<p>Additional Handling Surcharge — Non-stackable</p> <p>A surcharge applies to any freight handling unit of a freight shipment that is non-stackable. Non-stackable means the freight handling unit cannot be stacked vertically in a safe and secure manner. Examples include, but are not limited to, non-stackable freight handling units that: 1) do not have a flat and stable top or base; 2) may be damaged if another piece is loaded on them; or 3) have flat and stable loading surfaces but are too narrow to safely and securely support other freight handling units (e.g., 1–2 barrels or drums). For U.S. express freight services, this surcharge applies on a per-freight-handling-unit basis even if multiple pieces of freight are bundled in a shipment.</p> <p>For more information on preparing and palletizing freight, access our comprehensive Packaging Guidelines for Shipping Freight brochure online at fedex.com/packaging.</p>	<p>U.S. Express Freight Services</p> <p>FedEx International Priority Freight, FedEx International Economy Freight</p>	<p>\$230 per freight handling unit</p> <p>\$230 per shipment</p>
<p>Address Correction</p> <p>Express. If the shipper provides an incomplete or incorrect recipient address, we may attempt to find the correct address and complete delivery. We may use the address included in the shipper's electronic shipment information to determine whether an address correction is necessary. We will assess a shipping fee. Address correction is also required if the recipient phone number is omitted for a Rural Delivery (RD) address or a Star Route Assignment (SRA) address in Alaska. If we are unable to complete delivery, we are not liable for failing to meet our delivery commitment.</p> <p>Within the U.S., we also will assess this fee if the address is a P.O. box number or P.O. box ZIP code. For international shipments destined to a P.O. box address, we may assess the fee if a valid telephone, fax or telex number is not provided for the recipient.</p> <p>For FedEx International Broker SelectSM, the address correction fee will apply if the broker's address is incomplete or incorrect on the air waybill or other shipping documentation. If we cannot determine the correct address or cannot reach the broker, we may attempt to contact the sender for address clarification or instructions to return the shipment. The clearance entry fee is subject to all applicable Canadian taxes. For U.S. express freight shipments, each shipper- or recipient-arranged reattempt will be subject to a delivery reattempt charge in addition to all other applicable charges. <p>Dimensional Weight</p> <p>Dimensional weight is calculated by multiplying the length by width by height of each package in inches and dividing the total by 139. When dimensional weight applies per shipment, calculate the volume of each piece or freight handling unit in the shipment (multiply the length by width by height), then add those volumes together and divide the total by 139. If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. If the chargeable weight of a FedEx Ground package exceeds 150 lbs., a prorated per-pound rate will be used. Package shape and dimensions may change during transit, which can affect the package's dimensional weight and surcharge eligibility. If the dimensions change during transit, FedEx may make appropriate adjustments to the shipment charges at any time.</p> <p>Dimensions of one-half inch or greater are rounded up to the next whole number; dimensions less than one-half inch are rounded down. The final calculation is rounded up to the next whole pound.</p> <p>FedEx Express applies dimensional weight to all shipments in customer packaging and may apply it to shipments in FedEx packaging. Dimensional weight applies on a per-package or per-shipment basis for U.S. shipments, and per-shipment for international and U.S.-to-Puerto Rico shipments. Dimensional weight is applicable on a per-freight-handling-unit basis for U.S. express freight shipments and a per-shipment basis for FedEx International Priority Freight and FedEx International Economy Freight shipments. See fedex.com/us/terms/other-services for FedEx International Premium dimensional weight information.</p> <p>FedEx Ground and FedEx Home Delivery apply dimensional weight to all shipments on a per-package basis.</p>	Express Services, Ground Services	If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. See the definition at left for details.
<p>Duties and Taxes</p> <p>Duties and taxes, including goods and services tax (GST) and value-added tax (VAT), may be assessed on the contents of the shipment. Any such charges will be billed to the recipient, unless you instruct us otherwise. In the event we disburse duties and taxes on any given shipment to a customs agency, the payer will be assessed an ancillary clearance service fee based on a flat rate or on a percentage of the total amount disbursed (see the Advancement Fee [FedEx Express] or the Disbursement Fee [FedEx Ground] listed under Ancillary Clearance Service Fees on pp. 117–118).</p>	International Express Package Services, International Express Freight Services, International Ground Service	See the definition at left, the Duties and Taxes section in the FedEx Express International Terms and Conditions, and the International Service Conditions section in the FedEx Ground Tariff for details.
