Re: **DEP Requisition #DEFK8224**
EOI A&E for Erosion Control of Access Road Gallagher Tunnel

Dear Mr. Abbott:

LA Gates Company is interested in providing professional services to address storm water runoff and slope erosion affecting site access road and parking area for the facility at Gallagher, Kanawha County, WV.

Gates staff deals with conceptual design and remedial measures for water control in both the mining and road construction industries daily. Our staff is well versed and qualified to engineer an effective solution to the water runoff issues. Gates performs professional services for WVDOH routinely and this project is well within our scope of capabilities.

I trust that you will find after reviewing the enclosed CCQQ and RPEM that you will agree that LA Gates Company has the expertise and equipment necessary to perform such a project.

Should you have any questions or need additional information, please feel free to call me at 304/256/1640 ext. 106.

Kind regards,

Tim Coleman

VP – Mining Engineering
