Dear Betty:

This is to confirm our conversation relating to Class 33A of MV05 that I understand was awarded to another vendor and has been withdrawn.

I would accept the award if it were offered to me and I would be able to honor the prices quoted.

Also, I have enclosed information from Ford Motor Company relating to the final order submission dates for vehicles ordered as 2005 model years and their price protection of 2006 model vehicles ordered in lieu of 2005 models for the Econoline vans (classes 22, 25, 26, and 27) and the Super Duty trucks (classes 20, 33, and 33a).

Please call if you have any questions.

Sincerely,

Richard Stephens

To: Ford Dealers – Government Fleet Managers

Subject: 2006 MY Vehicles For 2005 MY Contracts

2006 MODEL YEAR VEHICLES AVAILABLE TO FULFILL 2005 MODEL YEAR CONTRACTS

- Early order cutoff dates (see below) have been announced for the following **2005MY** vehicles.
 - Econoline – **February 11, 2005**
 - Escape (Gas and Hybrid), Expedition and F Super Duty – **March 11, 2005**
 - Taurus – **March 18, 2005**
- Government Sales will be price protected through the Rollover Process (see below) for the **2005MY** vehicles by establishing revised **2006MY** GPC's for bids in FCM.
- The order cutoff date for the **2006 MY** vehicles noted from these 2005 contracts is **June 1, 2005**.

ACTION REQUESTED

- Assure your customers that Ford Motor Company will continue to accept orders through our 2005 MY vehicle early cutoff schedule, and continue to fulfill '05 contracts with '06 vehicles.
- Once 2006 Model Year pricing for the noted vehicles is released in CONCEPS, fax (313-337-8037) a copy of the following items, and include your **Fleet Concession Management bid number** on the fax cover sheet.
 - 2005 Model Year invoice
 - 2006 Model Year vehicle PRICE Confirmation in CONCEPS comparably equipped to the '05MY invoice
- Submit your request for the revised GPC in **Fleet Concession Management**, noting in the dealer comment section: **2006MY Vehicles for 2005 MY contracts**.
- Government Sales will then provide you with an increased GPC (and issue piggyback GPC for state contracts) to offset any pricing actions on the 2006MY vehicles.

2005 MY BIDDING

- We request that you bid on last 2005 contracts no later than five days prior to order cutoff dates.
- You are reminded that orders must be placed prior to the order cutoff date to receive carryover price protection.

CUSTOMER MAILING

- A similar letter will also be sent to our 30,000 State & Local Government Sales customers advising them of the program cutoff dates.

IF YOU HAVE ANY QUESTIONS, PLEASE CALL FORD'S FLEET CUSTOMER INFORMATION CENTER (FCIC) AT 1-800-34-FLEET - MENU PICK #2

*Mid-year change over required early cutoff.

**Fleet production begins in August 2005.

To ensure consideration for production, orders must be placed in the DaimlerChrysler Order System by the above mentioned dates. Actual production, however, is subject to available fleet allocation and orders received after the cutoff dates may be processed depending on production availability. We recommend that you take the necessary actions to advise your Fleet customers of these dates.

