Re: Design of New and Renovated Facilities at Pruntytown, Anthony, Mt. Olive, St. Marys,
Martinsburg, Denmar, Huntington, Wood County and Charleston,
West Virginia Division of Corrections
COR61345

Dear Mr. Abbott:

ZMM, Inc., Architects and Engineers is pleased to submit the enclosed information in support of our experience and capabilities to provide quality professional services for the above referenced projects for the West Virginia Division of Corrections.

In response to the evaluation criteria identified in the solicitation for Expressions of Interest we offer the following:

Firm's Ability to Handle Projects in Their Entirety - ZMM, Inc. has been providing professional services throughout West Virginia since 1959 and is recognized as one of the largest resident Architectural and Engineering firms in the state. We are an organization of creative professionals with the common interest of working together as a team to achieve the desired goal of designing and engineering innovative and cost effective buildings that serve the needs of our clients and the public. Our full-time staff of over 35 employees includes architects, engineers, planners, technicians, construction administrators and support personnel. ZMM, Inc. has the in-house capability to efficiently and effectively deliver the professional services necessary to program, plan and prepare construction documents and provide construction administration services for the West Virginia Division of Corrections.

Firm's Ability to Formulate Designs with Applicable State and Federal Regulations - ZMM, Inc has a long history of providing architectural and engineering services to the West Virginia Division of Corrections. These projects include:

- Lakin Correctional Center for Women, Lakin, WV
- J. M. "Chick" Buckbee Regional Juvenile Center, Hampshire County, WV
- Gene Spadaro Juvenile Center, Mount Hope, West Virginia
- James H. "Tiger" Morton Regional Juvenile Center, Kanawha County, WV
