ESRI²⁴ Geographic Information System Software, Data, Web Services, Documentation, Services and Hardware

Ordering Instructions (per 00327389.0 Article 7)

1. **Licensee Purchase Orders.** Licensee shall issue purchase orders to ESRI for products, services or hardware based on the pricing specified in this Agreement. Licensee should confirm hardware pricing and model availability with ESRI prior to placement of a purchase order. The terms and conditions of this Agreement shall govern all orders issued by Licensee. Any additional or different terms included with an order are void and of no legal effect even if ESRI processes the order without taking exception to such additional or different terms.
2. **Purchase Order Requirements.** The following information shall be included in each purchase order:
 - a. Name or identification of Licensee, place of delivery, and the end-user's name and contact information.
 - b. Purchase order number (Delivery Order).
 - c. Primary site for maintenance if primary maintenance is *not* ordered.
 - d. Quantity, description, and unit price.
 - e. On the face of the purchase order, print the following statement: "Subject to Agreement No. 00327389.0 (Includes Master Agreement No. 00327390.0)."
 - f. Complete the Exhibit_A Risk Assessment Memo.
3. **Additional Quotes.** Licensee may request a quote for any new or unlisted products, services, or hardware and issue a purchase order under this Agreement.
4. **Authorized Entity.** An Authorized Entity may order or acquire products, product-related services, professional services, third-party hardware, or maintenance subject to the terms and conditions of this Agreement. Authorized Entities will be required to incorporate by reference the terms of this Agreement into any purchase order or other related ordering document. ESRI shall not fill any purchase orders that do not adequately provide the information identified in Section 2.
