**RE: Expression of Interest for WV Army National Guard
RFQ Number: DEFK8224**

Dear Mr. Abbott,

Alpha Associates, Incorporated would like to submit this proposal for engineering services to the West Virginia Army National Guard. Alpha has been providing engineering services for the state of West Virginia since 1969, and we are eager to continue providing these services as the engineer for your upcoming project. Alpha has a great deal of experience solving problems similar in nature to your project. Below are a couple examples:

- **WVU Alumni Center, Morgantown, WV** - This project included: site grading, storm water management, utility design, storm drain design and stream relocation.
- **WVU Research Park, Morgantown, WV** - This project included: demolition of structures, mass grading, installation of erosion and sediment control features, storm water features, paving, utility installation and relocation, installation of signing and pavement markings.

Storm water management is included in a majority of Alpha's civil engineering projects. Above are just a couple examples; more will follow in the "Project Experience" section of this proposal.

Scope of Work

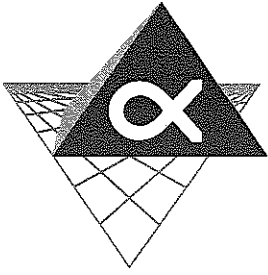

Alpha understands this project is completing the design to remedy excessive storm water run-off, and slope erosion, at the Center for National Response, Gallagher Tunnel in Gallagher, WV. Alpha anticipates providing the following services:

- Assessment of the site
- Design for a correction plan
- Bid documents

RECEIVED

2008 MAY 19 A 10: 04

PURCHASING DIVISION
STATE OF WV

- Construction Administration Services

Alpha will work hand in hand with the WV Army National Guard to make sure the current problems are addressed and a solution will be put in place for years to come.

Summary

All aspects of this project are in house functions at Alpha. We will provide you a dependable team that will get the job done on time and within budget. We look forward to sharing our ideas with you in a formal interview.

Sincerely,

Alpha Associates, Incorporated
