PLEASANTS COUNTY, WV

WASTEWATER PLANT DECOMMISSIONING

1.0 DEWATERING, CLEANING AND ABANDONMENT OF
WASTEWATER TREATMENT FACILITY

1.1 DESCRIPTION OF WORK

Furnish all labor and materials necessary to dewater, wash, disinfect, abandon, and miscellaneous related work as specified below, for the abandonment and removal of the St. Marys Correctional Center waste water treatment plant. Also, to remove and dispose of scrap steel and other miscellaneous metals pile from the site. The concrete building blocks are not to be disturbed and shall remain on the property.

1.2 SEQUENCE OF WORK

The contractor shall follow the sequence of work as outlined below:

- a. Coordinate and relocate the facility's overhead power drop to remove it from the treatment plant and reinstall it directly onto the laboratory building. The dusk to dawn light shall also be relocated onto the block building.
- b. Dewater the treatment plant by pumping out all liquid as well as sludge and disposed at an approved site.
- c. Pressure wash all interior surfaces of the treatment plant.
- d. Disinfect treatment plant structures.
- e. Remove stairway to treatment plant from platform at the laboratory building entrance and weld new hand rails onto existing platform railings.
- f. Remove treatment plant steel structure and dispose.

- g. Place a one (1) inch layer of lime over the sand drying beds, then remove sand, gravel, distribution and underdrain piping from the sand drying beds.
- h. Fill and grade tank excavations and drying beds with clean fill to be obtained from state property in the vicinity of the site.
- i. Existing fence may be removed until demolition is complete but contractor must install temporary fence to corner of building. Owner will supply fencing materials for temporary fence. Contractor must reinstall fence at job completion.
- j. Owner will supply toilet facilities in Laboratory Building.
- k. Contractor to demo the two designated manholes to six inches below grade and fill to grade.
- l. Concrete ramps and pads in drying beds to remain.
- m. Seed and mulch all disturbed areas.
- n. Remove and dispose of all scrap metals from the site adjacent to the laboratory building.
- o. Contractor must comply with all security procedures.
- p. Timeline for project will be 60 Calendar Days from Notice to Proceed.

1.3 DEWATERING AND CLEANING OF WASTEWATER TREATMENT PLANT

The contractor shall remove all remaining wastewater and residual solids from the treatment plant using an approved wastewater pumping service. Contractor shall provide the Engineer with copies of manifest receipts for hauling and disposal at an approved site. All interior chambers shall be dewatered to within practical limits. All interior surfaces of the treatment plant shall then be cleaned with a high pressure washer. This water may be disposed by pumping it into the existing bar screen pit located on the site. Once the interior surfaces have been cleaned to the satisfaction of the

Engineer, they shall be disinfected by the use of spraying an approved calcium hypochlorite or chlorinated lime solution containing not less than 200mg/l chlorine. Upon completion of the disinfection process, the plant may be dismantled for removal. All site piping and drain lines shall be cut off below grade and plugged with concrete. Care shall be taken not to disconnect the laboratory building sanitary sewer that discharges into the sanitary sewer manhole near the bar screen pit.

Following the removal of the steel, the approximately four foot excavation shall be completely filled with clean dirt to be excavated and hauled from a location on the Correctional Center property, graded, seeded, and mulched.

1.4 DECOMMISSIONING OF THE SLUDGE DRYING BEDS

Prior to removal of sand, gravel and under drain system, a one (1) inch layer of hydrated lime must be applied to the top surface. Sand and gravel along with the lime shall then be removed and transported to an approved landfill for final disposal. Contractor shall provide the Engineer with copies of the landfill manifest tipping fee receipts. Following the removal of the sand, gravel and underdrain piping, with clean fill to the level of the concrete walls. The last four inches of depth shall be filled with number 57 gravel.

1.5 REMOVAL OF SCRAP STEEL

Contractor shall remove and dispose of the pile of scrap steel and miscellaneous assorted scrap metals which is located adjacent to the waste water treatment plant site. Proof of proper disposal of all metals shall be submitted to the Engineer.

Note: The laboratory building, a small block building and sand drying bed structure including covers are not to be demolished. Any damages to the existing fence shall be repaired and/or replaced.

STATE OF WEST VIRGINIA
Purchasing Division**PURCHASING AFFIDAVIT**

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

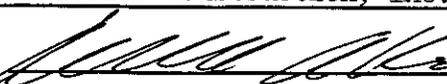

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
