**Reference: *Expression of Interest
Architectural and Engineering Services for
the Renovation of the West Virginia State Capitol Cafeteria
RFQ No. GSD076413***

Dear Mr. Price:

Buchart Horn, Inc., in association with **McFarland-Kistler Associates** is pleased to present our qualifications to provide services to the State of West Virginia for the referenced project. Our team offers a full range of architectural and engineering capabilities, **including in-house expertise in architecture, mechanical engineering, electrical engineering and structural engineering.** We are completely familiar with all state and local code and design requirements, and have incorporated these requirements into past analysis and designs. Details concerning some of our related experience, along with credentials of our key project personnel, are included in this package.

Our Project Manager, Mike Phillips, AIA, LEED, has led our efforts in a number of recent renovation projects, including the Kanawha County Judicial Annex building, the Preston County Courthouse Annex, and several projects at Yeager Airport. Our work on these and other recent projects has enabled us to develop and refine a unique approach based on a formal program of consensus building. We believe that this approach, coupled with our strong in-house capabilities and experience, uniquely qualify us to help you be successful with this program.

Should you have any questions regarding the material contained in this package, please contact Project Manager Mike Phillips or me at 304 346-1176. Thank you again for your consideration of Buchart Horn for this assignment. We look forward to the opportunity to serve you on this important endeavor.

Sincerely,

BUCHART HORN, INC.
