STATE OF WEST VIRGINIA Purchasing Division

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more countles or municipalities. "Related party" means a party, whether an Individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entitles.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the Information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/ admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.

XXX 6545

THE ART OF PERFECTION IN SURVEILLANCE TECHNOLOGY

X-Ray Inspection

The XIS-6545 is the ideal solution for screening small to medium-sized parcels for airports, government offices, and other business applications. The tunnel opening of 650 mm (25,6%) wide by 450 mm (17.7") high is designed to admit most medium-sized parcels, allowing the XIS to inspect them with high-resolution imaging.

The XIS-6545 is ergonomically designed with advanced x-ray technology while taking operator comfort into consideration. The detachable control unit allows the operator to change positions and comfortably control the imaging functions and motion systems while reducing both stress and muscle fatigue, maximizing productivity and operator comfort. 🦟

Imaging Characteristics • Color and Black and White imaging • Variable contrast level control

- Pseudo color and reverse monochrome
 User selectable Zoom-In 2X to 32X
 Automatic Edge Enhancement imaging
 Programmable penetration levels

- Automatic Z-number measurement
 Dual 19" (48 cm) color monitors
 Organic & Inorganic Imaging
 Geometric Image Distortion Correction

PC-Based System

The XIS-6545 is a PC-based system, which runs on Windows 2000 Service Pack 4. The XIS combines the latest software and hard-ware technologies to provide superior im-age clarity and resolution.

Networking

The XIS-6545 is designed to network with other inspection systems using high speed Ethernet TCP/IP data communication. Images from any XIS model can be sent through the network to a central server where they can be viewed, stored, and printed.
