Jo Ann,

Regarding Class 18 of statewide contract MV10, the option for an extended cab was inadvertently left blank when the bid was originally submitted. The price for this option should be listed as \$2,352. The price of the package containing keyless entry, power windows and power door locks is \$826 when the extended cab option is requested.

Although not originally requested on the bid, The crew cab option is very popular and could be added to the contract for \$6,175 if you wish. Keyless entry, power windows and door locks are standard equipment when the crew cab is option is requested. All of these options are priced at the dealer invoice cost.

Thank you and please let me know if you have any questions.

Sincerely,

Richard Stephens
General Manager
