Some of the information furnished in response to the State of West Virginia, Health and Human Resources, Bureau for Medical Services, Request for Proposal for a Clinical Web Portal is confidential and proprietary information to Unisys. This information constitutes trade secret information and should not be duplicated, used or disclosed in whole or in part for any purpose other than to evaluate the proposal.

Pages containing such proprietary or confidential trade secret information are appropriately marked. Notwithstanding such prohibition, if a contract is awarded to Unisys in response to this offer or as a result of or in connection with the submission of this information, the State shall have the right to duplicate, use or disclose the data to the extent provided in the resulting contract. This restriction does not limit the State's right to use the information contained in this proposal if it is rightfully obtained from another source without restriction.
