

Division of Forestry Obtains Semi-Truck from WV Surplus to Extend Services Around the State

Thanks to WV Surplus, the Division of Forestry will soon have a “new” vehicle out on the road. After the vehicle undergoes needed repairs, the truck will be used to transport heavy equipment throughout the state.

Buying a used truck to repair instead of buying new will provide a significant savings to the Division of Forestry. While the final repair costs are still being calculated, the Division of Forestry estimates that acquiring the vehicle through WV Surplus will provide a savings of at least \$100,000.

10 More Years Completed with Many More to Come

As we say goodbye to 2019, we also say goodbye to a decade of memories. So much has changed at WV Surplus since 2010. We have a new warehouse. We have a Facebook page where we can instantly communicate with our customers. We welcomed new faces and said goodbye to those who have retired. But while these are important moments, WV Surplus also continued its commitment to outstanding customer service and will continue to meet each challenge with a smile.

Throughout 2019, Doug Elkins and I traveled to Moorefield, Fairmont, and Beckley to meet with local government officials. These events were offered by the West Virginia Purchasing Division which oversees WV Surplus. Evaluations from these events revealed that a majority of attendants gained a better understanding of WV Surplus's programs and services and

would encourage other local entities to attend a similar seminar in the future. Thank you to those who attended and have reached out to us as a result.

While we currently do not have any outreach seminars scheduled for 2020, there are still many opportunities to meet with our staff and learn about our programs. WV Surplus be hosting a webinar for eligible organizations in May as well as its annual Customer Appreciation Day in June. You can learn more about these events in the article at the bottom of this page.

If you have questions or an immediate need, please do not wait until these events! Our staff is always available to help eligible organizations obtain needed items (such as the Division of Forestry on page 1) or to check inventory for our daily sales customers (such as with our 2019 Gift Guide also on page 1). WV Surplus Announces Dates for 2020 Events

WV Surplus is pleased to share that planning is already underway for its upcoming spring and summer events: a special webinar for eligible organizations and its 2020 Customer Appreciation Day.

On May 7, 2020, from 10 a.m. to 11 a.m., WV Surplus invites eligible organizations (e.g.

municipalities, churches, schools, nonprofits, etc.) to participate in a free webinar on the WV Surplus Eligible Organization program. This event will include information on how to register with WV Surplus, the benefits of being registered, how to access federal property, and more. While this is a free event, registration will be required. Please contact Jessica L. Chambers at 304.558.2315 or jessica.l.chambers@wv.gov to register or with any additional questions.

On June 4, 2020, members of the general public are invited to WV Surplus's Customer Appreciation Day. This annual event allows WV Surplus to say "thank you" to its customers. A free, evening reception with light refreshments will be conducted from 4:30 p.m. to 6 p.m. which gives customers the rare chance to shop outside of WV Surplus's regular business hours. RSVPs are not required but encouraged by emailing jessica.l.chambers@wv.gov or responding via the Facebook event.

Whether you are a long-time customer or have just learned about WV Surplus, we hope your organization will join us for one of these events. Additional information will be posted to the WV Surplus Facebook page at www.facebook.com/WVSurplus as it becomes available.
