, however*, That the Secretary of the Department of Revenue shall promulgate rules relating to attribution of ownership among several resident vendors for purposes of determining the eighty percent ownership requirement; or

(2) From a resident vendor, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years, and the vendor's bid does not exceed the lowest qualified bid from a nonresident vendor by more than two and one-half percent of the latter bid, and if the vendor has certified the residency requirements of this subdivision and made written claim for the preference, at the time the bid was submitted; or

(3) From a nonresident vendor, which employs a minimum of one hundred state residents or a nonresident vendor which has an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia and which employs a minimum of one hundred state residents, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees or the vendor's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid does not exceed the lowest qualified bid from a nonresident vendor by more than two and one-half percent of the latter bid, and if the vendor has certified the residency requirements of this subdivision and made written claim for the preference, at the time the bid was submitted; or

(4) From a vendor who meets either the requirements of both subdivisions (1) and (2) of this subsection or subdivisions (1) and (3) of this subsection, if the bid does not exceed the lowest qualified bid from a nonresident vendor by more than five percent of the latter bid, and if the vendor has certified the residency requirements above and made written claim for the preference at the time the bid was submitted; or

(5) From an individual resident vendor who is a veteran of the United States Armed Forces, the Reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted, if the vendor's bid does not exceed the lowest qualified bid from a nonresident vendor by more than three and one-half percent of the latter bid, and if the vendor has made written claim for the preference at the time the bid was submitted; or

(6) From a resident vendor who is a veteran of the United States Armed Forces, the Reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid does not exceed the lowest qualified bid from a nonresident vendor by more than three and one-half percent of the latter bid, and if the vendor has certified the residency requirements of this subdivision and made written claim for the

preference, at the time the bid was submitted; or

(7) Notwithstanding any provisions of subdivisions (1), (2), (3), (4), (5) or (6) of this subsection to the contrary, if any nonresident vendor that is bidding on the purchase of commodities or printing by the director or by a state department is also certified as a small, women or minority-owned business pursuant to section fifty-nine of this article, the nonresident vendor shall be provided the same preference made available to any resident vendor under the provisions of this subsection.

(b) If the Secretary of the Department of Revenue determines under any audit procedure that a vendor who received a preference under this section fails to continue to meet the requirements for the preference at any time during the term of the project for which the preference was received the secretary may: (1) Reject the vendor's bid; or (2) assess a penalty against the vendor of not more than five percent of the vendor's bid on the project.

(c) Political subdivisions of the state including county boards of education may grant the same preferences to any vendor of this state who has made a written claim for the preference at the time a bid is submitted, but for the purposes of this subsection, in determining the lowest bid, any political subdivision shall exclude from the bid the amount of business occupation taxes which must be paid by a resident vendor to any municipality within the county comprising or located within the political subdivision as a result of being awarded the contract which is the object of the bid; in the case of a bid received by a municipality, the municipality shall exclude only the business and occupation taxes as will be paid to the municipality: *Provided*, That prior to soliciting any competitive bids, any political subdivision may, by majority vote of all its members in a public meeting where all the votes are recorded, elect not to exclude from the bid the amount of business and occupation taxes as provided in this subsection.

(d) If any of the requirements or provisions set forth in this section jeopardize the receipt of federal funds, then the requirement or provisions are void and of no force and effect for that specific project.

(e) If any provision or clause of this section or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(f) This section may be cited as the "Jobs for West Virginians Act of 1990."
