**Reference: Expression of Interest  
Architectural and Engineering Services for  
West Virginia State Lottery Headquarters Renovations**

Dear Mr. Bowman:

**Buchart Horn, Inc.**, is pleased to present our qualifications to provide services to the State of West Virginia for the referenced project. Our team offers a full range of architectural and engineering capabilities and an outstanding record of service to the state and to various West Virginia communities on similar projects.

We are completely familiar with all state and local code and design requirements, incorporated these requirements into past analysis and designs. Details concerning some of our related experience, along with credentials of our key project personnel, are included in this package.

Our Project Manager, Mike Phillips, AIA, LEED™ AP has led our efforts in a number of recent programming and design assignments, including a new office facility in Charleston, new administrative facilities at Yeager Airport, and several proposed county courthouse expansions throughout the State. Our work on these and other recent projects has enabled us to develop and refine a unique approach based on a formal program of consensus building. We believe that this approach, coupled with our strong in-house capabilities and experience, uniquely qualify us to help you be successful with this program.

Should you have any questions regarding the material contained in this package, please contact Project Manager Mike Phillips or me at 304 346-1176. Thank you again for your consideration of Buchart Horn for this assignment. We look forward to the opportunity to serve the state on this important endeavor.

Sincerely,  
**BUCHART HORN, INC.**
