Dear Ms. Wagner,

West Virginia is retooling its Medicaid program through the implementation of new technologies. ACS Heritage, Inc. (ACS) is proud to have the opportunity to assist the State in this initiative. We support numerous Medicaid programs with the same tools proposed for West Virginia and are confident that they will meet the requirements set out in the Request for Proposal.

ACS is pleased to submit its proposal in response to RFP BMS80645 Clinical Web Portal. This letter, together with accompanying materials and enclosures, collectively comprise the ACS response to the RFP. Our proposal package contains the following: One (1) original, six (6) convenience copies, and one (1) electronic copy in Word format.

Regarding terms and conditions:

ACS Heritage, Inc. is licensed with the WV Secretary of State to perform services in West Virginia and is in good standing. The WV Control ID is 40171. We are confident that we will be able to negotiate mutually satisfactory terms and conditions upon contract award. We have read and understand the HIPAA Business Associate Agreement (RFP para. 3.3.5). WV-96, Agreement Addendum, is signed and enclosed with this proposal. ACS Heritage, Inc. and affiliates, subcontractors, entities, agency, person, or vendors are not debarred or suspended from conducting business with any state agency or the federal government.
