Completely field programmable hand held high band radio

Field cloning -transfers information from one radio to another automatically

Field cloning from RELM BK radios used by wildland fire suppression agencies and first responders across the nation

Radio must be capable of cloning to or from existing Bendix King radios.

On the Fly programming of command groups

Two-line display

Keypad for simplified field programming

FLASH technology

true digital-analog mixed mode operations

Minimum 500 channels, 25 users groups with 20 channels per group

136-174MHz VHF expanded frequency range

5/2 watts RF output

APCO P25 specifications

FDMA Common Air Interface compatibility

Emergency group calls

Unit to-unit calls with auto-callback

Channel and priority scan, talkback scan

Weatherproof design

Long life lithium-ion battery

Meets MIL-STD 810 certification specs

Meets NIFC fire certification specs

Meets California Dept of Forestry certification specs

The Bendix King Field programmable hand-held portable radios has been adopted by most of the federal wildland fire suppression agencies and first responders across the nation, due to its reliability and ruggedness. This particular radio also has the feature to allow Division resource's the ability to clone and/or program the radio from the field. This advanced feature is necessary as our resources are mobilized to different geographic regions to suppression ongoing wildfires. This is ability to communicate with others when placed in life-threaten situations is a must.

### AFFIDAVIT

### West Virginia Code §5A-3-10a states:

No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

### **DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality, county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

### **EXCEPTION:**

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

### LICENSING-

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

### **CONFIDENTIALITY:**

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated

# Specially engineered for managing multi-unit, wide-area response

- 500 channels, 25 user groups, 20 channels per group
- \* 136-174 MHzVHF expanded frequency range
- · 5/2 watts RF output
- Enhanced keypad sumplifies tabet programming in the field, plus programmable soft switches and opnons
- Rock-solid reliability meets tough MIL-STD 810 and approved by the California Dept. of Forestry
- · Channel increments 2.56,257,5 KHz, thannel spacing 25/30 and 12:5/15 KHz
- pick list for field selection, network access endes, and Global TX Code Guard Select - 32 TX-tone global talk group IDs
- Channel and priority (dual priority) scan, talkback scan
- Enhanced dot-matrix display two-line, 12-character alphanumenc icons
- Nuisance channel delete

- nocluding FDMA Common Air Interface comparible, emergency group calls, and unit-to-unit calls with Meets or exceeds APCO P25 specifications auto-callback
- Programmable for digital, analog, or true mixedmode operation, with automatic mode detection and mikback
- Easy to use, easy to program and customize
- Superior audio quafity and clarity
- Weatherproof design
- over 19 hours with high-capacity lithium-ton Langer life between battery charges/changes batter
- a 20-channel command group from any of the 500 On-demand Command Group - enables building programmed channels on the fly
- Tactical Scan Group
- per-channel code guard for finding the best signal path Without changing chappels Enhanced user-selectable
- data, group data, command group, information from one radio to another automatically - global Claning technology imasfets pick fers
- Victoria (equipment) of Victoria enbancemens via software mateau of hardwark changes

The BK Radio DPH-CMD portable, compliant with the APCO P25 standard, including the P25 capabilities of the preven DPH, plus enhanced responders for tactical command-level radios. FOMA Common Air Interface, has all the feature sets engineered to meer additional advanced requirements specified for first-

your specific statation and requirements. The new vock-solid reliability with extremo versatility and Command Group feature allows you to create a custom command group on the fly. User pick list provide the range of functions you need to meet case of use. Each radio can be customzed to The DPH-CMD portable combines proven of 32 code guards for field selection,

performance, reliability, or durability even under efficiencies that result in significant cost sayings features are suffware-driven, creating inherem the most demanding public safety conditions. hs superior design neans that functions and without compromising or sacrificing quality,

Programming is focused on the practical needs and requirements of the radio user. Despite a wide

erbically important factor in emergency situations. DPH-CMD portables are always casy to use - a variety of individual aptions, the BK Radio

As a result of advanced engineering techniques, the

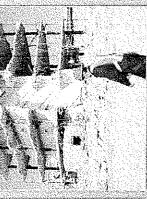

lower current drain than other portables, which means charges or changes. And with the new high-capacity The DPH-CMD also has the ability to clone group DPH-CMD and all D Series portable radios have lithinm-ion battery, service eyeles are extended to significantly longer battery life between battery more than 19 hours.
