PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.

PROVIDING THE EXPERTISE

Product Selection

We have years of experience working with a variety of industry suppliers and related sources. This means we can help you find the right equipment and supplies to fit your needs and budget.

Custom Stainless Fabrication

We can provide you with quality custom fabrication including sinks, drainboards, worktables and hoods. We will design these units to meet your needs, or we can work from your design specifications.

Service

Each piece of equipment is started, tested and checked for proper operation. A service manual is provided so you know who to contact should you need service.

Engineering

Construction documents including rough-in drawings, shop drawings and buy-out brochures are provided for coordination to all on-site trades.

Custom Millwork

We can provide you quality millwork, including plastic laminate and Corian™ in accordance with your plans and specifications.

Delivery & Installation

We know that the quality of our complete package depends upon our ability to set up and install each component of your package according to plan. From factory to operation, we'll make sure your equipment arrives on time and is installed and operating properly.

Leasing & Financial Services

We offer flexible leasing arrangements through approved leasing organizations, or we can offer financing of your complete package. We offer interim as well as long term financing—so you can get your business started as quickly as possible.

YOUR PROJECT DESERVES

A Finely Tuned Team of Specialists

Our staff of professionals approach each project as a team from the most complex multi-unit project to the smallest renovation. We offer the proven expertise needed to successfully bring all the elements together.

Thorough Follow-Up Support

We are here to service you once your business has opened. You can call us for information on equipment, service or to order replacement parts for your facility. We can ship most in-stock items within 24 hours.

A Commitment to Excellence

Our reputation for follow-up service and skill in working with a variety of foodservice partners has earned us a long list of satisfied customers.

Awards of Distinction

Our commitment to excellence has also earned us recognition from our foodservice industry partners.

Food Service Equipment & Supply Specialist Magazine -

“Installation Award Winning Project” - 1977, 1979-80, 1986, 1993
