RE: DNR 80044 – GPS Hand Held Units with Accessories Bid

Dear Ms. Carte:

Thank you for the invitation to provide pricing for this procurement. Please find attached our response.

Earth Vector Systems, LLC is an Authorized Trimble Distributor and would look forward to the opportunity to serve the West Virginia Department of Natural Resources. For over 12 years we have served the Virginia, Maryland and Washington DC areas. Earlier this year, Trimble Navigation invited us to extend our service to West Virginia.

If Earth Vector Systems receives this contract award, we will be glad to provide a half-day of training at no additional cost to the end user whom I believe is in Elkins.

Please contact me if you have any additional questions.

Sincerely,

York D. Grow

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions.

"Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION:

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.