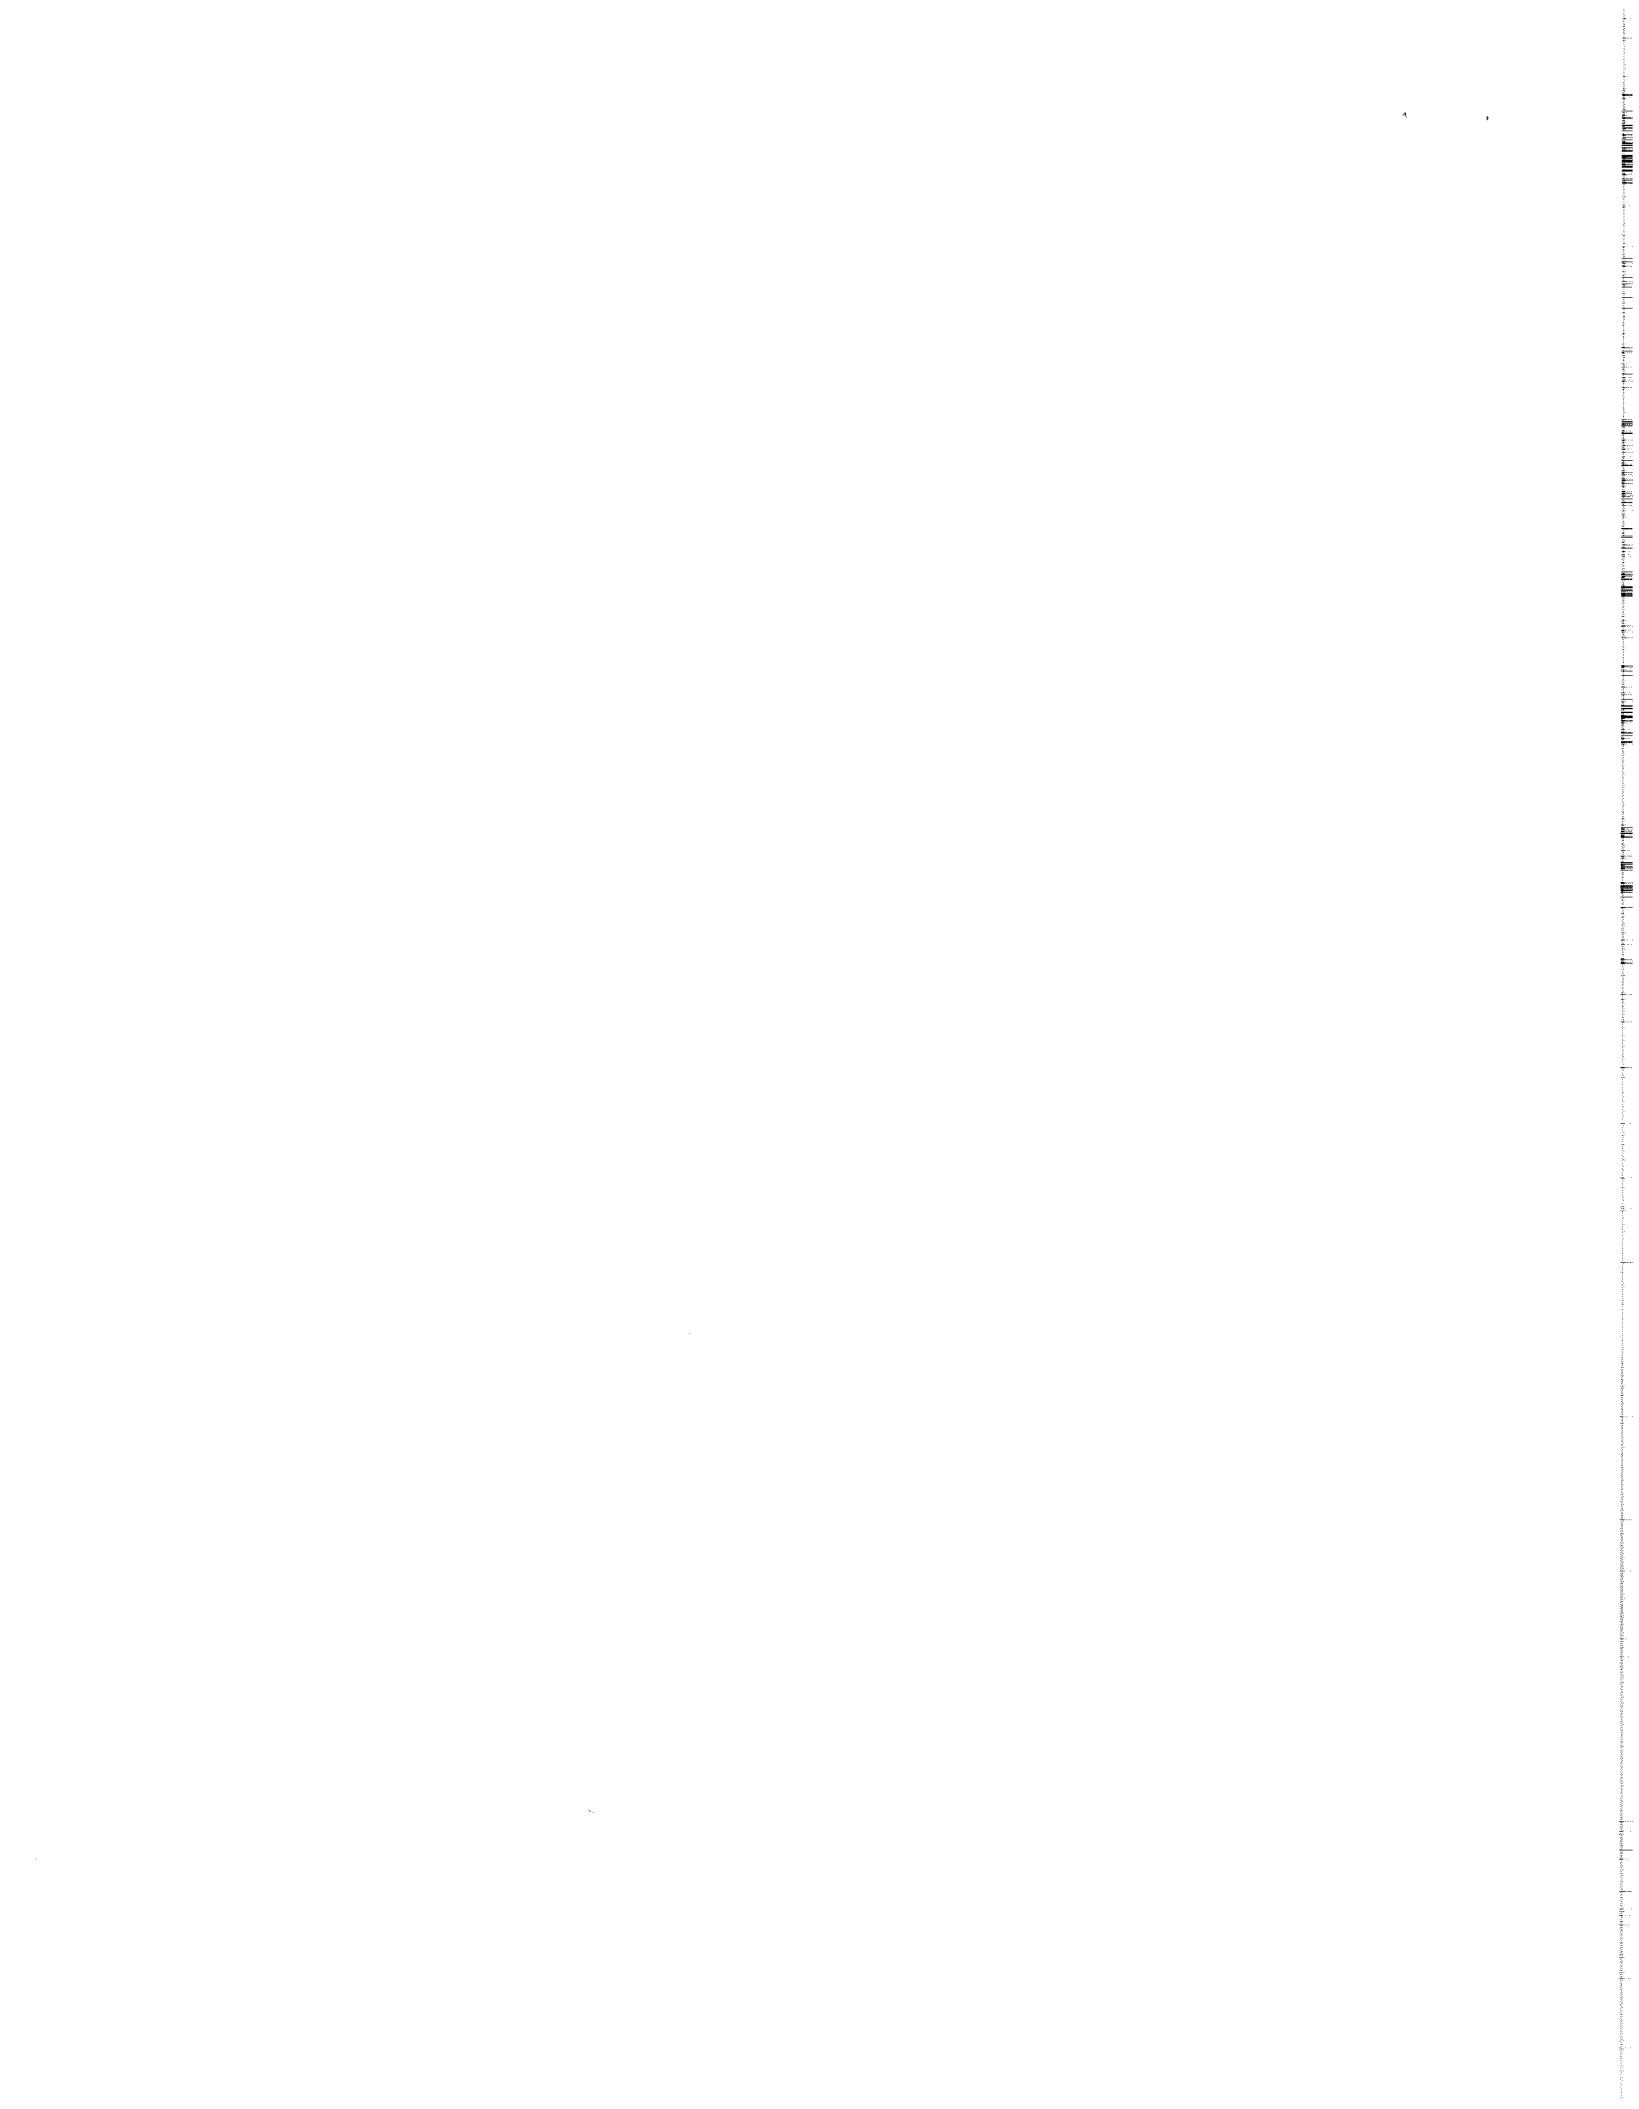

Thank you in advance for your continuing support and business.

Very truly yours,
