PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §16-2-4, no contract or renewal of any contract may be awarded in the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party is the vendor or prospective vendor in a default and (1) the debt owed is an amount greater than one thousand dollars in the aggregate or (2) the vendor is an employer default.

EXCEPTION: The prohibition above does not apply where a vendor has discharged any tax administered pursuant to another provision of the W. Va. Code, including unemployment insurance, parent fee or environmental fee or assessments and the vendor has not become liable or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any judgment, penalty, priority, fine, tax or other amount of money owed to the state or any of its political subdivisions, including a judgment, fine, parent violation, license assessment, defaulted workers compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties assessed thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the unemployment employers' fund or being in policy default, as defined in W. Va. Code §20-2-2, failure to maintain mandatory workers compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and complies with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form of business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or control through which the party has a substantial or beneficial interest in the vendor so that the party will directly or indirectly receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party requiring an amount that equals or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §1-1-3) that neither vendor nor any related party owes a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
